

MEETING OF THE GREATER BEDMINSTER COMMUNITY PARTNERSHIP

12 March 2012

Ashton Gate Primary School, Ashton Gate Road, BS3 1SZ

A special GBCP meeting will be held on March 12th 2012 from 7.00pm and held in public, so everyone is welcome to join in.

The meeting will consider how to spend (£17,147) on **Local Traffic Schemes**. We will be asked to set aside approx £2000 for minor 'lines and signs' at the discretion of the department. The real sum is therefore approx £15,147.

Please note that because this money is devolved from Bristol City Council, the final decision lies with the four councillors representing Southville and Bedminster wards (the 'Neighbourhood Committee') to take at the meeting.
