

Ashley, Easton and Lawrence Hill Neighbourhood Partnership Agenda

Date: Monday, 28 November 2016

Time: 6.30 pm - 8.30 pm

Place: St Pauls Learning and Family Centre, 94 Grosvenor Road, BS2 8XJ

1. Welcome, Introductions and Safety Information

2. Apologies for Absence

3. Minutes of the Previous Meeting (Pages 5 - 14)

To agree the minutes of the last meeting as a correct record held on Monday 3rd October 2016.

4. Declarations of Interest

To note any declarations of interest from the Councillors. They are asked to indicate the relevant agenda item, the nature of the interest and in particular whether it is a **disclosable pecuniary interest**.

Please note that the Register of Interests is available at

<https://www.bristol.gov.uk/councillors/members-interests-gifts-and-hospitality-register>

Any declarations of interest made at the meeting which is not on the register of interests should be notified to the Monitoring Officer for inclusion.

5. Public Forum

Up to 30 minutes is allowed for this item.

Any member of the public or Councillor may participate in Public Forum. The detailed arrangements for so doing are set out in the Public Information Sheet at the back of this agenda. Public Forum items should be emailed to democratic.services@bristol.gov.uk and please note that the following deadlines will apply in relation to this meeting:-

Petitions and Statements - Petitions and statements must be received on the working day prior to the meeting. For this meeting this means that your submission must be received in this office at the latest by 12.00 noon on **Friday 25th November 2016**.

6. Well Being Grant Applications For Approval (Pages 15 - 21)

Please find attached a report concerning the above Grant Applications.

7. Transformer Fund For Approval (Pages 22 - 23)

Please find attached the above report concerning the Transformer Fund

8. Environment Sub-Group - For Decision (Pages 24 - 29)

Please find attached a report from the Environment Sub-Group requiring a decision.

9. Community Safety Update

A verbal update will be given by Inspector Deborah Yeates.

10. Corporate Strategy Consultation

There will be a verbal report on the above item.

11. Neighbourhood Partnership Review Update

Councillor Asher Craig (Cabinet Member for Neighbourhoods) will give a presentation on this item. There will then be a 30-minute period for NP members to discuss it.

12. REPLICATE - European Project Presentation

A verbal presentation on this item will be given by Katherine Makin.

13. Easton Safer Streets Update

A verbal presentation on this item will be given by Sam Kirby.

14. Highways Report - For Information and Decision

This report will follow next week.

15. Neighbourhood Partnership Co-ordinator Report - For Information and Decision (Pages 30 - 39)

Please find attached the Neighbourhood Co-ordinator's Report

16. Any Other Business

17. Date Of Next Meeting

The next meeting is scheduled for 6.30pm on Monday 6th March 2017 at the Trinity Centre, Trinity Road, Bristol BS2 0NW.

Contact – The local Neighbourhood Partnership (NP) Coordinator is:

Gill Calloway

Telephone : (0117) 9222322

e-mail : gill.calloway@bristol.gov.uk

The Democratic Services Officer of the meeting is

Jeremy Livitt

Telephone : 011 92 23758

e-mail : democratic.services@bristol.gov.uk

What is a Neighbourhood Partnership?

Neighbourhood Partnerships are the route to influence and improve services in the neighbourhood for residents, community organisations, service partners, and where local councillors make decisions about Bristol City Council business

How do I get involved?

Anyone who lives or works in the area can get involved in this Neighbourhood Partnership by:

- **Attending this meeting and commenting on any item of business on the agenda.** Everyone is welcome to attend this meeting and contribute.
- **Submit a Public Forum statement** to the clerk to the meeting (contact details above) **no later than noon on the working day before the meeting.** The statement will, where possible, be sent directly to members of the Partnership, and be printed and circulated at the meeting.

The Openness of Local Government Bodies Regulations 2014

Any person attending a meeting must, so far as is practicable, be afforded reasonable facilities for reporting. This includes filming, photographing or making an audio recording of the proceedings.

Members of the public should therefore be aware that they may be filmed by others attending the meeting and that this is not within the authority's control. Oral commentary is not permitted during the meeting as this would be disruptive.

Ashley, Easton and Lawrence Hill Neighbourhood Partnership
6.30 pm, 3 October 2016

Present:

* De-notes apologies/absent

Ward Councillors

Councillor Mike Davies, Ashley;
Councillor Ruth Pickersgill, Easton;
Councillor Jude English, Ashley;
* Councillor Margaret Hickman, Lawrence Hill;
* Councillor Hibaq Jama, Lawrence Hill;
Councillor Carole Johnson, Ashley;
Councillor Afzal Shah, Easton;

Partners

Representatives of people who live and work in the Neighbourhood Partnership area

* Abdul Ahmed
Abdullah Farah
* Abdi Mohamed
* Aisha Thomas
* Cristina Crossingham
* Elaine Flint
* Delroy Hibbert
* Alex Milne
Daphne Muir
* Gemma Murphy
* Ben Wood
Deborah Yeates
* Jane Brewerton
* Jackie Griffith
* Hugh Holden
* Reverend Eric Aidoo
* Mark Aston
* Paul Bradburn
Pete Bullard
* Jo and Richard Curtis
* Joyce Clarke
* Matthew Collinson
* Mohamed Elsharif
* Maryanne Kempf
* Mohamed Mohamoud
* Mohamed Mumin

- Mike Pickering
- Sonny Richards
- * Jon Rogers
- * Lori Streich
- Steve Woods
- * NoelleandSam - Noelle Rumball

Other Interested parties:

Also in Attendance:-

Kurt James, - Neighbourhood Co-ordinator
Neil Burwell
Shirley Moyes, Project Engagement Officer
Jeremy Livitt, Democratic Services Officer

1. Election of Neighbourhood Partnership and Neighbourhood Committee Chairs (agenda item no. 1)

Resolved:

- (1) that Maryanne Kempf be elected Chair of the Ashley Easton Lawrence Hill Neighbourhood Partnership for 2016/17;
- (2) that Richard Curtis be elected Vice-Chair of the Ashley Easton Lawrence Hill Neighbourhood Partnership for 2016/17;
- (3) that Councillor Mike Davies be elected Chair of the Ashley Easton Lawrence Hill Neighbourhood Committee for 2016/17;
- (4) that Councillor Ruth Pickersgill be elected Vice-Chair of the Ashley Easton Lawrence Hill Neighbourhood Committee for 2016/17;
- (5) that, in the absence of the Chair and Vice-Chair of the NP, Councillor Mike Davies is elected Chair of the NP for the duration of the meeting.

It was noted that Pru Hardwick (St Andrews Resident) and Jeff Butterfield (Montpelier Resident) had joined as members of the NP.

