

AGENDA ITEM NO.11

Henbury, Brentry and Southmead Neighbourhood Partnership

Tuesday 22nd September 2015

Alan Piper and other members of the Twenty Acres Residents Group

Confirmed: Blanca Munoz, Project Manager Director of Paperarts

Title: NP Green Capital Projects Update

1. The NP has funded a number of Green Capital Projects with £20,000 funding made available during 2014/15 to fund local work.
2. Twenty Acres Residents Group will present what they have delivered with their Community Vegetable Planters & Spring Bulbs project, which was granted £2,000 in March 2015
3. Paperarts was successfully awarded the commission to deliver
 - **Make some noise about litter.** Working alongside professional artists, local children will get absorbed in creating entertaining sounds through music workshops using litter as their instruments. The Make Some Noise About Litter troupe will then attach sensors and small solar powered speakers to the inside of surrounding bins, rewarding those who use the bins with the recorded sounds

made through the workshops! This project will also look at behaviour change around litter at The Ranch in Southmead.

- PAPER Arts is a thriving creative hub in Broadmead helping young NEETS combine enterprising skills with their existing artistic talents. PAPER offers a varied range of services and training opportunities aimed at supporting young creatives to self-develop through the arts.
- They were awarded £10,000 from the Green Capital Arts programme
