

**DOWNS COMMITTEE  
28<sup>th</sup> January 2013**

Update From Friends of Downs and Avon Gorge

**YOUR DOWNS YOUR DAY**

This project was conceived during a chance discussion with Amanda Grubb. Amanda is no longer involved leaving a gap in knowledge as well as enthusiasm for its aims.

FOD+AG are continuing to work with Mandy Leivers and the Downs Ranger to seek effective ways of increasing the access opportunities for the less fortunate in Bristol society.

**BRIDGE OVER BRIDGE VALLEY ROAD**

FOD+AG, in association with Adrienn Tomor of UWE, continue to make progress with this exciting project. Soil, vegetation and land surveys have been completed.

A concept design is well underway and will be presented at the next Downs Committee meeting. At that meeting Adrienn Tomor will be tabling proposals for funding the project development, the construction process and the required approvals.
