## Participating in your Neighbourhood Partnership meetings

Please note that there are several ways in which local people can get involved in the work of this neighbourhood partnership. You can :

- **Attend meetings of the local Neighbourhood Forum** in your ward, where you will be able to raise any issue that is of concern to you as a local resident. The work of the Neighbourhood Forum feeds into the Partnership meeting. Details of when and where Forum meetings are taking place can be found on the Council's website. No invitation to attend or notification of the business you want to raise is necessary. Just turn up on the day and have your say – on anything you want relating to your area.
- **Attend this meeting and comment on any item of business on the agenda**, either by raising your hand at the appropriate time and the Chair will invite you to speak, or by submitting a statement on any matter on the agenda in advance.

If you want to submit a statement, this should be sent to the clerk to the meeting (contact details below) **no later than 12.00 noon on the working day before the meeting**. The statement will where possible, be sent directly to members of the Partnership, and be printed and circulated at the meeting. Statements will normally be heard when the item to which they relate is reached.
