

AGENDA ITEM NO: 5

Henleaze, Stoke Bishop and Westbury on Trym Neighbourhood Partnership

Report of: Hayley Ash - Neighbourhood Working Coordinator

Title: Neighbourhood Working Priorities

Officer presenting report: Hayley Ash

RECOMMENDATION:

That the **Henleaze, Stoke Bishop and Westbury on Trym** NP discuss the potential priorities and choose up to 10 Neighbourhood working priorities from the shortlist in the table below.

1. After Piloting and reviewing Neighbourhood Working in the East and Central areas of the City, the new way for working is being implemented across the city.
2. Highways, communities, planning, licensing and trading standards officers have now joined the neighbourhood working initiative and are committed to delivering against neighbourhood working priorities. In addition to this, a core team of PCSOs are also being tasked against neighbourhood working priorities. Where the need arises, other services and partners are being approached to join neighbourhood working to expand the skills and support available to tackle neighbourhood priorities.

3. As outlined in the report of the 17th June and September 26th 2013, **Henleaze, Stoke Bishop and Westbury on Trym NP** are now asked to formally agree up to 10 key local priorities for the Neighbourhood Working team to work on. These may be an extension of work on priorities that have been started during the summer months or new priorities that have been identified recently.
4. The intention at the moment is for the NP to choose the priorities annually. Priorities may be broad with specific locations to be decided locally at forums or other local means. For example, a NP may choose dog fouling as a priority, and either choose the main locations to focus on, or ask the forums to choose the locations.
5. Progress can be reported in a way that suits the NP – this could be at NP meetings and/or at forums, subgroups and other local meetings, and progress reports will also be available online.

Henleaze, Stoke Bishop and Westbury on Trym NP priorities

6. A shortlist of 15 priorities has been suggested from an analysis of data sources including Quality of Life Survey, Neighbourhood Forums, Neighbourhood Partnership and sub-groups. These have been consulted on locally at forums, subgroups, community facing events, websites, and engagement during multi-agency operations. This consultation will have produced a preferred list of 10 with extra weighting given to those priorities coming from the largest number of sources.

Priorities Table – Appendix attached.

Decision Required – The NP is asked to agree up to 10 neighbourhood Working Priorities, and agree where and how you would like your updates

Neighbourhood Working Consultation Results

Issue	Rank	Total Vote	Where/When	Suggestions/comments	Other info
Reducing pavement obstructions (A boards, hedges, bins on streets = 3 NW priorities if chosen)	1	119	<ul style="list-style-type: none"> Especially Julian Road and down to Church Road Pavements in Lakewood Road BS10 Hedges next to Stoke Bishop Village Hall bus stop, Stoke Lane especially Grange Park, Eastfield etc. Stile at back of Fallodon Court causes issues for customers with walking frames and scooters – needs to be removed Removing redundant yellow signs on lampposts eg. Royal Victoria Park (new houses) – have been in place for years. Trymside House Services offices (new) – have been in place for years. Some A Boards encroach too far out especially by rubbish bins 	<ul style="list-style-type: none"> Hedge owners need warning of overgrown ones obstructing pavements. Some of the hedges are overgrown. Trees should be cut down as they reduce the area for electric chairs Bin men need to ensure bins are off the pavements sufficient to allow pushchairs to remain on the path Some footpaths and cycle paths are hazardous and this is an easy problem to resolve. Generally I am very happy with bin and box collections. However there needs to be a different method of collection of rubbish from some terraced houses outside which there are constantly untidy smelly bins. 	
Parking on pavements	2	117	<ul style="list-style-type: none"> Kewstoke Road Church Rd, The Avenue & Sneyd Park Especially by 'drop down' pavement areas Lampster Road In Westbury Village Large delivery lorries and cars using High Street shops Particularly at dropped curbs Improved car parking for Sea Mills Station – there is some off street parking Illegal parking on ladies mile grass Parking on pavements and roadsides eg Kewstoke Rd, Abbey Rd Please try a patrol at commuter times, and fine them 	<ul style="list-style-type: none"> Increased patrols – Enforcement Possible residents parking down residential side of lower Stoke Hill by the shops Is there any way we could request BT from parking their cars inside the BT premises as they have plenty of parking but instead park on the road Better parking for disabled in Henleaze – can loading bays double up as disabled for certain hours in daytime? Resident's cars should be parked in garages or driveways – not in the road! Kewstoke Road, Abbey Road. Review of parking restrictions along these roads. It is becoming dangerous to reverse out of driveways, cross the road and walk on pavements due to excessive roadside parking which reduces visibility 	Forums suggest stoke lane and around schools, particularly W-o-T Primary school, Channells Hill, Stoke Bishop forum issues. Expected to be more serious issue when new Hiatt Baker Halls of residence open off Parry's Lane as students will not be allowed to park on site
Cars speeding	3	116	<ul style="list-style-type: none"> Down Stokehill and Druid Hill, Stoke Lane shops area Coombe Lane Julian & Ivywell Rds 	<ul style="list-style-type: none"> Continue to develop CSW Promote results Funds for crossing / traffic calming measures on Canford 	Safer Bristol/ forum priority, Canford Ln and Howard Rd,

