

BCR NP 22.10.12 – Agenda Item #12
Paper by Sustainable Redland – Hamish Wills

Retail Destination – Whiteladies Rd / Cotham Hill

Do we want Whiteladies Road and Cotham Hill to pan out as High Street clones of Anywhere UK, or do we want them to be quirky and diverse, full of energy and exciting places to be? Of course it's the latter, and we've had a great lift from both our NP and the Clifton NP to help us get there. Both are putting in equal amounts (subject to agreement from CCCE NP) to fund a post for a year, which we can define and manage ourselves. I will be talking more about this on 22nd October, and making a start with collecting ideas.

There was an initial meeting on 3rd October and if you recall our NP along with Clifton awarded a grant of, so far, £15,000 for a retail development officer, with the hope that a further £5,000 can be secured from our neighbouring NP.

Verbal brief and discussion at the meeting.
