Application for land known as “Tackley Green” (former territorial army land) to be registered as a town or village green made under the Commons Act 2006

The Committee considered a report of the Commons Registration Authority (agenda item no. 5) relating to an application for land described in the application as “Tackley Green” (former territorial army land).

The Committee were informed that the independent inspector had amended her report to take into consideration a proposed amendment to the application. A revised report giving consideration to the proposed amendment was circulated (see paragraphs 32 & 33). As the revised report was only circulated to the Applicants earlier the same day the Chairman suggested deferring the determination of the application to allow further discussions between the Applicants and their witnesses.
