

### Agenda item 3

## GBCP Neighbourhood Plan update from the meeting 27 January 2016

Notes from the extra Board meeting on Monday 29 February 2016 will be circulated at the meeting.

Theme	To be included
<b>Environment</b>	Rubbish bins and bad parking
<b>Traffic &amp; Transport</b>	Improve road safety for children in Bedminster
	RPS
	Road safety
	Safety in and around schools
<b>Crime &amp; Community Safety</b>	ASB
<b>Housing Planning &amp; Major Projects</b>	Bedminster green
	Infrastructure to go with 'Big Build'
<b>Families, Young People &amp; Older People</b>	Objective – improving the life for younger people and achieving high quality of life indicators for children in the area: <ul style="list-style-type: none"> <li>• Work with new library development officers – libraries role in the community</li> </ul>
	Links to schools need more detail
	More activities/projects to improve life for older people Also must consider transport for projects /activities
	Retain the support of the BCC CDWs Liz Cheetham to work in Northfield House and other blocks in the Bedminster part of the Southville ward
	Prioritise older people
	Sharing/joining objectives for older & younger people – intergenerational activities

	A number of priorities feed into making Greater Bedminster Bristol's first Age Friendly Neighbourhood to support those as well.
	Allow Liz Cheetham & the older ladies involved in the Style Show to realise the potential of that piece of work, build on success and development of ABCD
	Support continuation of work in pensioner-preferred tower blocks & low rise
<b>Employment, Training &amp; Economic Development</b>	
<b>Addressing Inequality &amp; Active Citizenship</b>	Polish and other communities
<b>Community Buildings &amp; Facilities</b>	Utilising the libraries
	Faith Space

## Environment (not Green Capital)

Are any actions <u>not</u> in the right objective section:	Do we need to change any named leads?	Are the proposed measures correct?
Street trees (ESG)	Moving in moving out campaign – ESG <u>Out</u> .	
My Wild Bedminster	Improving street scene. Environment – Business improvement district (add).	
Air quality (ESG) (NHS/public health)		
Use social media to engage people.		

## Addressing inequality and Active Citizenship

Communication review: Social media needs resourcing!		Board development, regarding boundary changes. Parson St Station, access needs attention!
--	--	---

## Transport

Third objective to include: Lets Walk Bedminster	Highways? Who? Do they know? Need more clarification. PCSO? Traffic Wardens?	
No	Highways? Who? Do they know? Need more clarification. PCSO? Traffic Wardens?	
Items should be numbered.	Police – who? BARA – what have they done? Lorry watch.	
School walking routes activity – to be: Safer routes for all schools	Lead should be Sub Group	
Community speed watch action -	Police - Clarify how many recruited & how they are recruited	
		Barletts bride activity – to be shared with windmill Hill
Cycle route activity		Cycle routes activity – include: regular attendance from James Dowling (?)
Reduce isolation activity	Include: Town team BPAC	Reducing isolation activity, to include: 3 per year Andrew M to project manage
Traffic audit activity		Include: Produce audit by end of 2016. Check if anyone has their traffic too bad
Delivery of traffic schemes activity		Include: Regular updating on progress

Deliver GBCP Access study on retail streets		
Develop an understanding: Ashton gate football arena stadium, shops..?		
Support and develop across urban area, e.g. Bedminster, Parson street & proposed Ashton gate		
<b>Families, young people and older people (older people to be in a separate theme)</b>		
The actions are objectives – MOVE. Toilet maps in equalities, community cohesion – move to older people.	In partnership with GBCP, Age UK, NPC, BAB, BS3 Churches etc.	No.
Additional actions: • Community development worker to work in tower blocks • Work with Linkage to establish a volunteer transport scheme • Establish communication mechanism for tower blocks. E.g. Pigeon, SBV, coffee forums, tenants groups		
<b>Community buildings and facilities</b>		
Add Southville Centre, SBCC and any building listed as a value asset of community. Delivery of community infrastructure to match growth in population (Dr, dentist, school, nursery, community meeting space (including youth provision), open space.	BCC (planning) Directorates. CCG?	Increase number of assets of community value in GBCP. (#2 priority)  Sufficient places for - Doctor provision. - Dentist provision. - Nursery. Provision of facilities of - Youth provision. - Community buildings. - Outdoor space (including play).  (no worse proportionally to what is available now – need to establish a figure for community buildings and youth provision.
<b>Crime and community</b>		
1. Work with police to increase reporting of crimes.	Police <u>with</u> our support – “pop-up conversations”.	Reported crimes/how they compare with reports in similar areas (police to identify measure).