Action: Jeremy Livitt

2. Welcome and Introductions (agenda item no. 2)

The Chair welcomed all parties to the meeting and asked them to introduce themselves.

3. Apologies for Absence (agenda item no. 3)

Apologies for absence were received from:

Maryanne Kempf – Neighbourhood Partnership Chair
Richard Curtis – Neighbourhood Partnership Vice-Chair
Councillor Margaret Hickman
Jo Curtis
Cristina Crossingham
Lori Streich
Paul Bradburn
Hugh Holden
Eric Aidoo

4. Minutes of the Previous Meeting (agenda item no. 4)

Resolved – that the minutes of the meeting heard on Monday 27th June 2016 be confirmed as a correct record and signed by the Chair.

Action: Jeremy Livitt

5. Declarations of Interest (agenda item no. 5)

There were no declarations of interest made.

6. Public Forum (agenda item no. 6)

The NP received the following 2 Public Forum items:

- (1) Consultation – Proposed Reductions to the Evening and Sunday’s Bus Network – David Redgewell, Martin Cinnamond, Nigel Bray, Jenny Raggett and John Hassell
 - (2) Crime Levels in the Stokes Croft and Picton Area – Jeff Butterfield
- In relation to Public Forum Statement 2, Jeff Butterfield pointed out that Stokes Croft was becoming a destination for criminal tourism and was returning to levels of criminal activity that hadn’t been seen for a number of years.

Resolved – that the above Public Forum Statements be noted.

Action: None

7. Updates from Neighbourhood Partnership Members (agenda item no. 7)

The NP noted received an update from:

- (1) Pete Bullard in respect of Cycle Hangers. There had been very little discussion concerning where the cycle hangers should be placed. It was noted that only 6 had currently been accepted in the whole of the

city (with an intended final total of 18) and that there would be a charge of 25p in each case. They had been introduced as part of a national bid from Travel West. Councillor Jude English indicated that she had e-mailed an officer concerning this issue and would pass this to other NP members once she received it. (2) Lori Streich was not present and, therefore, unable to provide an update on the Carriageworks. However, it was noted that a Project Manager was being appointed and it was hoped to see movement on the site as soon as possible.

Action: None

8. Stapleton Road - Bristol Waste Company (agenda item no. 8)

The NP noted details of the proposed pilot on Stapleton Road.

Officers pointed out that it was hoped this pilot would help reduce the problems caused by fly tipping and street cleansing. They also made the following points:

- (1) Wheeled bins would be introduced as part of an SLA for Stapleton Road for 3 weeks;
- (2) Communications for the scheme would start from Tuesday 4th October
- (3) Existing communal bins would be stickered to indicate that they will be removed and information about arrival and collections would be provided
- (4) There would be support provided by the Council's Engagement Team with details of roll-out. 4 members of the Community Engagement Team would provide support at the beginning and would continue to provide support as long as necessary. There would be a phone number on the website;
- (5) There would be close co-operation with the enforcement team – the Council currently had a fly-tipping team.

NP members made the following comments:

- (6) Gull proof bags were required;
- (7) A drop-in session for residents might help;
- (8) Household waste recycling centres would be operating as part of this arrangement;
- (9) Wheeled bins should help lessen the area as a target for fly tipping;
- (10) It was important that there should be a noticeable difference in the way Stapleton Road works on the first day
- (11) It was important to get businesses on board and ensure adequate enforcement.

Resolved by the Neighbourhood Partnership (unanimously) – that a 12 week pilot scheme for Stapleton Road be approved.

Action: Kurt James

9. Community Safety Update (agenda item no. 9)

Deborah Yeates gave a community safety update to the NP as follows:

Neighbourhood Team Restructure

Having reviewed the demand on the local teams and supervisors we have made some changes to the way we work. We have also aligned our beats to the council ward boundaries following the changes in May.

The team sergeants are as follows:

- 1) Neighbourhood Area: St Pauls & Easton: PS Helen Riddell, PS Mark Aston, PS Chris Green
- 2) Neighbourhood Area: City & Riverside (includes Lawrence Hill, Barton Hill and Redcliffe): PS Andy Whelpton

Graffiti

PC Stuart King has seen a period of long term sickness, however he has returned to partial duties in the last fortnight. When he resumes full duties PC King's first graffiti task will be to tackle tagging in The Bear Pit.

An NP member pointed out that play equipment and play surfaces at Dalrymple Park had been ripped up as they did not comply with appropriate Health and safety measures. However, there were no current plans to replace them.

Prostitution

The work of Operation Boss continues and is headed by PS Emma Slade, and completes around four operations per month. We are currently working on ways to increase this capacity and training up other staff to become more expert in matters such as modern slavery. There are a number of operations ongoing at the current time which cannot be disclosed to the group currently but as and when this is possible, we will do so.

A Councillor referred to a recent report in the Evening Post which indicated that three quarters of brothels had links to the criminal fraternity involving human trafficking, drugs and money laundering. Deborah Yeates pointed out that since off street trafficking was currently tackled by only one officer, measures were being put in place to upskill existing officers.

The NP noted that great care was required in tackling this issue since many of the women were extremely vulnerable. The Police did a great deal of work with 125 in this area.

Licensed Premises

The Jolly Roger remains closed as per the Licensing hearing earlier in the year. One of the conditions for operation was to install a new Designated Premises Supervisor. As yet this has not taken place. Further updates will follow as appropriate.

Not a licensed premise, but police are very much aware of the problems surrounding Decourcy House on Wilder Street. A number of talks have taken place with the landlord/owner and the council.

Days of Action - Enforcement, Engagement and Reassurance

Operation Blueline is still running, which contains the enforcement arm of our work to tackle drugs in East Bristol. We are seeing increasing numbers of what appear to be 'cuckooed' premises housing vulnerable missing persons, some under 18 years. A number of high level offenders have been arrested of late. PS Green is completing a review of the enforcement action in the last twelve months which we will make available to the Partnership.

PC Darren Weston from the Easton Neighbourhood Team is still running regular drug user engagement days which aim to find drug users and offer them a direct route into services by teaming up with drugs workers from our custody drugs engagement teams.

Street Drinking

The current focus is The Bear Pit/city centre and some areas of Fishponds where we have seen a displacement from the city centre. We welcome reports of street drinking and any new locations you see so that we can deal with this and/or offer the necessary intervention.

The Area Co-ordinator confirmed that there were persistent problems on Stapleton Road between the Railway Bridge and Masala Bazaar.

Asian Jewellery Burglaries

The NP briefly discussed the recent large number of cases of these burglaries – 50 cases within the last month. It was noted that awareness of this issue should take place with faith organisations.

Hate Crime

It was noted that, following Brexit, the increase in the number of hate crimes had reached a plateau but was still higher than before. Deborah Yeates indicated that she would provide a full Hate Crime Update for the next NP meeting at 6.30pm on Monday 28th November 2016.