			<ul style="list-style-type: none"> • Purely residential roads Lakewood Road/Cres • Passage Road in Westbury Village • Kewstoke Road, Parry's Lane • Fallodon Way • Shoplifting and speeding in Priory Avenue 	<p>Lane</p> <ul style="list-style-type: none"> • Community speed watch increase awareness, update/funding? • Enforce 30mph more • Mainly high speed at night 	Stoke Ln, Stoke Bishop Forum issue Stoke Hill, Julian Road, The Downs Chock Lane
Cycling on pavements	4	111	<ul style="list-style-type: none"> • The Downs • Canford Lane, WOT • Kids on skateboards • Stoke Lane • Reducing cycling on the grass on the Downs • More cycle lanes, better public transport – buses and trains (Sea Mills) 	<ul style="list-style-type: none"> • Make roads safer for cyclists • How this will work I don't know when the Council put up signs on pavement allowing cycling • Including children on skateboards • Cycling on pavements which says 'No Cycling' to be stopped 	
Burglary (dwelling)	5	112		<ul style="list-style-type: none"> • Hi-viz patrols. Raising awareness amongst residents • Burglaries low but important to be able to continue raising awareness of crime prevention measures by doing road shows and beat surgeries • Raise awareness through community days with partners also attending • Need for funds to buy relevant crime prevention gadgets eg stickers/time switches – improves engagement • Funding needed for crime prevention / reduce operations • Sheds • More policing would discourage crime and bad behaviour 	
Vehicle crime	6	93	<ul style="list-style-type: none"> • Kewstoke Road • Including theft from cars and vandalism 	<ul style="list-style-type: none"> • Hi-viz patrols as deferral. • Raise awareness • Funds for roadshows – reduce crime • Links to burglary • We have personal experience of this crime on 3 occasions 	
Littering	7	88	<ul style="list-style-type: none"> • The Downs • On through routes – Druid Hill, Parry's Lane • The Downs and other parks – groups of people just walk away from the debris of picnics and barbecues • Beer cans and takeaway food from Shirehampton Road • All over WOT • Henleaze Road 	<ul style="list-style-type: none"> • This chief cause around here is the bin men leaving litter strewn over the streets instead of collecting it carefully • There should be more litter bins which should be emptied regularly • Pick up litter everyday outside our house • The streets are not being cleaned! • Especially with bin collections 	
Dog fouling	8	77	<ul style="list-style-type: none"> • Around Stoke Lodge • The Drive, near the Church • On the roads and Canford Park • Pavements in Henleaze 	<ul style="list-style-type: none"> • Provide more bins for poo bags • Have experienced this outside our property 	
Anti-Social	9		<ul style="list-style-type: none"> • Stoke Lodge field (mainly in Summer) 		

Behaviour		74	<ul style="list-style-type: none"> • Millhouse public house • Through traffic of people / Kewstoke Road 		
Toilets in Canford Park	10	73		Work on going	
Increasing accessibility	11	46	<ul style="list-style-type: none"> • Better to reduce some of the useless road signs • Temporary signs by the bottom of Henleaze Road by the roundabout with Southmead Road are hazardous • Coffee shops on Henleaze Road • On the high street and Canford Lane • Between books and the Co-op on the Henleaze Road 		Add these to the first priority -
Domestic Abuse	12	43		<ul style="list-style-type: none"> • Force/PCC object reduce violent crime especially women and young children. Important to raise awareness through targeted visits/links with relevant agencies. 	
Graffiti	13	38	<ul style="list-style-type: none"> • Now improved but would like to see graffiti removed Avon Gorge area • Stoke Lodge field (mainly in summer) • Removing advertising. Especially banners on fences and railing eg. Canford Lane/Dingle Road/The Dingle where the dangerous bend in the road is 		
Reducing students being victim of crime	14	25		<ul style="list-style-type: none"> • Uni residents roadshows need to continue each year to educate new students in crime prevention • Funding for crime prevention operations 	
Fear of Crime/Personal Safety	15	4		<ul style="list-style-type: none"> • encouraging reporting and making aware • Research into these figures, Feedback how are we doing, More beat surgeries to liaise with communities, Satisfaction surveys, NHW – Involvement, Ringmaster questionnaire • Letter drops and Beat surgeries