<p>2. Work with Town Team to address crime hotspots in retail streets.</p>	<p>Through Board members on the team</p>	<p>By types of crime. Increased engagement with community especially through social media to inform and educate.</p> <p>Reduction in crime. Need to work with police to understand small measure of success. May be reduction in incidents reported in retail streets.</p>
<p><b>Housing, Planning &amp; Major Projects</b></p>		
		<p>Include Neil Sellers as an identified representative point of contact</p>
		<p>Add to second measure: Clearer links between GBCP board &amp; BS3 Planning Group</p>
		<p>Add to third measure: Via BS3 Planning Group</p>

## Priorities:

Environment	<ul style="list-style-type: none"> <li>- Waste and dog fouling</li> <li>- Air quality</li> </ul>
Inequality and Active citizenship	<ul style="list-style-type: none"> <li>- Communication review</li> <li>- Board representation</li> </ul>
Transport	<ul style="list-style-type: none"> <li>- Road safety around schools</li> <li>- Delivery of existing highway schemes</li> </ul>
Major projects Housing, planning	<ul style="list-style-type: none"> <li>- Strengthen the BS3 Planning Group (include clarify relationship with GBCP board)</li> </ul>
Families (OP)	<ul style="list-style-type: none"> <li>- Reduce isolation in tower blocks by increasing communication. Development of existing groups in an interesting ways.</li> <li>- Work with LinkAge to establish volunteer community transport scheme.</li> </ul>
Need to do a prioritising exercise with families/YP actions.	
Community building	<ul style="list-style-type: none"> <li>- Establish baseline for community infrastructure vs population – maintain ratios.</li> <li>- Include Bedminster Library as an asset.</li> <li>- Increase number of community assets listed buildings.</li> </ul>
Crime and Community Safety	<ul style="list-style-type: none"> <li>- Promote awareness of reporting crimes.</li> <li>- Target hotspots (retail streets and licensed premises) with town team.</li> </ul>
Need to do prioritising exercise with economic dev/skills and town team.	

## Missing:

Environment	<ul style="list-style-type: none"> <li>- Street trees/air quality/communication.</li> </ul>
Inequality and AC	<ul style="list-style-type: none"> <li>- Communication with target groups (expertise needed on the board).</li> <li>- Board dev, linked to boundary changes.</li> <li>- Parson St accessibility issues.</li> </ul>

Transport	<ul style="list-style-type: none"> <li>- Clear identification of 'who' in highways/police (more specific).</li> <li>- More specific ref to urban rail, existing and proposed station – clearer ref to these.</li> <li>- Clarification of 'definition' – big and small e.g. schools, stadium.</li> <li>- Let's Walk Bedminster listed in Env – need cross ref.</li> </ul>
Major Projects Housing, planning	<ul style="list-style-type: none"> <li>- BS3 Planning Group – strengthen and recruit more members.</li> </ul>
Families	<ul style="list-style-type: none"> <li>- Need splitting into 1) Older people and 2) Families and Young People. Needs further re-writing.</li> </ul>
Community Buildings	<ul style="list-style-type: none"> <li>- Add delivering community infrastructure to meet young population.</li> </ul>
Crime and Community Safety	<ul style="list-style-type: none"> <li>- Promote reporting of crimes 'pop up' forms.</li> <li>- Evidence base requires police reporting detailed</li> </ul>