Action: Lindsay Hay/Deborah Yeates

10 Universal Credit and Benefit Cap Update (agenda item no. 10)

The NP received a written report outlining details of reforms to the benefit system and the possible impact on citizens and local communities. It was noted that Lawrence Hill would have the highest number of citizens who are affected by the benefit cap.

Shirley Moyes made the following key points arising out of the report and in response to a number of questions made by NP members:

- (1) Approximately 1700 people were currently on Universal Credit;
- (2) No further groups would be claiming until 2018. From 2019, people will migrate to Universal Credit (UC);
- (3) Work was taking place to ensure that citizens and staff were aware of the impact of UC in terms of digital inclusion and employability;
- (4) From November 2016, a further cap would reduce the cap from £26,000 to £20,000 with a further reduction from January 2017. It was estimated that this would affect approximately 900 households
- (5) People would continue to receive Job Seekers Allowance – there was a project called Advice Plus which was working with people in their homes to support them. The Department of Work and Pensions was carrying out a pilot with them.
- (6) A mentor for disabled people was supporting individuals who were having their disability benefit removed and who were already in arrears with housing providers. People were being encouraged to save for a 5/6 week period before the introduction of UC to ameliorate any difficulties with debt
- (7) In total, it was estimated that 379 households would be affected, comprising 229 with social housing and 250 with private housing
- (8) Work would take place with families that speak or read English to assist them with the process. The Job Centres would be providing a facility for families to discuss issues relating to UC when they came in for interviews.

NP members expressed concern at the impact this could have on families, in particular that they may be made homeless.

Resolved – that the report be noted.

Action: None

11 Environment Sub-Group Report - for Decision (agenda item no. 11)

The NP considered the Environment Sub Group report.

Councillor Ruth Pickersgill stated the need for more trees in Lawrence Hill.

Resolved by the Neighbourhood Committee (5 for, 0 against) that:

- (1) the Tree Planting Plan is approved, together with £12,720 of the identified Section 106 funds shown in Appendix 1 of the report.
- (2) financial support of £6,000 be approved for the installation of a new play area at Ashley Down Green using the identified Section 106 funding as shown in Appendix 1 of the report;

(3) the revised environment sections of the Neighbourhood Plan are approved as part of the review (amendments indicated in Appendix 1).

Action: Neil Burwell

12 Highways Report - For Decision (agenda item no. 12)

The NP considered the Highways Report.

It was noted that decisions were required in respect of the following schemes totalling £80,122.24:

- (1) Application Number 04/01279 – Former FPS Site, Waterloo Road, Old Market/ZCD...866 (£55,769.09)
- (2) Application Number 03/02621/24 – 30 West Street, Old Market/ZCD...856 (£12,476.90)
- (3) Application Number 11/01099 – Saffron Gardens, Prospect Place, Whitehall/ZCD...982 (£11,876,25) – This was proposed for joint funding with a scheme in Lypiatt Road to be considered by the St George Neighbourhood Partnership

The NP congratulated the Highways Team for the work they had carried out on these schemes.

Resolved by the Neighbourhood Committee (5 for, 0 against) – that the above schemes at Waterloo Road, 30 West Street and Saffron Gardens be approved.

Action: Lindsay Hay

13 Grant Applications For Approval (agenda item no. 13)

The NP considered the recommendations of the Well Being Grant Panel.

Officers agreed to send details of the names of the Grant Panel membership to all NP members. **Action: Lindsay Hay**

Resolved by the Neighbourhood Committee (5 for, 0 against) – that the following schemes be approved.

Full details are set out in Appendix 1 of the report:

Bannerman Road Community Academy - £1,078.56 (Part Funded from £1,560 Requested)

Children's Scrapstore – No Funding (£2,429.20 Requested)

Easton and Lawrence Hill Neighbourhood Management - £2,385

Friends of St Andrews Park – No Funding (£2,500 Requested)

Full Circle and Docklands - £2,612

Iconic Black Bristolians - £2,000 (Part Funded From £3,000 Requested)

Julia Thorneycroft – No Funding (£1,450 Requested)

Off The Record – No Funding (£2,500 Requested)

TIGER - £1,924.44

TOTAL FUNDING: £10,000 (from £20,360.64 requested)

Action: Lindsay Hay

14 Neighbourhood Partnership Co-ordinator's Report (agenda item no. 14)

Neighbourhood Partnership Review Update

The NP noted the NP Review Update. It was noted that there were proposals by the Boundary Commission for the Easton Ward to transfer from the Bristol West to the Bristol East Parliamentary Constituency. There were a series of meetings taking place throughout the city as part of this consultation.

It was also noted that, in the event that the Central and Harbourside Ward joined this NP, there was the potential to receive a significant amount of CIL funding.

Action: None

Resident Parking Scheme Review

The NP noted the Resident Parking Scheme Review.

Following concerns expressed by a number of NP members at the proposals within the review, it was agreed that this issue should be added to a future Agenda and that Councillor Mark Bradshaw (Cabinet Member for Transport) and Peter Mann (Service Director – Transport) should be invited to attend. It was noted that Councillor Jude English, in her capacity as Chair of the Place Scrutiny Commission, would be writing a letter to Mark Bradshaw concerning this issue.

NP Members made the following additional comments:

- (1) The proposals would have a massive effect on local traders, many of whom did not have English as a second language. A large number of people felt angry and excluded at the proposals;
- (2) The results of the consultation needed to be published – the process must avoid becoming a tick-box exercise;
- (3) There were practical issues to consider as part of the review, such as how people might get a large amount of shopping back to their home on a bike;
- (4) Councils should not use parking reviews as a means of obtaining income;
- (5) The review is not fit for purpose.

Action: Lindsay Hay

Neighbourhood Officer and Neighbourhood Plan Updates

The NP received Neighbourhood Officer and Neighbourhood Plan Updates. It was noted that 3 Notice Boards had now been installed in Old Market, Montpelier and St Werburghs.

Action: None

Section 106 and CIL Update

The NP heard an update on Section 106 funding and on CIL. The Area Neighbourhood Officer confirmed that the fund had now reached £155,599.88. He pointed out that the NP would need to consider carefully what decisions it would need to make to ensure priorities were made for the NP, linked to the NP Plan. It was noted that teams needed to be in place to ensure that any schemes could be delivered.

Action: None

REPLICATE – Project Update

The Area Co-ordinator confirmed that there would be a full report on this issue at the next NP meeting. This would explain how this technology would interface and was co-funded by European Commission's Horizon 2020 Programme.

Action: Lindsay Hay

Bristol 800 Visit To the Mansion House

The NP noted that the Lord Mayor had requested representatives from this NP area to celebrate 800 years of Lord Mayors.

