## Petitions to be presented by councillors:

The following petitions have been notified:

**Petition CP 01** – Cllr Weston to present petition

**Petition title:** Open up the Station Road Bus Lane

**Petition wording:** We the undersigned call on both Bristol and South Gloucestershire Council to open up the Station Road bus lane to two way traffic. The A4018 is heavily congested already and the possibility of moving the bus lane over the railway (and preventing cars turning back on themselves to use the B4055) will only make things worse.

Opening up the bus lane is the only way to prevent complete gridlock on Crow Lane and allow some of the traffic to use another route.

**Number of signatures** – 1000+

**Petition CP 02** – Cllr Poultney to present petition

**Petition title:** Kingsdown Sports Centre – Save Our Sports Centre

**Number of signatures** – 671

---

**Petition CP 03** – Cllr Gollop to present petition

**Petition Title :** Parking on Coldharbour Road

Following introduction of a crossing as part of the Southmead Quiet Way, parking has been reduced by 60% and there is now double-parking in the remaining space. This is causing huge access problems with residents having to act as traffic police to guide large vehicles around parked cars. These changes are a safety hazard and have heightened social tensions between road users and the local community.
