Discussion on reps making visits to organisations. Andrew and Farhan to assemble display materials. Each rep should try and visit two organisations in the year. Farhan to try to organise a rota. Suggestions included: Christmas Fayre in Stoke Bishop, Display at Stoke Lodge, W-o-T Vegetable Market (Methodist Hall), Henleaze Christmas Fayre. It was suggested that some photos and replies from monitoring of Well Being Projects could be used on a poster. As Bristol Nine doesn't cover Westbury Park it is agreed that we will pass information on to Westbury Park Community Association, which has a large email database and ask them to forward the ads. **Action:** Andrew and Farhan

The reps have made good progress on the website but are keen to make it more visually exciting. Can we upgrade? Andrew to liaise with KWMC in September. Arrange a meeting with Russell Knights, preferably locally (Greenway Centre?). **Action:** Andrew to organise. Specific questions/queries should be gathered and forwarded to KWMC prior to the session. **Action:** All to provide Andrew with questions
