**Title: NP Green Capital Projects Update 3**

1. The NP has funded a number of Green Capital Projects with £20,000 funding made available during 2014/15 to fund local work.
2. Blaise Community Garden was funded £1,300 for equipment to support the restoration and development of the Community Gardens.
3. Lifecycle was funded £875 to deliver Kids Bike Swap across Southmead. Henbury/Brentry was interested in exploring how this work could be extended into their ward.
