

Public Safety and Protection Committee Agenda

Date: Tuesday, 8 January 2019

Time: 10.00 am

Venue: Room 1P05, 1st Floor - City Hall, College Green, Bristol, BS1 5TR

Distribution:

Councillors: Chris Davies, Richard Eddy, Sultan Khan, Mike Langley and Estella Tincknell

Copies to: Nick Carter, Ashley Clark (Legal Advisor), Lynne Harvey (Legal Advisor), Shreena Parmar (Legal Advisor), Michael Bonnick, Emma Lake, Sarah Flower (Licensing Policy Advisor), Abigail Holman (Licensing Policy Advisor), Carl Knights (Licensing Policy Advisor), Wayne Jones and Andrew Lyle (Licensing Enforcement Officer)

Issued by: Corrina Haskins, Democratic Services

City Hall, College Green, Bristol, BS1 5TR

Tel: 0117 93576519

E-mail: democratic.services@bristol.gov.uk

Date: Friday, 28 December 2018

Agenda

1. Welcome and Safety Information

(Pages 5 - 6)

2. Apologies

3. Declaration of Interest

4. Public Forum

Up to 30 minutes is allowed for this item.

Any member of the public or Councillor may participate in Public Forum. The detailed arrangements for so doing are set out in the **Public Information Sheet** at the back of this agenda. Public Forum items should be emailed to democratic.services@bristol.gov.uk and please note that the following deadlines will apply in relation to this meeting:-

Questions - Written questions must be received 3 clear working days prior to the meeting. For this meeting, this means that your question(s) must be received in this office at the latest by 5 pm on Wednesday 2nd January 2019 at 5pm

Petitions and Statements - Petitions and statements must be received on the working day prior to the meeting. For this meeting this means that your submission must be received in this office at the latest by 12.00 noon on **Monday 7th January 2019**.

5. Suspension of Committee Procedure Rules CMR10 and CMR11 Relating to the Moving of Motions and Rules of Debate

Recommended – that having regard to the quasi-judicial nature of the business on the Agenda, those Committee Procedure Rules relating to the moving of motions and the rules of debate (CMR10 and 11) be suspended for the duration of the meeting.

6. Application for the grant of a Street Trading Consent: South Corner of Cotham Gardens, Redland Grove

(Pages 7 - 16)

7. Application for the grant of a Street Trading Consent: Monks Park Open Space, Biddestone Road

(Pages 17 - 23)

8. Exclusion of the Press and Public

Recommended – that under Section 11A (4) of the Local Government Act 1972 the public be excluded from the meeting for the following items of business on the ground that involve the likely disclosure of exempt information as defined in Part 1 of Schedule 12A to the Act, as amended.

9. Application for the grant of a Street Trading Licence: Rear Of East Street At The Junction With Church Road, Bedminster

(Pages 24 - 36)

10. Application for the grant of a Street Trading Consent: Rear Of 13 Druetts Close On The Road, Kellaway Avenue

(Pages 37 - 50)

11. Application for the grant of a Street Trading Consent: Silverthorne Lane By Feeder Commercials, Bristol

(Pages 51 - 60)

12. Application for the grant of a Private Hire Driver Licence: JH

(Pages 61 - 159)

13. Application for the grant of a Private Hire Driver Licence: IM

(Pages 160 - 173)

14. Application for the grant of a Private Hire Driver Licence: SH

(Pages 174 - 195)

Public Information Sheet

Inspection of Papers - Local Government
(Access to Information) Act 1985

You can find papers for all our meetings on our website at www.bristol.gov.uk.

You can also inspect papers at the City Hall Reception, College Green, Bristol, BS1 5TR.

Other formats and languages and assistance
For those with hearing impairment

You can get committee papers in other formats (e.g. large print, audio tape, braille etc) or in community languages by contacting the Democratic Services Officer. Please give as much notice as possible. We cannot guarantee re-formatting or translation of papers before the date of a particular meeting.

Committee rooms are fitted with induction loops to assist people with hearing impairment. If you require any assistance with this please speak to the Democratic Services Officer.

Public Forum

Members of the public may make a written statement ask a question or present a petition to most meetings. Your statement or question will be sent to the Committee and be available in the meeting room one hour before the meeting. Please submit it to democratic.services@bristol.gov.uk or Democratic Services Section, City Hall, College Green, Bristol BS1 5UY. The following requirements apply:

- The statement is received no later than **12.00 noon on the working day before the meeting** and is about a matter which is the responsibility of the committee concerned.
- The question is received no later than **5pm three clear working days before the meeting**.

Any statement submitted should be no longer than one side of A4 paper. If the statement is longer than this, then for reasons of cost, only the first sheet will be copied and made available at the meeting. For copyright reasons, we are unable to reproduce or publish newspaper or magazine articles that may be attached to statements.

By participating in public forum business, we will assume that you have consented to your name and the details of your submission being recorded and circulated to the committee. This information will also be made available at the meeting to which it relates and placed in the official minute book as a public record (available from Democratic Services).