Resolved – that the following AELH NP members attend the Bristol 800 visit to the Mansion House – Maryanne Kempf, Ben Wood, Councillor Jude English, Pete Bullard, Daphne Muir, Sonny Richards, Abdullahi Farah

Action: Kurt James/Jeremy Livitt – Lord Mayor’s Officer already advised
Easton Safer Streets Update

The NP received an update on Easton Safer Streets. People were particularly urged to attend the next three community workshops on 8th October, 13th October and 17th October.

Action: None

Equalities Review 2016

The NP received an Equalities Review Update.

Action: None

The NP noted that there were no updates for Black History Month. Members were reminded that the Black Poppy rose event was taking place at the Malcolm X Centre on Friday 14th October 2016

15 Any Other Business (agenda item no. 15)

The NP noted that CCTV cameras were being installed to tackle the problems caused by fly tipping. It was also noted that there would be a Repairs Café for bikes on 15th October 2016.

NP members passed on their best wishes to Maryanne Kempf following her ongoing illness.

Prue Hardwick raised concerns about the issue of the availability of Blue Badge Spaces in Gloucester Road.

Action: Lindsay Hay to investigate

16 Date of Next Meeting (agenda item no. 16)

Members noted that the next NP would be held at 6.30pm on Monday 28th November 2016 at the St Paul’s Learning and Family Centre, 94 Grosvenor Road, Bristol BS2 8XJ.

Meeting ended at 8.32pm

CHAIR _____

**ASHLEY, EASTON AND LAWRENCE HILL
NEIGHBOURHOOD PARTNERSHIP
28 November 2016**

Report of: Gill Calloway, Neighbourhoods Department

Title: Wellbeing Budget – Small Grants

Contact Telephone Number: 0117 922 2322

RECOMMENDATIONS

1. Agree the recommendations of the Wellbeing grant panel (Appendix 2)

Context

1. As of April 2010, the NP Wellbeing grants funding became a devolved budget, therefore final decisions on spend need to be agreed by the Neighbourhood Committee prior to the release of funding.
2. These recommendations relate to £10,000 allocated for this round of the Wellbeing fund.
3. The grants panel met on 7th November 2016.
4. 12 applications were received in total valued at £23053.56

Summary

Legal Information

When councillors decide how the wellbeing fund is spent they should have due regard to the public sector equality duty that applies to all public bodies. This duty is contained in the Equality Act 2010 and came in to force on 6 April 2011. It replaces previous equality duties under the Sex Discrimination, Race Relations and Disability Discrimination Acts.

The duty means that councillors are required to have due regard to the need to:

- Eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited under the Act
- Promote equality of opportunity between different groups
- Foster good relations between people from different groups

The duty covers the following protected characteristics:

- Disability, sexual orientation, age, gender reassignment, religion and belief; sex, race, pregnancy and maternity.
- It also applies to marriage and civil partnership, but only in respect of the requirement to eliminate discrimination and harassment.

Recommendations

- **Agree Wellbeing Grant recommendations valued at £10,000.**

Appendix 2

- Wellbeing Grant recommendations.

Appendix 1

Those rows highlighted in red denote monies that need to be prioritised due to time restrictions on spending.

Ashley Easton and Lawrence Hill Neighbourhood Partnership				
Devolved Section 106 monies held as at 30 September 2016

Ashley, Easton and Lawrence Hill NEIGHBOURHOOD PARTNERSHIP

28th November 2016

Title: Transformers Youth Fund

Report of: Hayley Ash

Contact details: 0117 3521005

• **Recommendation**

- *To accept £5000 Transformer's Youth Fund and administer through the Wellbeing Process as per the conditions within the report. Decisions to be agreed by the whole Neighbourhood Partnership*

Background

Avon and Somerset Police Community Trust have been managing the Transformers fund, a small grant aimed at working with young people and delivering youth activities. The Trust, have found that it has been difficult to attract enough projects, and have agreed to devolve £5000 of the fund to each of Bristol's Neighbourhood Partnerships.

The fund would be administered through the Well Being Small Grants Process, and can be allocated from September this year. **All funds must be allocated by March 2017 and all projects must be finished by February 2018.** Monitoring must be submitted by applicants one month after the end of their project the last monitoring should be received no later than 20th March 2018.

In addition to the Well Being Small Grants criteria the following additional criteria must be adhered to.

- Applicant should be working with identified group of young people
- Applicant should identify a priority from the relevant Neighbourhood Partnership Plan
- Outcomes should benefit young people in their local Neighbourhood Partnership Area

- Where possible outcomes should benefit youth provision
- That projects should be celebrated/showcased as part of other NP events, for example at NP led community events/as part of the NP meeting/other celebratory activities.
- The Avon and Somerset Police Community Trust want to see copies of all monitoring information after projects have been delivered.

Public Sector Equality Duty

Before making a decision, section 149 Equality Act 2010 requires the Neighbourhood Partnership to consider the need to promote equality for persons with the following “relevant protected characteristics”: **age, disability, gender reassignment, pregnancy and maternity, race, religion or belief, sex, sexual orientation**. The Neighbourhood Partnership must, therefore, have due regard to the need to:

- Eliminate unlawful discrimination, harassment and victimisation
- Advance equality of opportunity between different groups who share a relevant protected characteristic and those who do not share it.
- Foster good relations between different groups who share a relevant protected characteristic and those who do not share it.

The duty to have due regard to the need to eliminate discrimination in the area of employment, also covers marriage and civil partnership

Insert a note below on how the public sector equality duty is relevant to the proposals and how the duty has been taken into account in developing the proposals.

This funding is to be spent on young people’s activities. The wellbeing small grants application form requires applicants to think about the wider equalities duties and projects will be assessed on this.

AGENDA ITEM NO

ASHLEY, EASTON & LAWRENCE HILL NEIGHBOURHOOD PARTNERSHIP

Monday 28 November 2016

Report of: Ashley, Easton and Lawrence Hill Neighbourhood Partnership
Environment Sub-group,

Author: Neil Burwell, Neighbourhood Officer

Title: Environment Sub Group Report 28 November 2016

Contact Telephone Number: 077 954 464 29

Recommendations

1. NP to consider and agree investing £27,000 CIL funding to deliver an intensive graffiti removal project in St Pauls
2. For Information: NP to note progress with environmental projects approved at last meeting

1. St Paul's Graffiti Removal Project 2016/2017

Following the successful graffiti removal project in Montpelier in 2015/2016 the Environment Sub-Group wish to recommend that the Neighbourhood Partnership invests in extending the benefits of this style of work to the St Paul's area. We recommend that the partnership approves £27,000.00 to finance an intensive period of graffiti removal in partnership with Nordic and a recruitment and training programme for local volunteers. This decision was reached at the Environment Sub-Group held on 7th November 2016.

