**Lifts must not be used under any circumstances.**

Please note: alarms are tested every Monday at 9.30am (for approx. 30 seconds). These arrangements apply to meetings held in the City Hall, College Green. Where the meeting is held elsewhere, local arrangements will apply.

Please contact the Democratic Services Officer named on the agenda if you require further information regarding the following:

### ATTENDANCE AT MEETINGS – LOCAL GOVERNMENT (ACCESS TO INFORMATION) ACT 1985

All Development Control Committee meetings are open to the public and a limited amount of seating is available in each committee room. You may however be asked to leave the meeting when the committee considers any exempt (confidential) business shown on the agenda.

#### Webcasting/Recording of meetings

Members of the public attending meetings or taking part in Public forum are advised that all Full Council and Cabinet meetings and some other committee meetings are now filmed for live or subsequent broadcast via the council's webcasting pages. The whole of the meeting is filmed (except where there are confidential or exempt items) and the footage will be available for 2 years. If you ask a question or make a representation, then you are likely to be filmed and will be deemed to have given your consent to this. If you do not wish to be filmed you need to make yourself known to the webcasting staff. However, the Openness of Local Government Bodies Regulations 2014 now mean that persons attending meetings may take photographs, film and audio record the proceedings and report on the meeting. (Oral commentary is not permitted during the meeting as it would be disruptive) Members of the

public should therefore be aware that they may be filmed by others attending and that is not within the Council's control.

## **INSPECTION OF PAPERS – LOCAL GOVERNMENT (ACCESS TO INFORMATION) ACT 1985**

If you wish to inspect minutes or reports (other than exempt reports) relating to any item on this agenda please contact either the Democratic Services Officer or the Modern Records Office (tel: 0117 9222376). The background papers listed in a report may also be inspected. Please notify the Democratic Services Officer if you wish to see these. He/she will arrange with the report author for papers to be made available to you at a mutually convenient time. We can also arrange for copies of individual reports or minutes to be supplied to you or for an annual subscription to the papers for any Development Control Committee. A charge will be made for this service. Alternatively, all Development Control Committee information may be inspected on the Council's Internet web site at : [www.bristol.gov.uk](http://www.bristol.gov.uk)

## **OTHER FORMATS AND LANGUAGES AND ASSISTANCE FOR THOSE WITH HEARING IMPAIRMENT**

Committee papers can be provided in other formats (e.g. large print, audio tape, braille etc) or in community languages, upon request. Please contact the Democratic Services Officer if you would like such papers giving as much notice as possible. It should be noted that re-formatting or translation of committee reports before the date of a particular meeting cannot be guaranteed.

Committee rooms in the City Hall are fitted with infra-red induction loops to assist people with hearing impairment. These can be used with either a neck loop (for hearing aid users) or with a handset. The Democratic Services Officer will be able to provide you with these. Hearing aid users need to switch the hearing aid to the "T" position.

## **PUBLIC FORUM**

Members of the public can make a **statement** or presenting a **petition** to any Development Control Committee provided that:-

You give written notice to us, including a copy of the statement or the front page of the petition, no later than 12.00 noon on the working day before the meeting and

The statement or petition concerns a matter that is the responsibility of the Development Control Committee at which you intend to present it.

(\* NB: if the meeting is on a Monday then your submission will need to be with us by 12.00 noon latest on the preceding Friday).

Any statement submitted should be no longer than one side of A4 paper. If the statement is longer than this, then for reasons of cost, only the first sheet will be printed for Members of Council and made available at the Meeting.

You may also ask a **question** of the chair at a committee meeting. This must be submitted to us in writing not less than 3 clear working days before the date of the meeting. A written response will be available 1 hour before the meeting which will be circulated to all who are present and will be included subsequently, with the minutes of that meeting.

**Please note** that by participating in Public Forum business, it will be assumed that your consent is given to the recording of your name and the details of your submission in the documentation that is circulated to committee. This information will also be made available at the meeting to which it relates and placed in the official minute book as a public record (available for inspection upon request with the other documents for the meeting concerned).

Where appropriate, we will endeavour to remove other personal details such as contact details. However, because of time constraints we cannot guarantee this and you may therefore wish to consider if your statement contains information that you would prefer not to be in the public domain. Public Forum statements will not be posted on the Council's website.

Other committee papers may be placed on the Council's website and information contained within them may be searchable on the internet.

Please note that for copyright reasons, we are unable to reproduce or publish newspaper or magazine articles that may be attached to statements as supporting paperwork.

### **Process during and after the meeting :**

Public Forum items are normally heard just prior to the agenda item to which they relate and are usually taken in the order in which they have been received. The Chair will call each submission in turn. When invited to speak, if making a statement, you should ensure that your presentation

is short and concise and focuses on the key issues that you would like Members to consider. This will have the greatest impact. Please avoid reading out a lengthy text from a piece of paper – in most instances Members of the Committee will have already received and read a copy of your statement. Remember that your time allocation may have to be strictly limited if there are a lot of submissions before the meeting.

You do not have to speak or even attend the meeting at which your public forum submission is being taken. However, you should be aware if you do not present it, then it will **not be read out** unless the Chair specifically asks for this to happen. It will nevertheless be noted by members.

As most people who participate in public forum remain present for the debate on the agenda item in which they are interested, and because minutes of the meeting are normally published on the Council's website in 5 clear working days, it is not our normal practice to write to individuals afterwards. However, if you would like to receive an official response as to what happened to your submission at the meeting, please advise the Democratic Services Officer named on the agenda, and ensure that they have your full address or e-mail details. We will then contact you within 7 working days. Alternatively you may phone the officer (see contact number on front of agenda) to confirm the outcome.

## **REGISTER OF INTERESTS**

To ensure an accountable, open and transparent local democracy, a Register of Interests for councillors is available for public inspection. Please contact the Democratic Services Officer named on the agenda if you wish to view the Register.
