To agree the purchase and install litter/dog bin at Kingsweston. These funds will be would come out of the Shire Baths allocation.

Back Ground

Back in December 2011 the Neighbourhood Partnership agreed the Avonmouth and Kingsweston Parks and Green Space Improvement plan. Over the past 20 months, working in partnership with residents and other organisations we have (or are in the process of working towards) several of the Priorities. These are the completion of the Springfield Park, the new play area and improved formal green space on the Sea Mills Square, a new play area on Ridingleaze and in Henacre Green space and the accessibility improvements at the Lamplighters March.

Proposal

The next priority in the Green Space plan to improve formal space in Shirehampton. A group of us walked around the area and have identified the following projects:

Removal of the nautical themed Benches from Ridingleaze and installation on the water front in the Nibley Rd Green Space. Confirmation that each bench will be £550:00

To install two new litter/dog bins at a cost of £1,100 each along Lamplighters march near to the PBA club, funding would be taken out of the S106 Valerian Close allocation

Purchase and installation of 2 new benches in Springfield Park – KC180 bench will be £1,150 each to supply and install Total £2,300 These funds would also come out of the Valerian Close Allocation

Further to this, Kingsweston House Action Group, as part of a wider campaign have requested a litter/dog bin. The cost of purchasing and installing a litter/dog bin at Kingsweston House £1,100.00 including 15 years commitment to emptying.

These funds could come out of the Shire Baths allocation.

07/01617 / Old Barrow Hill, Shirehampton / ZCD...935	£10,224.77	10 Sep 15	The provision of improvements to Parks and Open Spaces within one mile of Old Barrow Hill
