Let's Walk Bedminster Applications

The third funding round of LWB applications will be considered by an Awards Panel on Monday, 7 September. The meeting will start with a briefing at 7.00pm in the Southville Centre and is expected to last no more than 90 minutes. Anyone living, working or volunteering in Greater Bedminster is welcome to attend and we would hope for a broad cross-section of local people. No prior experience is required.

Please note that even if you are linked to a particular application, you can still join the Awards Panel. However, you will not be able to vote on 'your' application.
