Information note – Officer Executive Decisions

Please note that the Council publishes details of Officer Executive Decisions that have been taken. These are decisions which do not meet the criteria for a formal key decision to be taken at a Policy Committee meeting, but are considered to be important enough to be open to public scrutiny. This includes all Officer Executive Decisions involving a resource commitment of between £100,000 and £500,000 taken in consultation with the relevant Policy Committee Chair. Officer Executive Decisions are also published when a key decision has been to a Policy Committee and authority delegated to an officer to take the decision. Details can be found here:
