Title: Potential Highways Schemes for 2012/13

Officer presenting report: Ariaf Hussain, Area Coordinator,
Neighbourhoods

Contact Telephone Number: 0117 9223218 ariaf.hussain@bristol.gov.uk

RECOMMENDATION

The Neighbourhood Committee is asked to:

- i. Note the potential Highways Schemes for 2012/13 in Appendix 6a.
- ii. Note that a meeting of the Greater Brislington Highways and Transport Sub Group to agree schemes for 2012/13, with support from the Area Coordinator, will be held in November 2012
- iii. To note a report will be presented to the Neighbourhood Committee in January 2013 with recommendations for allocating the devolved Local Traffic Scheme funds

Context

1. This report relates to the devolved transport budgets available to the Greater Brislington Neighbourhood Committee (NC) for Local Traffic Schemes.
2. To use the Neighbourhood Forum meeting in November 2012 as an additional meeting for residents to input into potential schemes.

3. For the Highways and Transport Sub Group to meet in November 2012 to make recommendations to the Neighbourhood Committee via a report in January 2013

Appendix 6a - Potential Highways Schemes 2012/13

No.	Location	Type of Issue	Possible Remedy	Approx Cost	Approx Timescale (if agreed at Oct NP)
1	Church Hill out onto Bath Road.	Traffic getting blocked - there used to be double yellow lines and yellow box but now the traffic backs up and gets blocked			
2	Callington Road (could be in Knowle)	Pedestrian refuge island can't be approached without walking across grass – this is too muddy sometimes			
3	Emery Road Roundabout	Can it be raised			
4	Birchwood Road	Lacking of safe crossing place			

		<p>There is £31577.14 to spend on crossings for Birchwood Road. NP will ask Highways to prioritise this project for the area. May be able to pay for 2 crossings (need to check with highways for quotes)</p>			
5	Regency Drive	<p>Lack of safe crossing place Whitmore/Capgrave – mid road island but no crossing</p>			
6	Wootton Road / St.Annes Road Vehicle speeds and pedestrian safety	<p>Vehicle speeds and pedestrian safety</p>			

7	Talbot Road	Junctions with Lodway Road and Thiery Road (visibility) and adjacent to pedestrian / cycle route to Tesco (pedestrian safety) Vehicle speeds and visibility / pedestrian safety			
8	Sandy Park road on LHS looking up hill outside houses with driveways near post office	Parking on Sandy Park Road just up from post office (up hill) – damaging pavement, needs bollards			
9	Broomhill Road	Parking issues			

This list does not include a couple of issues that the Highways officer has received via direct contact with residents.
