**10 September 2012**

**Report of:** Director of Corporate Services

**Title:** Finance Report 2012/13

**Ward:** N/A

**Officer Presenting Report:** Tony Whitlock

**Contact Telephone Number:** 0117 9222428

**RECOMMENDATION**

That the Committee note the estimated outturn for 2012/13

**Summary**

Appendix A presents the estimated financial outturn position. This is largely based on actual figures to the end of July. Overall there is likely to be a net underspend at the end of the year, of £19,424. Any remaining underspend could be transferred to reserves at the end of the financial year.

**The significant issues in the report are:**

There is a current projected net underspend of £19,424 largely resulting from unbudgeted income received from Bristol Water in connection with their installation of a new water main across the Downs.

Total reserves as at 31 March 2012 stand at £152,856.

## Context

### Outturn 2012/13

Appendix A details the budget for the year, actual expenditure to the end of July 2012 and an estimated outturn position for 2012/13. An underspend of £19,424 is estimated for the end of the year.

At this stage there are no major variations from budget to report, apart from those associated with payments made to the Committee by Bristol Water. To date the Committee has received £16,013 from Bristol Water, comprising of £5,000 early start on site, £5,893 licence fee, £3,120 compensation for diminution of land value and £2,000 disturbance compensation. A further licence fee of £9,536 should be received by the end of the year.

The following items have currently been charged to revenue, but in the event of a potential overspend, have Committee approval to be met from reserves.

## Public Sector Equality Duties

- 8a) Before making a decision, section 149 Equality Act 2010 requires that each decision-maker considers the need to promote equality for persons with the following “protected characteristics”: age, disability, gender reassignment, pregnancy and maternity, race, religion or belief, sex, sexual orientation. Each decision-maker must, therefore, have due regard to the need to:

  - ii) Advance equality of opportunity between persons who share a relevant protected characteristic and those who do not share it. This involves having due regard, in particular, to the need to --
    - remove or minimise disadvantage suffered by persons who share a relevant protected characteristic;
    - take steps to meet the needs of persons who share a relevant protected characteristic that are different from the needs of people who do not share it (in relation to disabled people, this includes, in particular, steps to take account of disabled persons' disabilities);
    - encourage persons who share a protected characteristic to participate in public life or in any other activity in which participation by such persons is disproportionately low.
  - iii) Foster good relations between persons who share a relevant protected characteristic and those who do not share it. This involves having due regard, in particular, to the need to –
    - tackle prejudice; and
    - promote understanding.
- 8b) The Downs budget is part of the total precept forming part of the Council’s overall budget for 2012/13. The Council’s budget underwent a full equalities impact assessment.
