Participating in Neighbourhood Partnership meetings

If you wish to speak about any matter on the agenda then you can submit a written statement. A written statement allows members of the partnership to be clear about what you are saying and allows time for them to understand and give consideration to the point(s) you have raised.

If you decide to submit a statement please send it to the clerk to the meeting (contact details above) **by 12.00 noon on the working day before the meeting**. The statement will be circulated directly to members of the partnership and copies will be available at the meeting. Statements will normally be heard when the agenda item to which they relate is reached.

The matter raised will be considered at the meeting if time allows. If not the matter will be considered at an appropriate time after the meeting or, if necessary, a report may be submitted to a subsequent meeting to deal with it in more detail.

Please note that for copyright reasons, we are unable to reproduce or publish newspaper or magazine articles which may be attached to statements as supporting documentation.

The Openness of Local Government Bodies Regulations 2014

Any person attending a meeting must, so far as is practicable, be afforded reasonable facilities for reporting. This includes filming, photographing or making an audio recording of the proceedings.

Members of the public should therefore be aware that they may be filmed by others attending the meeting and that this is not within the Council's control. Oral commentary is not permitted during the meeting as this would be disruptive.
