

AGENDA ITEM NO. 12

HENGROVE AND STOCKWOOD NEIGHBOURHOOD PARTNERSHIP

23rd JANUARY 2013

Report of: Ariaf Hussain, Area Coordinator, Neighbourhoods

Title: Area Coordinators' Update Report

Contact: 0117 922 3218 / ariaf.hussain@bristol.gov.uk

RECOMMENDATIONS

To note the contents of the report.

1. Neighbourhood Forum update

The Forums in Hengrove on the 5th and Stockwood on the 6th saw attendance lower than usual but not unexpected for the season and poor weather, with a total of 16 Issues raised.

Issues for Hengrove included Sources of Funding to support local community nursery provision; Inaccessible dog bins; lack of pedestrian footway and gate lock replacement.

In Stockwood they included a request for additional lighting; timescales for kerbstone replacement; leaves on walkway; tree pruning and pedestrian and vehicle safety.

Community Development

Promoting the Forums

The last quarter began with a promotional stall, in partnership with staff from Parkwood leisure and Linkage outside Whitchurch Library. We promoted the Forums and local activities, particularly for the 55+. Local people were able to take away information on the upcoming Mayoral and Police and Crime Commissioner elections, Good Neighbour guides, upcoming Forums and activity information. Further events are planned for the future, targeting different areas.

Hello Hengrove!

Hengrove Arts Steering Group are underway with artists Interviews planned for the coming months and a new Community Engagement worker in post to engage more local people in the project. The NDO will support the process.

CATT - Community transport and the new South Bristol Hospital

Around 130 older people met with the NDO and CATT staff when they visited groups to promote the new Community Bus service. The Service will support local people, who may be unable to use public transport, to keep appointments at the new South Bristol hospital in Hengrove. The outreach work signed up 54 new members to the CATT Bus Scheme.

Wellbeing Funding

A visit to the intergenerational Youth group at Oasis John Williams began the process of the youth group's future application to wellbeing funding to support the group. This is a vibrant activity group with whom the NDO will have further meetings to support their funding needs and link them into the local arts Project and external groups that may be able to support them in different ways.

2. Bristol Youth Links

Bristol Youth Links (BYL) is a commissioned suite of integrated services for children and young people aged 8-19 years (and up to 24 years for those with learning difficulties). This plan describes commissioning arrangements.

The services to be commissioned will be marketed and promoted under the umbrella brand of Bristol Youth Links and will be designed to improve outcomes by building resilience and protective factors by:

- Intervening early;
- Providing appropriate advice, guidance and support;

- Providing personalised and targeted support for young people at risk or difficulty;
- Reducing disruption for children and young people at transition points in their lives;
- Providing ways for children and young people to have their say in developing services that meet their needs.

A meeting is planned for the Neighbourhood Partnership to meet with the Learning Partnership West as the providers of the service as follows.

Attached (Appendix 12a) is the presentation that will be delivered by Learning Partnership West at the meeting.

The Neighbourhood Partnership will be advised of the meeting date and venue.

3. Community Transport

Due to the major capital developments of the South Bristol Hospital, South Bristol Skills Academy and the Leisure Centre at Hengrove Park, a substantial amount of s.106 money was negotiated with the developers.

Around £144,000 was negotiated for Community Transport provision to the South Bristol Hospital. This entire sum has been devolved to the Neighbourhood Partnership.

The devolved Section 106 monies was agreed to fund Hartcliffe and Withywood Community Partnership and the Mede Sprint to develop and provide Community Transport services for South Bristol to the new hospital.

Appendix 12 b onwards provides information regarding the transport being provided to the South Bristol Community Hospital by the CATT Bus.

The CATT currently have 108 members of which 47 are from Stockwood and 8 are from Hengrove.

CATT currently provided transport to the hospital for 24 members who had appointments at the hospital (taken and returned).

