

AGENDA ITEM NO: 8

DUNDRY VIEW NEIGHBOURHOOD PARTNERSHIP

21st March 2016

Title: Archway and entrance sign for Dundry Slopes

Officer presenting report: Emily Smith

Recommendation:

- a) To allocate the remaining s106 parks funding to this project
- b) Allocate the remaining amount required from the Neighbourhood Officer Budget

1. Background

The entrance to Public Right of Way 306 on Bishport Avenue currently has no significant marker which indicates it is an important route and access way on to the slopes.

The Neighbourhood Partnership asked the Pride of Place to look at this and come back with a recommendation.

2. Work to be carried out/project info

The Pride of Place group met and discussed the possible type of entrance way and a quote was received from one of the suggested suppliers (see appendix 8a).

A style similar to that used on the Northern Slopes in Filwood was agreed to be a good style and the quote reflects this.

3. Funding required

Pride of Place agreed to recommend the use of the remaining Parks s106 funds £1810.26, this would not cover the full cost and additional amount would be required which would cover any work the Design team and Landscapes are required to do and the shortfall.

The Neighbourhood Officer budget is recommended as the source for the shortfall.

Dear Emily

RE: ARCHWAY – NORTHERN SLOPES, GLYN VALE, KNOWLE, BRISTOL.

We can manufacture an archway similar to this design but would need a cad-file for the computer so that the writing and patterns can be profiled out of steel, please see below budget price to:

Supply, fix and galvanize only 1 No archway and posts (No allowance has been made for any railings).

BUDGET PRICE £1985.00 + VAT.

Delivery date – To be agreed.

Payment terms – Strictly 30 days.

We thank you for your enquiry and look forward to being of service to you in the near future.

Yours sincerely

MR SIMON SCOTT

PLEASE NOTE: All goods remain the property of Scotty's Gates Ltd until paid for in full.
