For those with hearing impairment

You can get committee papers in other formats (e.g. large print, audio tape, braille etc) or in community languages by contacting the Democratic Services Officer. Please give as much notice as possible. We cannot guarantee re-formatting or translation of papers before the date of a particular meeting.

Committee rooms are fitted with induction loops to assist people with hearing impairment. If you require any assistance with this please speak to the Democratic Services Officer.

## Public Forum

Members of the public may make a written statement ask a question or present a petition to most meetings. Your statement or question will be sent to the Committee and be available in the meeting room one hour before the meeting. Please submit it to [democratic.services@bristol.gov.uk](mailto:democratic.services@bristol.gov.uk) or Democratic Services Section, City Hall, College Green, Bristol BS1 5UY. The following requirements apply:

- The statement is received no later than **12.00 noon on the working day before the meeting** and is about a matter which is the responsibility of the committee concerned.
- The question is received no later than **three clear working days before the meeting**.

Any statement submitted should be no longer than one side of A4 paper. If the statement is longer than this, then for reasons of cost, only the first sheet will be copied and made available at the meeting. For copyright reasons, we are unable to reproduce or publish newspaper or magazine articles that may be attached to statements.

By participating in public forum business, we will assume that you have consented to your name and the details of your submission being recorded and circulated to the committee. This information will also be made available at the meeting to which it relates and placed in the official minute book as a public record (available from Democratic Services).

We will try to remove personal information such as contact details. However, because of time constraints we cannot guarantee this, and you may therefore wish to consider if your statement

contains information that you would prefer not to be in the public domain. Public Forum statements will not be posted on the council's website. Other committee papers may be placed on the council's website and information in them may be searchable on the internet.

### Process during the meeting:

- Public Forum is normally one of the first items on the agenda, although statements and petitions that relate to specific items on the agenda may be taken just before the item concerned.
- There will be no debate on statements or petitions.
- The Chair will call each submission in turn. When you are invited to speak, please make sure that your presentation focuses on the key issues that you would like Members to consider. This will have the greatest impact.
- Your time allocation may have to be strictly limited if there are a lot of submissions. **This may be as short as one minute.**
- If there are a large number of submissions on one matter a representative may be requested to speak on the groups behalf.
- If you do not attend or speak at the meeting at which your public forum submission is being taken your statement will be noted by Members.

### Webcasting/ Recording of meetings

Members of the public attending meetings or taking part in Public forum are advised that all Full Council and Cabinet meetings and some other committee meetings are now filmed for live or subsequent broadcast via the council's [webcasting pages](#). The whole of the meeting is filmed (except where there are confidential or exempt items) and the footage will be available for two years. If you ask a question or make a representation, then you are likely to be filmed and will be deemed to have given your consent to this. If you do not wish to be filmed you need to make yourself known to the webcasting staff. However, the Openness of Local Government Bodies Regulations 2014 now means that persons attending meetings may take photographs, film and audio record the proceedings and report on the meeting (Oral commentary is not permitted during the meeting as it would be disruptive). Members of the public should therefore be aware that they may be filmed by others attending and that is not within the council's control.

**BRISTOL CITY COUNCIL  
PUBLIC SAFETY AND PROTECTION COMMITTEE  
27 March 2018**

**Report to consider two applications for the Grant of Street Trading Consent(s) at Paved area by the Fountains outside City Hall, College Green Bristol**

**Applicants:**

**Christina Sanjivi (Wok Boxstix Ltd) – Fresh Café  
Honore Sanjivi – Wok Boxtix**

Report of the Director of Communities

**Purpose of Report**

1. To determine two applications for the grant of a Street Trading Consent at the following location: Paved area by the Fountains outside City Hall, College Green Bristol

**Background**

2. With effect from 1 May 2009 the above location is designated as a consent street for the purpose of street trading legislation. Any street trading at that location other than under a street trading consent issued by the Council would constitute a criminal offence.
3. General conditions which would be attached to a licence/consent if granted are at Appendix A
4. A number of applications for street trading consents have been received for the same location details of which are provided below. If granted the consents would enable the applicants to trade lawfully at the above location.
5. Photographs of the proposed trading site are attached at Appendix B and a site location plan at Appendix C.
6. On 8 September 2017 Christina Sanjivi of Wok Boxstix Limited applied to sell the following goods:

Hot drinks, Coffee, Tea, Cold fizzy drinks, Biscuits, Crisp, Sandwiches, Jacket Potatoes, Bottled Water, Bottled fruit juices, Chocolates  
During the hours of 0900 and 1730 Monday to Saturday  
Photographs of the trading unit are attached at Appendix D

