Outdoor Events Policy

The current policy for outdoor events on the Downs was agreed in 2009 and is due to be reviewed. The results of the policy development regarding Personal Training will also inform the new policy. (see separate report)

A larger council wide review of the city wide outdoor policy for events is also taking place

Ideally the revised policy will better reflect the committees' appetite for events activity, outlining the type, frequency and appropriateness of different events at differing times of the year.

To further this work it is proposed that a working group meets to discuss the existing policy, identify areas for review and drive policy change.

It is hoped that a new policy agreed by committee will give greater clarity to those BCC officers promoting the Downs as a destination site for events.

Public Sector Equality Duties

- 8a) Before making a decision, section 149 Equality Act 2010 requires that each decision-maker considers the need to promote equality for persons with the following “protected characteristics”: age, disability, gender reassignment, pregnancy and maternity, race, religion or belief, sex, sexual orientation. Each decision-maker must, therefore, have due regard to the need to:
- i) Eliminate discrimination, harassment, victimisation and any other conduct prohibited under the Equality Act 2010.
 - ii) Advance equality of opportunity between persons who share a relevant protected characteristic and those who do not share it. This involves having due regard, in particular, to the need to --
 - remove or minimise disadvantage suffered by persons who share a relevant protected characteristic;
 - take steps to meet the needs of persons who share a relevant protected characteristic that are different from the needs of people who do not share it (in relation to disabled people, this includes, in particular, steps to take account of disabled persons' disabilities);
 - encourage persons who share a protected characteristic to participate in public life or in any other activity in which participation by such persons is disproportionately low.
 - iii) Foster good relations between persons who share a relevant protected characteristic and those who do not share it. This involves having due regard, in particular, to the need to –
 - tackle prejudice; and
 - promote understanding.
- 8b) All event organisers are sent the Schedule of Terms and Conditions for licences when they are issued with their licence. This schedule details the council’s commitment to promoting equality of access to all services it directly provides or facilitates through its hire of land to others. The Licensee shall conform to the principles contained in the Council’s Equalities Policy. The Licensee shall ensure that nothing the Licensee or the Licensee’s servants or agents or any sub-licensee or sub-licensee’s servants or agents does:
- a. Has the effect; or
 - b. Is intended to have the effect; or
 - c. Is likely to have the effect,

of harassing or causing the use of violence against any person who attends or wishes to attend the Event or discriminating either directly or indirectly against any person who attends or may wish to attend the Event, on the grounds of race, religion, gender, sexual orientation, disability or age.

Legal and Resource Implications
