#### RECOMMENDATION

That the Committee note the estimated outturn and potential use of reserves for 2011/12

#### Summary

Appendix A presents the estimated financial outturn position. Currently there is a small projected underspend of £8,140. This is before any potential transfer of expenditure to reserves.

Also excluded from this is the balance of the writeback of an outstanding debt due from Tony Hopkins Entertainment in respect of the site fee for use of the Downs in 2009. Events officers have worked with Tony Hopkins to accelerate repayments to ensure the debt is cleared by the end of August. The current balance outstanding is £4,000

#### The significant issues in the report are:

There is a small projected underspend, prior to use of reserves of £8,140 Current expenditure that could be charged to reserves is £20,260 Tony Hopkins Entertainment has an outstanding debt of £4,000. Total reserves as at 31 March 2011 stand at £156,908

#### Context

Appendix A details the budget for the year, actual expenditure to the end of July and an estimated outturn position for 2011/12. An underspend of  $\pounds$ 8,140 is estimated for the end of the year.

There are a number of projected variations from the original budget, these include salary savings of £11,000 due in the main to the fact that existing staff are looking after the goat herd. There are also savings in NNDR and Legal Services charges. Unbudgeted costs include the contribution to the Seasonal Education Officer which could be met from reserves if there are other budget pressures during the year.

There is an outstanding debt of £4,000 due from Tony Hopkins Entertainment in respect of the site fee for use of the Downs in 2009. Because of the age of the debt (originally £16,500) this has been written back to the Downs revenue account. The debt was previously held within the City Council's central debtors system. Tony Hopkins has been making modest repayments, however the events team have been working to significantly improve the situation.

Currently charged to revenue are a number of items for which funding from the Downs reserve has been agreed (see table below.) The total costs to date included in revenue are £20,260.