7. On 7 September 2017 Honore Sanjivi applied to sell the following goods:  
Hot Drinks, Tea, Coffee, Cold and Fizzy drinks, Biscuits, Crisps, Sandwiches, Jacket Potatoes, Bottled Water ,Bottle Fruit Juice.  
During the hours of 0900 and 1800 Monday to Saturday.  
Photographs of the trading unit are attached at Appendix E
8. A further application was received for this site from George Smith, for a hot food unit, which was due to be included in this report but was subsequently withdrawn. Since the responses received from this consultation relate to concerns about the appropriateness of the site, rather than the specific unit officers feel they have relevance and therefore they have been included in the report at Appendix F.

## **Consultation**

9. The Council's policy states that normally consultation will take place with the following interested parties:-
  - a. Local Residents
  - b. Local businesses
  - c. Bristol City Council – Highways officer
  - d. Bristol City Council – Planning Team
  - e. Bristol City Council – Food Safety Team
  - f. Bristol City Council – Pollution Control Team
  - g. Bristol City Council – Councillor
  - h. Avon and Somerset Police

Standard consultation was undertaken in respect of all applications.

## **Consultation Responses**

10. The following responses have been received.

In respect of the withdrawn application from George Smith four representations were received from relevant persons. These are attached at Appendix F

In respect of the application from Christina Sanjivi of Wok Boxstix Limited one representation was received from BCC Markets Team. This representation was the same as received for Honore Sanjivi's application and therefore has not been duplicated here.

In respect of the application from Honore Sanjivi one representation was received from a relevant person and one from BCC Markets. These are attached at Appendix G.

The representations received primarily relate to the site itself, rather than the units or goods for sale and as such officers would recommend that all the representations are considered in relation to all of the applications.

## **Officer Considerations**

11. Members will note that the Council's own Markets Department have requested these applications be refused in order that concessions can be considered for College Green. Any future concessions would be advertised through an open tendering process
12. If the sub-committee were minded to grant any of these applications officers would recommend that a condition is placed on them requiring that the units be removed at the end of trading time with a suitable time between trading time to allow take down and set up. In addition a further condition prohibiting use of the consent when any events are taking place on college green in order to maintain the use of the site for any other purposes outside of the trading hours when their presence could conflict with the event on offer e.g. BBC Food Festival

Officers would also recommend that conditions are added to ensure the consent holders are responsible for any damage caused by their units being placed or removed from the site.

In addition officers would recommend that consideration be given to the size of each of the units as access is currently restricted by bollards to this location. If bollards were required to be removed for access by any of the units the applicant would be responsible for the cost of these works. Approval would be required from Highways before this could be carried out.

There is a seasonal ice cream vendor who operates at this site on weekends and occasional weekdays. Officers would advise that taking into account the size of the current unit and the units

applied for here there may be room to accommodate both on the site.

13. The committee considered a number of applications for this site with a range of food offers on 26 January 2016, and the minutes from this meeting are attached at Appendix H. All hot food offers were refused as inappropriate for this location.
14. Schedule 4 to the Local Government (Miscellaneous Provisions) Act 1982 deals with street trading consents. Subject to certain exemptions that do not apply to this application, Paragraph 7 enables the council to grant a licence if they think fit. The council may attach such conditions as they consider necessary, which may include among other things conditions to prevent obstruction of the street or danger to persons using it, nuisance or annoyance etc. Consent may include permission for its holder to trade in a consent street from to trade from a stationery van, car, barrow or other vehicle, or from a portable stall. Unless such permission is included the act prohibits a consent holder trading from a van or other vehicle or from a stall, barrow or cart.
  - a. If such a permission is included then the council may include conditions
    - (a) as to where the holder of the street trading consent may trade by virtue of the permission; and
    - (b) as to the times between which or periods for which he may so trade.
  - b. A street trading consent may be granted for any period not exceeding 12 months but may be revoked at any time. The holder of a street trading consent may at any time surrender his consent to the council and it shall then cease to be valid.
15. The applicants have been provided with a copy of the report and have been invited to the meeting.
16. If members were minded to grant any of the applications the issue of consents would still be subject to any remaining documents that have not yet been provided, such as basic disclosures, or valid public liability insurance.

**RECOMMENDED: The committee is asked to refuse the applications.**

## APPENDIX F

1.

As a local business xxxx I would like to object to this application.

There was already a catering van on the suggested site.