This recommendation is in accordance with the revised Neighbourhood Partnership priorities agreed at the last meeting on 3 October to 'choose one area each year to target increased resources to remove and manage graffiti and fly posting'.

See section 3 below which outlines the programme of activity and **Map of area**.

Recommendation:

That the NP considers and agrees to investing £27,000.00 of existing CIL funding to deliver an intensive graffiti removal project in St Paul's.

AEHL N.P currently have £182,511.98 Community Infrastructure Funding.

Date Received	Application	Site Address	Amount

12/09/16	14/00331	47 to 49 Barton Road, The Dings (3)	£2,366.30
15/09/16	16/03900	47 to 49 Barton Road, The Dings	£1,040.34
Total			£182,511.98

2. Environment Project Up-date

2.1 Ashley Down Green Play Area (Complete)

Following the agreement by the Neighbourhood Partnership to invest £6000.00 of S106 funds to support the installation of a play area on Ashley Down Green, work is now complete and the Play Area is open for use.

2.2 Tree Planting Programme (Progressed)

Following the approval by the Neighbourhood Partnership to invest S106 funds to support the planting of 24 new and replacement trees across Ashley, Easton and Lawrence Hill, the following actions have been taken.

Site visits made to all locations with tree planting project officer to confirm locations.

Detailed information sent to Arboreal Officer for final agreement that the planting programme is safe and to approve species with a view to ordering trees in December.

The project is on course for completion has originally stated.

3. Graffiti Removal Project St Paul's

Working with Nordic Products and Services Ltd (NPSL) we will apply a range of solutions to the ongoing graffiti issues in the identified target area of St Paul's (Map included). A relationship with Nordic has been developed and it is considered that they understand the philosophy behind adopting graffiti removal as a priority issue. Their approach is now tried and tested and their products are known to us.

The aim of this project is to improve the look of the area through graffiti removal, applying protective coatings where necessary from further graffiti and to offer future targeted cleaning plans, training and products to manage the area in the future by supporting local volunteer action.

St Paul's has many building types and surfaces which have been badly defaced by tagging graffiti. The area has a mixture of business and residential properties. There are a number of entrance gates/doors to yards and public walkways. The area has a

large amount of graffiti for removal with some street art that would remain in place. Decisions will be made via a walkabout to which local people are welcome to attend. Tags have been applied to red and coloured brick, rendered and painted surfaces, and in some places to wooden fences and glass. Lampposts, phone boxes, utility junction boxes and business shutters have also been targeted, resulting in the need to clean numerous metal surfaces.

Various approaches, removal methods, materials and products will be used. Several methods will be needed to achieve the appropriate result for each area and surface. Details of these can be made available to the Neighbourhood Partnership if required

The selected part of St Paul's would benefit from a program specialist graffiti removal and the selective use of Anti-graffiti protection measures. It would take between 5 and 7 weeks to complete all the works, depending on which solutions are chosen. All of the work would be carried out by highly trained and experienced operatives and using Nordic's range of products and equipment. All work would be agreed with BCC and via local consultation (where necessary) for each area and a detailed plan submitted for confirmation prior to the start of each section. Decisions would need to be made regarding which street art is to remain; such as on shutters and specifically commissioned art.

The results on certain surfaces will depend on the selected method of removal or paint out but a good overall improvement of the whole area will be evident. The protection element in high risk area would be cost effective as future graffiti removal costs would be saved for each subsequent attack.

Volunteers

Recruitment of volunteers will be undertaken by the BCC Neighbourhood Officer with support from the Environment Sub-Group, residents groups and other partners. Training, support and materials will be offered through Nordic with support from the Neighbourhood Officer.

Bristol Waste Company will also be key partners in the ongoing maintenance of a graffiti free area.

Costs

Labour - 7 weeks x 5 days @ £475 per day - £16625

Materials – all products (including anti-graffiti coating) – £8000

Volunteer training and cleaning materials - £2000

We have requested £27,000.00 to allow for unforeseen situations and so volunteers are well equipped.