4. Meeting dates 2012-2013

Meeting dates (date, start time and venue) have been set for 2012-13. They are as follows:

Neighbourhood Partnership:

20th March 2013, 7.00pm (South Bristol Sports Centre)

Neighbourhood Forums (Hengrove):

6th February 2013, 7.00pm (Christ Church, Petherton Road)

Neighbourhood Forums (Stockwood):

7th February 2013, 7.00pm (Christ the Servant, Stockwood Road)

- Aspiration Events delivered in community venues
- IAG and SRE delivered in schools
- Play Work – after school, weekends and holidays
- Positive activities such as residential, trips and visits for targeted groups
- Access to peer mentoring support for children & young people
- Dedicated young peoples forums

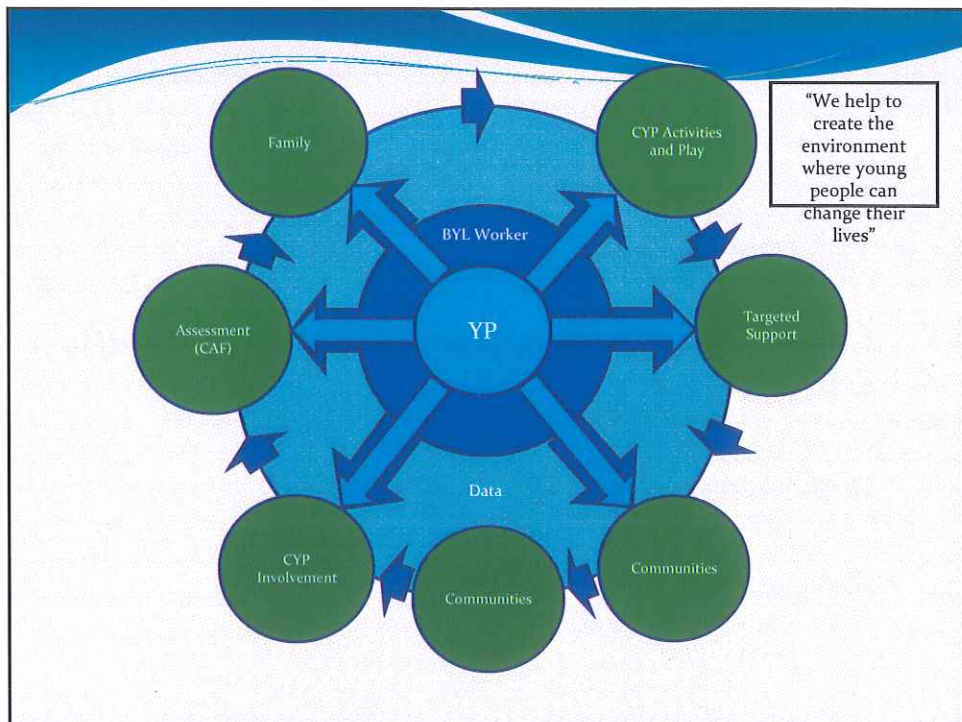

Our goals and visions

This consortium has been brought together by a determination to combine and improve services for CYP in Bristol.

Our vision is to:

- Work closely with BCC, schools, CVS and communities in Bristol to contribute to community cohesion - combining the very best of public sector and community approaches
- Develop and deliver quality and accessible services which provide excellent value for money
- Support CYP and their parents/carers to overcome barriers and help them to move forward positively.

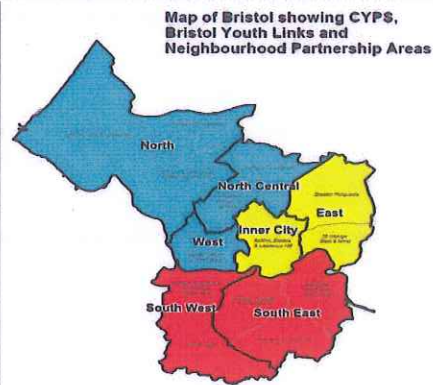

We believe that if CYP feel secure and have access to play/activities, mentoring and support, they can thrive.

Geographical Area

Providing services
across 5 area's in Bristol

Lot 1 - North
Lot 2 - North Central
Lot 3 - Inner City
Lot 6 - South East
Lot 7 - South West

Next Steps

- TUPE Transfers
- Liaising with VCS organisations to discuss community delivery
- Implementing delivery in January 2013
- Full service delivery by April 2013