This started as little takeaway coffee pod trailer which soon developed into having tables and chairs with no facilities for customer or staff. Xxxx also it seems people feel happy to come in and use our facilities which again means a further impact on our business. The suggested unit is a motorised bike to be parked right out side the council building with the cathedral in the background which must both be listed buildings. This would not be within keeping of the area. We have to pay rent, rates (which have both increased) and all the other costs associated with a fixed business let alone the responsibility of providing a good wage for our staff. This application brings nothing new to the area.

I suggest you have a walk on park street and see that there are enough if not more than necessary A3 venues with another one being built as we speak opposite college green (I believe will be a Costa going into a A1 premise!) . There is also a tapas restaurant literally opposite the suggested site which would proved these sort of catering products already.

Park street has reached saturation point with more units closing down monthly.

2.

As local residents overlooking College Green, we strongly object to this application (which has been one of many recent applications for this pitch) for the following reasons:

- o Prime Tourist Location : any vehicle is inappropriate for this prime location adjacent to our wonderful College Green. College

Green is one of the city's treasures and needs respecting. It is a tourist destination and place for photographs

- o Over-provision of food outlets: Park Street and the surrounding roads are already teeming with food outlets which are open all hours
- o Slippery slope: once the council allows food trailers in this location it could be a precedent for other vehicles to apply for a licence
- o Litter: there is an under-provision of rubbish bins on College Green already and there will be rubbish generated
- o Cooking smells: we understand that this stall wishes to cook food. Smells will waft up to our apartment
- o Proposed opening times: 08:30 - 15:00 Monday to Friday. These hours coincide with other food outlets on Park Street
- o Seagulls: seagulls are increasingly a major problem in the area and are not to be encouraged

We recommend that for the seven reasons outlined you reject application 16/05569/STCINN

3.

I have a few concerns about this application for one of the highest profile and most sensitive sites in the city, at the main entrance approach to City Hall:

- There is not much detail about how the food would be served, but I assume as it is sausages in bread they would be heated on site. This would mean smells and unhealthy fumes would cloud the area around including the bus stops and corner of College Green as well as the main entrance approach to City Hall, which would also be disgusting to some.
- As a city trying to reduce its carbon footprint, there are two other problems:

- it is not clear whether there will be veggie sausages on the menu. If there is no attractive veggie/vegan option this does not sit well with environmental or health policies.

- using a glamorous oil-powered vehicle is not giving the best image for a city trying to reduce use of the internal combustion engine - something more like the cycle-drawn cart of Spicycle for example would be much more appropriate.

4.

One of our tenants within the building is Café du Jour. When they entered the lease there was no such small have-a-go undercutting competition immediately adjacent to them. They pay heavy, and quite frankly, unfair and extortionate business rates, and they cannot just start a motor and drive away if trading is losing money from their location.

The notion of granting a consent and a licence to a street trader, for a little bit of additional monetary gain to the council, is outrageous and an unworthy parasitizing on the hard-working shop keepers of Park Street. Surely the number and frequency of closed shop businesses on Park Street and other high streets has been noticed by you? Yet the Council policy has designated the whole of Park Street as protected "Primary Shopping Frontages".

I note that the City Council have just granted planning consent for change of use of a very large double-width shop unit at the top of Park Street to that paragon of local diversity and uniqueness, Costa Coffee. This exerts significant additional trading pressure on the established cafes and hot drink & snack shop-based businesses of Park Street.

This follows the Council building their own enormous hot drink and snack retailing business inside City Hall at the bottom of Park Street, which further drains Park Street of custom.

Therefore to be consistent with their own policy, the Council and its licencing authority should exercise good estate management and do as their policy states: protect the Primary Shopping Frontages by not making a few bucks on the side by parasitizing already struggling shop

businesses with a have-a-go street trader who, although gutsy and worthy of respect, hasn't committed hundreds of thousands of pounds to a shop fit out, is not committed for a term of five years or more, doesn't pay business rates, and can after all just up and leave any time. Last but by no means least, the street trader doesn't contribute anything to the Primary Shopping Frontages, but does further harm their viability at a very difficult time.

Please therefore decline to grant consent for the Street Trader.

1.

We wish to object to the above street trading application. We can see no notice posted on any lamp post on College Green and have only stumbled on the above application for Wok Boxstix Ltd to trade from Monday to Saturday from 0900 to 1800.

