

Agenda Item No.7

Questions from the Chair of the Overview and Scrutiny Management Board regarding Green Capital

The following questions have been submitted by Councillor Pearce, Chair of the Overview and Scrutiny Management Board, regarding Green Capital and will provide the basis for the discussion at the meeting on 16th October 2014.

1. How will Members and the citizens of Bristol be kept updated of future Green Capital developments?
2. What are the governance arrangements for Green Capital following the departure of the former Chief Executive, Kris Donaldson?
3. What are the details of the Green Capital programme, including information relating to the relevant finances and sponsorship?
4. What measures have been put in place to monitor the ongoing progress of the Green Capital programme?
5. What assurances can be provided that Green Capital will be of benefit to residents city wide?
6. What will be happening about the community grants that will be available? How will applications be determined and how will the public be advised of the details?
7. What Government engagement has taken place regarding the Green Capital programme to date and what is planned for the future?
8. How much did the new Green Capital website cost?
