2. Anti-Social behaviour

No area of Greater Brislington was identified by the last BCC/Police city wide Anti-Social Behaviour audit as a significant hotspot.

Discussions are ongoing to replace funding for the continuance of Operation Biker the South Bristol initiative to tackle anti-social behaviour on motorcycles in Parks and Open Spaces. The remainder of the budget for 2011/2012, was used in early March 2012 to address escalation in calls to Hengrove Park.

The recording criteria for ASB calls changed in the summer 2011 and therefore year to year comparison data will not be available until June 2012.

3. Local impact of funding

Avon and Somerset police have announced they will no longer have NHW administrators. Interaction with NHWs will be managed by local Neighbourhood Officers through a new contacts service.

The number of School Beat Managers across Bristol is being reduced.

4. Community Priorities for last 6 months