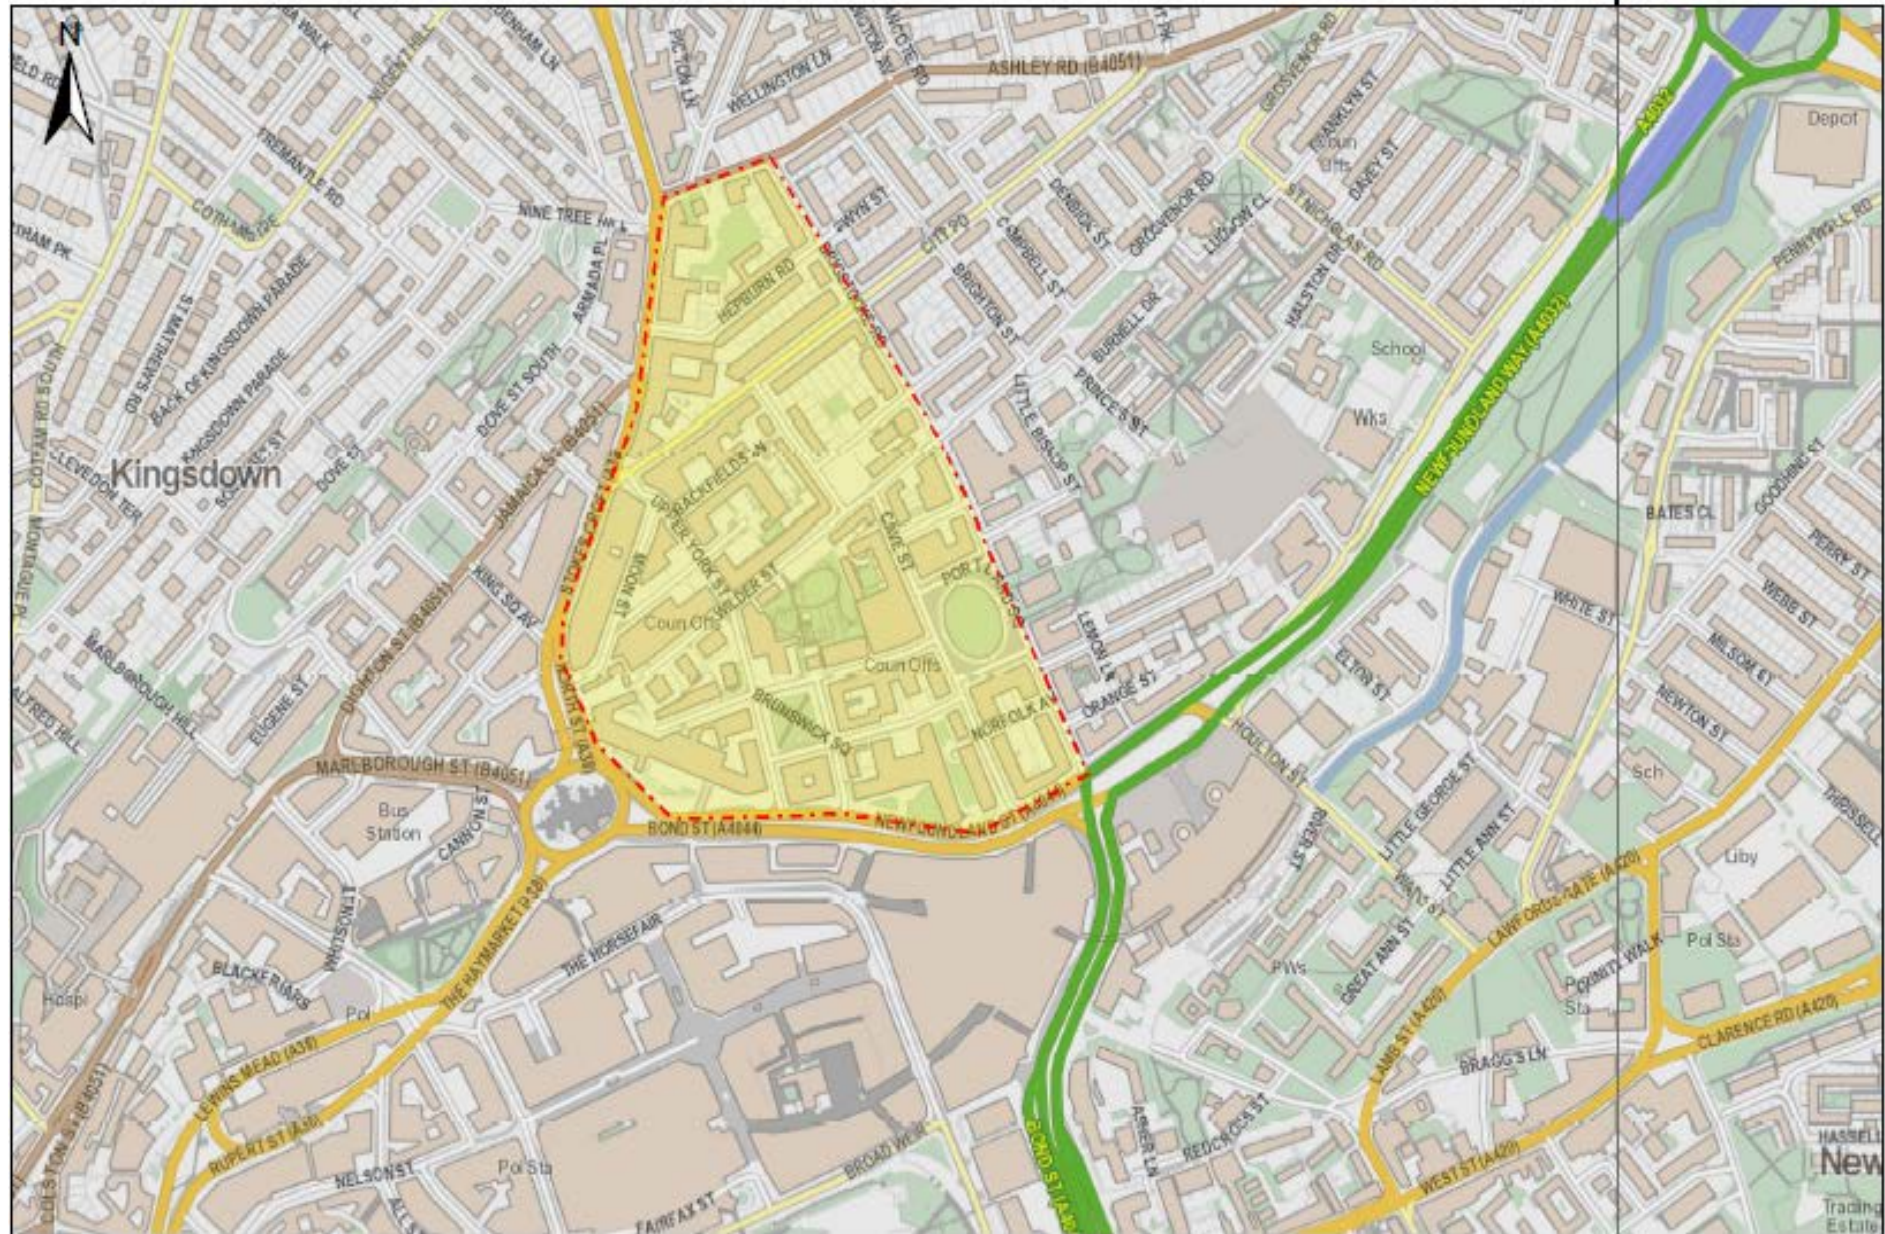

Time scale

Work to begin in February 2017 and be completed by end of March.

See Map below for area

St Pauls Graffiti Removal Area

**ASHLEY, EASTON AND LAWRENCE HILL
NEIGHBOURHOOD PARTNERSHIP
28 November 2016**

Report of: Gill Calloway, Neighbourhoods Department

Title: Neighbourhood Coordinator Report for Information and Decision.

Contact: 0117 9222322 gill.calloway@bristol.gov.uk

Recommendations

This report is from the Neighbourhood Partnership Coordinator. It is for information and Partnership members are recommended to:

- 1. Note Clean streets campaign launch**
- 2. Note NP Review Update.**
- 3. Note Resident Parking Scheme Review.**
- 4. Note Neighbourhood Officer and Neighbourhood Plan Updates**
- 5. Note Section 106 and CIL Update. See appendix 1.**
- 6. Note Easton Safer Streets update**
- 7. Note Temple Quay Gate update**
- 8. Note BWC update from Forums**
- 9. Note National Boundary Review consultation**
- 10, Note Bristol Walking Alliance update**
- 11.Note Crime and ASB overview and Stokes Croft update**

1. Note Clean Streets Campaign launch 21 November 2016

The Mayor has made a pledge that Bristol will be measurably cleaner by 2020.

Measurably cleaner means less litter, fly tipping, fly posting, graffiti, dog fouling, gum and weeds in the city; as well as much more reuse, repairing and recycling so that less waste is produced and disposed of in landfill.

