

DUNDRY VIEW NEIGHBOURHOOD PARTNERSHIP

14th DECEMBER 2015

Title: Citywide Neighbourhood Partnership Conference update.

Officer presenting report: Emily Smith

Recommendation:

- a) To **note** contents of the report.

Over 80 people took part in the 2nd Citywide Neighbourhood Partnership Conference, energetic discussions took place covering many subjects, such as Street Champions, Community plans, Communications, Community Charter - again a very lively debate with the general consensus that they would be a great idea for Bristol City Council and Youth Inclusion which was led by young people.

A full report will be written once the evaluation surveys have been returned and the working group have met mid-December.

Several people did 'How to speak on the radio' training and spoke on radio live from the event. Each NP will have a chance to take part in a breakfast show between now and Xmas and we have contacted all those who did the training to set this up. Those NPs which did not have anyone take the training have also been offered a slot via their NPC.