As local residents overlooking XXXXXXXXXX we strongly object to this application (which has been one of many recent applications for this pitch) for the following reasons:

- o Prime Tourist Location : any vehicle or trailer is inappropriate for this prime location adjacent to our wonderful College Green. College Green is one of the city's treasures and needs respecting. It is a tourist destination and place for photographs and not a food hub

- o Over-provision of coffee and food outlets: Park Street and the surrounding roads are already teaming with coffee and food outlets which are open all hours

- o Slippery slope: once the council allows food trailers in this location it could be a precedent for other vehicles to apply for a licence

- o Litter: there is an under-provision of rubbish bins on College Green already and there will be rubbish generated

- o Proposed opening times: Monday to Saturday 09:00 - 18:00. These hours coincide with other food outlets on Park Street

- o Seagulls: seagulls are increasingly a major problem in the area and are not to be encouraged

For these 6 reasons we wish to object to planning application  
17/03303/STCINN

## 2 BCC Markets

We object to street trading consent being given on College Green. We are exploring means to generate income from catering opportunities and do not wish to jeopardise potential viability of future concessions . Any catering opportunities on College Green will be let as concession through an open tendering process.

6. Report to consider four applications for the Grant of Street Trading Consent(s) at paved area by the fountains outside City Hall, College Green Bristol. Applicants: Chris Tayler – Daily Espresso, Bridget Pilkington – Vee Double Moo, Bayram Demiroglu – Anatolia and Honore Sanjivi – Tokyoyaki.

It was noted that there were four applicants for the same location and three were in attendance.

The Chair made introductions and outlined the procedure.

The Licensing Officer summarised the report. The Sub-Committee noted that the objections were summarised in Appendices H, I and J.

The applicants made the following comments:

**Christina and Honore Sanjivi – Tokyoyaki.**

- They had purchased the business from a previous leaseholder of the pitch applied for who had sold hot Chinese food.
- They wished to sell hot Japanese food. First 'light takeaway food' in Bristol. Plain food with no strong flavours, smells or smoke.
- They were happy to compromise on the requested operating hours but asked that consideration was given for the request to operate at lunchtime, rather than a 2pm start.
- Understood litter concerns within the objections that had been received and wanted to assure the Committee that they took pride in their business and would ensure litter bins were provided, litter was collected and recyclable materials were used and provision made for recycling.
- The Applicant had worked in micro biology setting and had a commitment to food hygiene
- Intended to purchase a smaller trailer in order to meet the concerns regarding the pavement and curb and the dimensions required by the Council and of the site

**Chris Tayler – Daily Espresso**

- Provision of local coffee, tea, breakfast pastries and snacks in a small quirky, fully branded trailer which was smart and presentable.
- Currently uses a generator but would want to plug into electricity on site.
- Happy to compromise on times and share the site but ask the Committee to consider the wish to trade during lunchtimes
- Would provide litter bins and recycling facilities

**Bridget Pilkington – Vee Double Moo**

- Had previously operated on Brandon Hill and had 3yrs experience trading and a loyal following
- The generator was not diesel operated and would elect to use the electricity mains connection available
- Sold enhanced ice-cream styled as a gourmet Mr Whippy
- Was passionate about street food and aware of increasing demand for street food nationally

- Awareness of concerns over litter and as a former environmental consultant, was confident will be as green as possible with little litter generated as the customers will purchase a fully edible product in a cone.
- Operation Saturdays and Sundays in a vintage van with an installed ice-cream machine.

#### **Bayram Deminglu – Anatolia**

The Sub-Committee noted the written application but were unable to explore the application further as the applicant was not in attendance.

The Sub-Committee retired to make its decision in the presence of KBD and LdeC.

The Sub-committee resolved:

That the application for a Street Trading Consent for Bayram Deminglu – Anatolia be rejected for the following reasons:

- Applicant was not present and the contents of the application could not be explored.
- Hot food was not considered to be appropriate in that location
- The unit was considered to be aesthetically inappropriate
- There were concerns regarding operation of two units on the same site for the same operating hours

That the application for a Street Trading Consent for Anatolia and Honore Sanjivi – Tokyoyaki be rejected for the following reasons:

- Hot food was not considered to be appropriate and therefore not viable in that location
- There were concerns regarding operation of two units on the same site for the same operating hours
- Concerns regarding safety for the public during handover

That the application for a Street Trading Consent for Chris Tayler – Daily Espresso be approved subject to conditions:

- As requested by the Licensing Authority in the report
- The mobile unit is not to run on a generator
- That the operator effectively disposes of waste from the premises
- That the operator does not operate during Council run events without seeking approval from the event organiser

That the application for a Street Trading Consent for Bridget Pilkington – Vee Double Moo be approved subject to conditions:

- As requested by the Licensing Authority in the report
- The mobile unit is not to run on a generator
- That the operator effectively disposes of waste from the premises
- That the operator does not operate during Council run events without seeking approval from the event organiser
