<b>Key</b>	
NC	Neighbourhood Committee (NC) is the elected members/councillors for Eastville, Frome Vale and Hillfields Wards which together form the area known as Greater Fishponds. Agenda items with 'NC to make decision' is referring to decisions, which involve public funds that can only be taken by elected members for legal purposes.
NP	Neighbourhood Partnership (NP) is the governing body and consists of councillors and representatives from the Neighbourhood Forums, Subgroups, local Businesses and Community/Voluntary groups. Please contact Abdulrazak Dahir (contact details on next page) if you would like to know how to become a member of the NP. We welcome anyone to attend our meetings and suggestions to make us better at what we do.
NWG	Neighbourhood Working Group (NWG) is a new way of working which brings together several engagement and enforcement teams to tackle Neighbourhood issues that require a multi-agency response. NWG also works closely with the Council funded Police Community Support Officers and other agencies such as Avon Fire and May Gurney.

## Participating in your Neighbourhood Partnership meetings

Please note that there are several ways in which local people can get involved in the work of this neighbourhood partnership. You can :

- **Attend meetings of the local Neighbourhood Forum** in your ward, where you will be able to raise any issue that is of concern to you as a local resident. The work of the Neighbourhood Forum feeds into the Partnership meeting. Details of when and where Forum meetings are taking place can be found on the Council's website. No invitation to attend or notification of the business you want to raise is necessary. Just turn up on the day and have your say – on anything you want relating to your area.
- **Attend this meeting and comment on any item of business on the agenda**, either by raising your hand at the appropriate time and the Chair will invite you to speak, or by submitting a statement on any matter on the agenda in advance.

If you want to submit a statement, this should be sent to the clerk to the meeting (contact details below) **no later than 12.00 noon on the working day before the meeting**. The statement will where possible, be sent directly to members of the Partnership, and be printed and circulated at the meeting. Statements will normally be heard when the item to which they relate is reached.

### Recording of meetings

The Openness of Local Government Bodies Regulations 2014 now means that persons attending meetings may take photographs, film and audio record the proceedings and report on the meeting. (Oral commentary is not permitted during the meeting as it would be disruptive) Members of the public should therefore be aware that they may be filmed by others attending and that is not within the Council's control.
