

**DUNDRY VIEW NEIGHBOURHOOD PARTNERSHIP****21st March 2016****Title:** Willmott Park Play Area**Officer presenting report:** Julian Cox**Recommendation:**

- 1) To agree the option put forward by the Willmott Park Group
- 2) To consider allocating the £10,000 ward budget.

1. Background

Willmott Park s106 monies of £30,895. The Partnership suggested at the December 2016 meeting Willmott Park create a plan on how to spend the s106 monies. £6,632.38 is at risk and needs to be spent by 19th November 2016

Allocation codes Neighbourhood Committee decision 20/12/2011

- 07/00966 / Redhouse, Queens Road, Bishopsworth / ZCD...746 -
£13,921 No Limit
- 09/00197 / 51 Mowcroft Road, Hartcliffe / ZCD...851 -
£10,341.40 No Limit
- 10/05270 / Coleshill Drive, Hartcliffe / ZCD...A31 -
£6,632.38 Date to be spent 19 Nov 2016

2. Options Considered

- a) Install a fenced area big enough to house a £60k play area.
- b) Install a £30k play area only into the fenced area with the potential to expand.
- c) Install a £30k play area with smaller fenced area

3. Decision made.

It was thought unlikely that further funding up to £60k could be raised by the park group. The park group considers option c) to be the most viable

option at this time particularly with the time factor on the s106 spend.

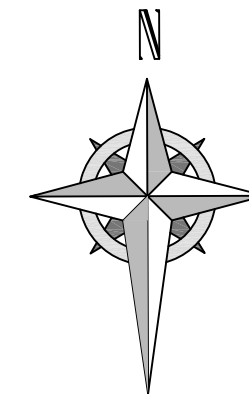

4. Further Option

Hartcliffe Ward has £10,000 set aside to progress projects in the 2015/16 Neighbourhood plan as agreed at the December 2015 Neighbourhood Partnership Meeting, Councillors could allocate this to this children's play area for Willmott Park giving more flexibility on the design and content in the park for children of the area.

If this is agreed the total budget for the play park will be £40,895.

 Wilmott Park Children's Play Area Option 2

Mission Foxfire
Features:
 Designed around a small circular traverse, Foxfire is great for game playing and keeping off the ground. Even at the end of the banister rails, it's just a couple of quick steps back onto the unit. For those who don't want to join in the game playing, the spin pole out on it's own provides another distinct play space.

Inclusive Spring Ladybird

2.4m High Swings with 2no. Flat Seats, a Pod Seat and Inclusive Boat Seat

Toddlerzone Hide & Slide Unit

Hide & Slide Features:
 Designed by one of our customers, this unit offers three levels of access to a 1.2m high slide, up a ramp, a ladder or a ring climb. There is hidden social seating under the main deck, where little ones can sit, chat and hide. At the highest point we have put look-out binoculars.
