2. DECLARATIONS OF INTEREST

None.

3. PUBLIC FORUM

None

4. Environment Sub Group Park Investment Priorities – Allocation of Section 106 Funds (Agenda Item 4)

The following schemes were unanimously recommended for approval by the Neighbourhood Partnership at its meeting on Wednesday 8th October 2014:

Allocation of S106

The Environment Sub Group and the Neighbourhood Officer have looked at the section 106 funds available to parks in the area and propose the following funds are allocated to improve local parks.

- a. The first proposal is the allocation of £3000 to Gaunts Ham Park in Lawrence Hill from 10/05355 / Castle House, Lincoln Street, Barton Hill / ...SB51. This would be for small improvements that will improve public safety and aid managing out crime initiatives within the parks boundary. This will include tree works, signage, and removal of the teen shelter for potential relocation.
- b. The second proposal is to use £11482.83 that was awarded to Rawnsley Park from 09/01321 / Waggon and Horses PH, 83 Stapleton Rd, Easton / ZCD...A21. This money was allocated to enlarge the size of the dog free areas available in the park. The area proposed was to make the informal football pitch dog free but after work in the area there has been very little interest from the community so the money could potentially be better spent elsewhere within the NP area

Resolved (unanimously) - that Councillors approve the Neighbourhood Partnership recommendations.
