Participating in your Neighbourhood Partnership meetings

There are several ways in which local people can get involved in the work of this Neighbourhood Partnership. You can :

- **Attend meetings of the local Neighbourhood Forum** in your ward, where you can raise any issue of concern to you. The work of the Neighbourhood Forum feeds into the Partnership meeting. Details of when and where Forum meetings are taking place can be found on the Council's website. No invitation to attend or notification of the business you want to raise is necessary. Just turn up on the day and have your say on anything relating to your area.
- **Attend a Neighbourhood Partnership meeting and comment on any item of business on the agenda**, either by raising your hand at the appropriate time and the Chair may invite you to speak, or by submitting a statement on any matter on the agenda in advance.

If you want to submit a statement, this should be sent to the clerk to the meeting (contact details below) **no later than 12.00 noon on the working day before the meeting**. Where possible, the statement will be sent directly to members of the Partnership, and be printed and circulated at the meeting. Statements will normally be heard immediately before the item to which they relate.

Please note that for copyright reasons, we are unable to reproduce or publish newspaper or magazine articles which may be attached to statements as supporting documentation.