Making Bristol and its streets cleaner is something that everyone who lives, works, learns, or plays here contributes to, supported by those that have the job of keeping the city clean and tidy and working. To make the city cleaner we will:

- Provide a quality cleansing service with clear standards. We also want to tell you what we are doing and how well we are doing it, whether that be cleansing or recycling. We want residents to tell us where what we do is not working or could be better so that we can get better. We also want you to tell us when you see problems like fly tipping or graffiti so that we can do something about it;
- Work with residents, community and faith groups, Universities, schools, and businesses to help them to do their bit whether large or small to improve the look and feel of the city. This could be done through picking up one piece of litter, community clean ups, planting, painting or just sweeping outside their front door or shopfront;
- Spread the word about keeping the city clean and tidy far and wide, and keep doing it. If we want Bristol to be a great city then let us be clear about what we want it to look like and help it to become that. We will embed the campaign principles in the local authority and how it works moving forward and ask our partners to do the same. We will also highlight areas where behaviours like dumping waste on the streets takes place;
- We make sure that our policies and the law support our efforts to keep the city clean and tidy, are visible to the city, and are acted upon;
- We use our enforcement resources where it is needed to back up our aim which is to educate, engage and then enforce to make the city cleaner;

The campaign will be launched on 21 November 2016 and over the next year and beyond we will spread the campaign messaging through our networks and those of our partners, and we would like you to help with this.

We will do more enforcement where we need to and share the impact; involve schools and other learning institutions with the campaign and double the number of Eco-Schools; celebrate the good work that volunteers do quietly to improve their areas and support groups who want to get involved; strengthen our policy base and guidance materials to make it easier for us to manage problems and safer for groups who want to help out; and we will fix difficult problems where we can.

What the Mayor would like from Neighbourhood Partnerships

As partnerships know their areas better than anyone else and have worked hard over the years to improve your areas, we wondered if you could:

- Tell us thorough your Coordinator how you want your area to look?
- Tell us what we need to do more of to make your areas cleaner and tidier and where this needs to be done?
- Tell us about the great work that you have done, do or plan to do large or small which will contribute to improving the look and feel of the city so that we can share this far and wide and make it a part of this campaign as we move forward?

Kurt James
Clean Streets Campaign Project Manager

2. Note NP Review Update and Corporate Strategy consultation.

Please continue to share the following as deadline 5th January 2017. There will be shorter paper versions available. <https://www.bristol.gov.uk/council-spending-performance/corporate-strategy-2017-2022-consultation>

We can provide materials in other formats, such as paper, large print, braille, sign language, and other languages. Call 0117 922 2848 or email: consultation@bristol.gov.uk by Monday 19 December if you need an alternative format.

3. Note Resident Parking Scheme Review Update

The consultation period has been extended for an additional three weeks **from Friday 11th November**. See link for latest developments.

<https://www.bristol.gov.uk/parking/residents-parking-scheme-local-reviews>

There are no plans to develop any additional schemes unless the local community request this. If they do then this is something that we can discuss with the local ward members but it has to come from the community.

The consultation that is running now is aimed at reviewing how the existing scheme works rather than changing the area – although we can consider this if that's what people would like.

4. Note: Neighbourhood Officer Report on delivery of Neighbourhood Plan

Brook Street Park, Easton

Work continues at Brook Street Park although many of the problems mentioned in the previous report have died down after the summer. Planned actions include:

- A return by Community Payback to carry out shrub clearance and to remove litter
- Police will continue to monitor this location despite the drop in incidents
- We are supporting Playbus and Felix Road Adventure Playground to plan and deliver a series of structured play sessions in the park with a view to bringing children from all backgrounds to enjoy the space together. There is an aspiration to establish a Play Pod in the park (a secure container that will hold play equipment and games for children)

Play Equipment Removal/Installation

All play equipment has now been removed from green spaces in Clark Street, Hathway Walk, Penfield Road and Dalrymple Road as a result of their age. Remedial work continues to leave the surfaces in a safe condition.

Work to install new play equipment in Albion Road (Easton) and Ashley Street (Ashley) continues. The designs will be available for residents to see by the end of November. The plan is for both play areas to be installed by the end of February.

Newtown

At a recent meeting residents clearly expressed their frustrations about the slow pace of work in Newtown. As a result it was agreed that we would not meet until at least some of the environmental work was complete.

Following discussions with Parks recently, extensive maintenance work has now been completed including weeding, cutting back overgrown shrubs, grass cutting, perimeter hedge cutting and fly tipping removal. One of the leading residents has said that the area is now looking a lot tidier.

The Residents Group is now planning an event with 'Playing Out' to engage more local people in their work.

St Paul's Fireworks Group

Neil is supporting the work of the local group planning a firework display and fire festival for November 2017. The group involves residents and local organisations.

Ashley Forum Meeting

The last Ashley Forum meeting held on 17th October at St Werburgh's Community Centre and was attended by 63 residents. The theme was Policing and Community Safety and key speakers were the Police and Crime Commissioner Sue Mountstevens and representing local Policing Sergeant Mark Aston. **Next Forum: 6.30 pm Monday 16th January**, St Paul's Learning and Family Centre

Tree Planting

See Environment Sub-Group Report

5. Note CIL and Section 106 Update. See Appendix 1

As of 28 November 2016 the Ashley, Easton and Lawrence Hill Neighbourhood Committee is responsible for a devolved Section 106 funding budget of £561,161.94. A number of projects have been delivered but the funding has yet to be drawn down so the available funding is less than that reported.

The devolution of Section 106 funds means the Neighbourhood Committee comprised of the seven councillors of Ashley, Easton and Lawrence Hill have the delegated legal responsibility from Bristol City Council for making decisions regarding these funds.

The process for spending CIL will be the same for Section 106 funding, but should be rigorously planned and linked to the achievement of the AELH NP plan objectives.

Ashley, Easton and Lawrence Hill NP has £182,511.98 of Community Infrastructure Levy (CIL)

03/05/16	15/02074	1B Hepburn Road, St. Pauls	£793.47
06/05/16	14/05259	Temple Plot A, Finzels Reach, Counterslip (1)	£17,683.71
17/06/16	13/00181	135 Church Road, Redfield	£337.50
23/06/16	13/02832	138 City Road, St. Pauls	£269.80
01/07/16	15/01885	142 Ashley Road, St. Pauls	£569.80
27/07/16	14/06283	Print Hall, 1 Temple Street, Old Market (2)	£27,525.89
17/08/16	16/02337	123 Cromwell Road, St. Andrews	£82.57
01/09/16	12/02256	BS2 Lofts, Wilder Street, St. Pauls	£1,597.50
05/09/16	15/02101	8 Pennywell Road, Easton	£4,141.67
12/09/16	14/00331	47 to 49 Barton Road, The Dings (3)	£2,366.30
15/09/16	16/03900	47 to 49 Barton Road, The Dings	£1,040.34
Total			£182,511.98

CIL funding can be used to pay for:

- The provision, improvement, replacement, operation or maintenance of infrastructure; or
- Anything else that is concerned with addressing the demands that development places on an area.

