

**School Support Staff Negotiating Body - Update
(For Information)**

Dear All

At the School Support Staff Negotiating Body (SSSNB) Executive Group meeting today DfE officials were invited to provide an update on the policy direction of Government on support staff pay and conditions and the SSSNB. Unfortunately, we were informed that Ministers have yet to decide on their policy in this area. The Department is looking at support staff pay and conditions in general and we were told that the Secretary of State is considering this matter. We were given no indication in terms of the timescale for a decision but told that the Department would let us know the outcome of their review as soon as possible. In the meantime we have asked for clarification on what SSSNB activity can take place. The Independent Chair is to write to the Secretary of State on behalf of the Body to express concern about the delay .

I will keep you informed of developments.

Kind Regards

David
