

Development Control B Committee Agenda

Date: Wednesday, 19 July 2023

Time: 2.00 pm

Venue: The Council Chamber, City Hall, College Green,
Bristol, BS1 5TR

Members of the public attending meetings or taking part in Public Forum are advised that all Development Control meetings are filmed for live or subsequent broadcast via the council's webcasting pages. The whole of the meeting is filmed (except where there are confidential or exempt items) and the footage will be available for two years.

If you ask a question or make a representation, then you are likely to be filmed and will be deemed to have given your consent to this. If you do not wish to be filmed you need to make yourself known to the webcasting staff. However, the Openness of Local Government Bodies Regulations 2014 now means that persons attending meetings may take photographs, film and audio record the proceedings and report on the meeting (Oral commentary is not permitted during the meeting as it would be disruptive). Members of the public should therefore be aware that they may be filmed by others attending and that is not within the council's control.