The Old Market Quarter Neighbourhood Development Plan was successful at referendum and made at Full Council on 15 March 2016. This means that the amount of Community Infrastructure Levy funding gained from qualifying development in the plan area increases from 15% to 25%. This area covers part of the Lawrence Hill and Central wards.

The decisions on the expenditure remain with the Neighbourhood Partnership committee – but should be informed by the Old Market Quarter Neighbourhood Development Plan.

It is important that the partnership focuses on how best to use the funds that it has at its disposal.

6. Note Easton Safer Streets Update.

Five Community Design Workshops were held during September and October at key locations for the Easton Safer Streets project. At these workshops the design development strategy that has been devised was shared with attendees as well as possible design solutions dealing with the issues previously identified.

Participants were then asked to give their feedback on the strategy in general and the palette of design solutions, giving us valuable information to proceed to detailed design options. The questions were also available with all the associated materials online for feedback.

The response to the workshops was very positive. Over 240 people filled in surveys and it is clear that there is an appetite to make the streets a safer more enjoyable place to travel for the community.

We are now in the process of using the data and comments we have so far to inform design options for each key area and we will be coming back out to do more drop-in events in November so that people can have a further say in the process.

Dates for these events are:

Thurs Nov 17th – 3-6pm: Bellevue Park

Mon Nov 21st – 3-6pm: Albion Green

Thurs Nov 24th – 3-6pm: Devon Road

Mon Nov 28th – 3-6pm: Rosemary Lane

Sat Dec 3rd – 11am-2.30pm: St Mark's Rd

We will be making all of the design options available online for feedback. We will also be holding focus groups for vulnerable users and harder to reach groups before Christmas. Further information is available at www.travelwest.info/easton or email caf@bristol.gov.uk

7. Note Temple Quay Gate scheme

The Marketing and Communications officer Joanna van der Veen will be setting up a range of briefings on the [Temple Gate scheme](#), one of the key projects of the Temple Quarter Enterprise Zone. This is a major infrastructure scheme that we anticipate will have the biggest impact on Central, Lawrence Hill, Windmill Hill, Southville and Hotwells and Harbourside wards (both when it is completed and during the construction phase). A written briefing will be available towards end of November for Neighbourhood Partnerships on what the scheme entails and anticipated timeframes and **briefings for councillors.**

Please visit <http://www.bristoltemplequarter.com/gate> or more info at

8. Bristol Waste Company update from Forums

Most of the queries we received at the last NP meeting were in relation to the Stapleton Road Pilot and were answered on the spot but these are the ones we took away and the resolutions which were reported back to Up Our Street to feedback.

- a. Resident raised that Goodhind Street and adjacent roads only seem to be cleansed weekly recently and the litter has therefor increased, can this be rectified. The cleansing supervisor increased the cleansing frequency to twice a week for these roads and a significant improvement has been noticed.
- b. Resident raised that litter bins at the Junction 3 development are reported to be too small and rarely emptied – is BWC responsible for these do you know? Junction 3 is not yet adopted and therefore not BWC responsibility to cleanse although we did cleanse it this week due to a complaint. It would be the developer who would take up this until the road becomes adopted by BCC. It is very close to becoming adopted, so in light of this we will begin attending to avoid further issues for the community as it would appear the developer has relinquished all responsibility. It's been added to the crew maps for this week.
- c. Waverly Street communal bin is servicing some Fox Road properties from the back – a resident queried whether the replacement service brought in during the pilot could replicate this.

We have looked at this in more detail and we intend to keep the service as consistent as possible for residents so as not to cause confusion or inconvenience where a set up suits them in terms of the point of collection. We will therefore be able to empty wheelie bins and boxes from Waverly Street for the houses which back onto there from Fox Road. We have amended the pilot map accordingly.

9. Note National Boundary Review and consultation dates

There are proposals by the Boundary Commission for the Easton Ward to transfer from the Bristol West to the Bristol East Parliamentary Constituency.

Consultations in Bristol take place on 17th and 18th of November. Book a place at <http://www.eventbrite.co.uk/o/boundary-commission-for-england-10840540288>

More info also at <https://www.bce2018.org.uk/>

10. Bristol Walking Alliance (BWA)

BWA has two main thrusts to support the walking environment in Bristol

- Influence agencies like BCC and the police at the top level
- Practical action at neighbourhood level (Seven Neighbourhood Partnerships have now joined BWA).

Bristol Walking Alliance welcomes new organisations as members of the alliance, and welcomes supporters – groups or individuals.

To join the alliance please email enquiries@bristolwalkingalliance.org.uk or visit www.bristolwalkingalliance.org.uk

11. Crime and ASB Overview and Stokes Croft update

- Between 01/01/2015 and 30/09/2016, around **2,700 crimes** were reported as occurring in the Stokes Croft area – an average of **126 per month**
- Around **1,100 incidents of ASB** were reported during the same reporting period – an average of **54 incidents per month**:
 - o The vast majority (83%) of ASB incidents were categorised as ASB-Nuisance
- Across the reporting period, **crime has increased**, with higher volumes reported since Feb 2016; **ASB has decreased**, with a notable decline occurring since Jan 2016 (this is across the board, not just Stokes Croft and is in part owed to a change in recording criteria for crime when ASB is a factor)
- **Theft and Handling Stolen Goods** offences are the single largest offence group; they represent **41 per cent of offences** (1,100) since January 2015
- Across the reporting period, around 34 per cent of offences were **Violence against the Person** (VAP). Across the period there has been a rise in VAP offences, with an increase from February 2016 onwards:
 - o The rise in VAP offences in this area has been responsible for the overall rise in total crime levels, with VAP accounting for an increasing proportion of the monthly crime - rising from around 35 per cent of monthly offences, to around 45 per cent. The rise is mainly driven by an increase in **non-injury offences**, with rises observed in offences where the victim has been caused alarm or

distress (harassment), though there has been a **slight increase** in the monthly volume of ABH offences since May 2016.

- VAP offences increase over the weekend, with a clear rise in offences on Friday, Saturday and Sunday
- Between January 2015 and September 2016, around 100 **Robbery** offences have been recorded, an average of 5 per month:
 - There are fluctuations in the monthly levels of offending, with some seasonality observed, with slight rises in summer months, however there is **not a clear rise** in offence levels

Some victims of robbery offences were in the process of **attempting to obtain drugs or solicitation** when they were victimised.

The **Bear Pit** is identified as the offence location in eight offences

- Nine robbery offences in Stokes Croft resulted in a positive outcome. In around **a fifth of offences, the victim declined, or was unable, to identify the offender**. The victim did not support the investigation in 14 offences
