Application number: 10/02474/STCON

Dear Mr Flower.

You have been considerate enough to ask us to comment on the application to place a catering trailer on the pavement immediately outside of our premises, between our office car park gate and the main gate to Allmead's yard next door.

Please consider the following when considering this application...

1. Albert Road is a very busy road, with a great deal of passing traffic.
2. There is nowhere safe for passing customers to park whilst being served.
3. This trailer was parked for some days in the location described (probably illegally) and this demonstrated that the location is unsuitable.
4. There is a great deal of heavy traffic into and out of Allmeads Yard, and if the trailer was to be parked there, it would create a blind spot for vehicles moving out of their yard, by being unable to see traffic approaching from the left.
5. Our office car park generates considerable traffic in and out of the premises, and drivers would be unable to see traffic approaching from the right.
6. Some years ago, the pavement in the location where the trailer is suggested to be sited, was widened in order to slow down the traffic, past the gates of the various businesses there. Siting a trailer on this pavement would negate this safety action.
7. The pavement is for people to walk on, and siting a large trailer on the pavement reduces it's width to less than a safe dimension.
8. We lease our yard from Bristol City Council, and the lease was only granted on the proviso, that we widened the pavement by one metre, and re-sited the main entrance to the yard some fifteen metres away from it's previous position. This was to provide clear sight line visibility for traffic going into and out of the premises. Certain traffic regulations, were quoted, by the council, to enforce this proviso. Please do not compromise this expensive safety work by allowing a trailer to sit on the pavement all day.
9. I would urge you to visit the site and see for yourself that this is not a suitable site for a catering trailer.

Yours faithfully

STREET TRADING CONSENT INTERESTED PARTY REPRESENTATION

RECEIVED VIA EMAIL AT THE LICENSING OFFICE ON: 29 JULY 2010

RE: Sizzlers- Albert Road

In reply to your request of 29/7, this site is not suitable for a street trader. The sight line along the left turn from Allmead's yard would be obscured and the footway obstructed. There are bollards at this site, which cause a pinch point on the footway, but these are necessary to stop vehicles overriding the footway.

Sorry, but HAM could not support this application given the highway safety implications. I have also spoken to Allmead about this and they agree.

Phil (Tel Ext 23209)
