Dear Sirs

Street Trading Consent Application reference number 10/02322/STCINN

Thank you for your letter of 23 July 2010, drawing our attention to the above Street Trading Consent Application.

As local residents, we strongly object to this application for the following reasons:

- **Location:** this location is totally inappropriate for a food-to-go outlet such as this. It will detract from the view of the Council House and College Green and be an eyesore for visitors to Bristol (4th most visited city in the UK by UK residents and 5th most visited by people from outside the UK).
- **Proposed opening times:** these are ridiculously extensive and mean a permanent eyesore for College Green.
- **Noise:** there will be customers gathering at unsocial times in an increasingly residential area.
- **Smells:** residents living nearby and the general public will inevitably be afflicted by cooking smells.
- **Litter:** customers of fast food outlets are notorious for leaving packaging and often part of their meals on pavements and in gutters (witness Park Street on Saturday and Sunday mornings).
- **Cleanliness:** there will inevitably be grease and other cooking waste around the trailer.
- **Seagulls:** seagulls are an increasing problem on College Green. They love discarded food and the trailer will add to the problem.

- **Parties:** there will be even more parties on College Green, adding to the noise and extensive litter problem.

We would comment that the rather chic coffee cart already in the same location causes us no bother and indeed seems to serve a rather useful service to local office workers and other passers-by.

We recommend that for the eight reasons outlined, you reject application **10/02322/STCINN.**

Yours faithfully

Application Ref no: 10/02322/STEINN
Application for Street Trading Consent
Location: College Green.

Dear Sir,

Thank you for your letter of 23rd July outlining proposals of an application for selling hot food from a trailer positioned at the entrance to College Green. The whole thing is absolutely preposterous for the following reasons.

1. The proposed location is at an entrance to College Green that already houses a rather bustling coffee outlet. There would be no room for pedestrians to use the walk-way when visiting the Cathedral, Library or even College Green itself. This trailer would be a real eyesore on one of the most beautiful open spaces in Bristol.
2. The proposed hours are unbelievable and quite unacceptable. There is enough trouble caused by rowdy and inebriated people leaving clubs and pubs in the early hours of the morning, without them all collecting on College Green until it is the morning in an area now very much residential. There are any number of 'take away' outlets on St Augustines Parade that open until 5am. One only has to see the litter outside these premises in the mornings to see what College Green might look like with all this extra refuse, including debris in the water features.
The extra cost of cleaning would eventually be borne by the ratepayers.

3. Having outlined the late opening hours I should
just like to say that a trailer selling hot food on
a Sunday morning from 6 am is not very
appropriate for people attending early Church Services
at the Lord Mayors Chapel and the Cathedral. I am
sure the Dean would not find this right.
We hope that you will be able to reject this
application.

Yours faithfully

STREET TRADING CONSENT INTERESTED PARTY REPRESENTATION

RECEIVED VIA EMAIL AT THE LICENSING OFFICE ON: 5 AUGUST 2010

RE: Hubble Bubble- College Green

Dear Mark and licensing team,

I am very concerned about the implications of the street trading and selling of meat for extended hours proposed on College Green paved area in 10/02322/STCINN.

Concerns include cumulative impact, sustainability, noise, odour, waste and litter, air pollution, parking by taxis.

I live immediately opposite the proposed site.

I can supply further details of my concerns, this email is to register my objection during the 14 day consultation period.

Please let me know whether there is any possibility consent may be granted, for street trading and/or late night food.

5 August 2010

Dear Mr Flower

STREET TRADING CONSENT APPLICATION
No: 10/02322/STCINN

I refer to the above-mentioned application for a street trader selling hot food and a Mexican salad bar at the following hours:

- Monday and Tuesday 07:00 to 00:00
- Wednesday to Friday 07:00 to 04:00
- Sunday 06:00 to 11:00.

As a restaurateur in this area the proposal from the street trader would put them in direct competition with my business with none of the associated overheads I have to bear and would give them a significant advantage over my and other similar businesses in the area, all of which are suffering as a result of the recent recession.

Whilst I would have no objections to a license being granted to cover the period up to noon on Monday to Friday (11:00 on Sunday) I consider that it would be unfair on me and the other traders in the street to have to suffer such unfair competition during our normal business hours, with trading difficult enough as it is. I am therefore formally opposing the granting of this license unless it is varied in accordance with my request as detailed above.

Yours sincerely

Name of Applicant

Mr Umut Savas Applicant address: 58 Whitesfield Road Nailsea Bristol

Position of Trading as applied for

Hubble Bubble
Paved Area Entrance to Council House, College Green, Bristol

Reasons For Objection

The police object to this application on the grounds of crime and disorder.

1. This location is within one of the top 20 violent crime hotspots in the city.
2. This location is also very close to Park Street which is another location in the top 20 violent crime hotspots.
3. This area generates a large number of anti social behaviour calls, particularly during the hours of night time economy.
4. There is a takeaway food vendor already located at this location.
5. This area is within the cumulative impact zone, and this applicant is not offering to provide any facility that is not already well catered for by existing vendors in the immediate vicinity.
6. Another venue trading with the late night hours applied for at this location would further encourage the public to gather in groups causing congestion and the potential for anti social behaviour.
7. A further venue at the location would add to the current litter problem.

In addition to this Street Trading Application, the applicant has submitted an application for a Premise Licence for Hubble Bubble for a Late Night Refreshment licence to enable trade to the hours applied for in this application.