We will try to remove personal information such as contact details. However, because of time constraints we cannot guarantee this, and you may therefore wish to consider if your statement contains information that you would prefer not to be in the public domain. Public Forum statements will not be posted on the council's website. Other committee papers may be placed on the council's website and information in them may be searchable on the internet.

Process during the meeting:

- Public Forum is normally one of the first items on the agenda, although statements and petitions that relate to specific items on the agenda may be taken just before the item concerned.
- There will be no debate on statements or petitions.
- The Chair will call each submission in turn. When you are invited to speak, please make sure that your presentation focuses on the key issues that you would like Members to consider. This will have the greatest impact.
- Your time allocation may have to be strictly limited if there are a lot of submissions. **This may be as short as one minute.**
- If there are a large number of submissions on one matter a representative may be requested to speak on the groups behalf.
- If you do not attend or speak at the meeting at which your public forum submission is being taken your statement will be noted by Members.

For further information about procedure rules please refer to our Constitution <https://www.bristol.gov.uk/how-council-decisions-are-made/constitution>

Webcasting/ Recording of meetings

Members of the public attending meetings or taking part in Public forum are advised that all Full Council and Cabinet meetings and some other committee meetings are now filmed for live or subsequent broadcast via the council's [webcasting pages](#). The whole of the meeting is filmed (except where there are confidential or exempt items) and the footage will be available for two years. If you ask a question or make a representation, then you are likely to be filmed and will be deemed to have given your consent to this. If you do not wish to be filmed you need to make yourself known to the webcasting staff. However, the Openness of Local Government Bodies Regulations 2014 now means that persons attending meetings may take photographs, film and audio record the proceedings and report on the meeting (Oral commentary is not permitted during the meeting as it would be disruptive). Members of the public should therefore be aware that they may be filmed by others attending and that is not within the council's control.

**BRISTOL CITY COUNCIL
PUBLIC SAFETY AND PROTECTION COMMITTEE
9 January 2019**

Report to consider applications for the Grant of Street Trading Consent(s) at a number of locations within the Bristol City Council administrative area.

Applicants: Bristol City Council

Report of the Service Manager – Regulatory Services

Purpose of Report

1. To consider applications for the grant of a Street Trading Consent in principle at the following locations:
 - a. South Corner of Cotham Gardens, Redland Grove

Background

2. This application is made by the Bristol City Council Parks and Markets Teams.
3. The Parks and Markets Teams are responsible for managing land on behalf of the authority. These are premium locations whereby it is anticipated market value can be achieved by way of a concession process. This will be achieved via a tender process, whereby applicants bid for the site. These bids are assessed against specific criteria for each site, to ensure the successful applicant has a suitable offer for the relevant site.
4. The successful applicant for each site would be subject to a contract with the relevant team, issued for up to three years.
5. This location falls within the street trading policy as consent streets for the purpose of street trading legislation. Any street trading at that location other than under a street trading consent issued by the Council would constitute a criminal offence.
6. In order to streamline the process for the successful applicant, the Parks and Markets Teams have submitted “in principle”, or provisional, applications for the identified sites to the Licensing Team, in order to establish whether the sites may be suitable for

a concession site, and whether there are any issues with them. Therefore these concession sites are treated in exactly the same way as any other street trading application, which has the advantage of enabling other teams within the council and relevant persons to be consulted as to their suitability, or raise other concerns they may have.

7. If granted this site would be put out to tender, and the successful applicant would be required to submit a fresh application for street trading. The licensing manager may then dispense with the need for a full consultation if appropriate. The applicant would still be required to demonstrate that they were a suitable person to hold a street trading consent, and complete the other steps such as demonstrating the appropriate food hygiene level, and provision of a basic disclosure.
8. Detail of the application is shown in the Appendix A along with a location map.

Consultation

9. The Council's policy states that normally consultation will take place with the following interested parties:-
 - a. Local Residents
 - b. Local businesses
 - c. Bristol City Council – Highways officer
 - d. Bristol City Council – Planning Team
 - e. Bristol City Council – Food Safety Team
 - f. Bristol City Council – Pollution Control Team
 - g. Bristol City Council – Councillor
 - h. Avon and Somerset Police

The application is also advertised on the Council's website, and the applicant is required to place a notice of the application at the site for 21 days.

Standard consultation was undertaken in respect of all applications.

Consultation Responses

10. A number of responses were received which are attached at Appendix B.

Officer Considerations

11. If the sub-committee were minded to grant this application officers would recommend a number of conditions be attached in addition to the standard conditions normally attached:
- The consent holder shall not be permitted to use either a diesel or petrol generator. The unit may be powered by an alternative energy source, however it must be of a 'silent running' nature.
 - The consent holder will not be permitted to trade on occasions when other events, or festivals take place at the site, or which encompass the site, without the explicit written permission of the event or festival organiser.
12. Schedule 4 to the Local Government (Miscellaneous Provisions) Act 1982 deals with street trading consents. Subject to certain exemptions that do not apply to this application, Paragraph 7 enables the council to grant a licence if they think fit. The council may attach such conditions as they consider necessary, which may include among other things conditions to prevent obstruction of the street or danger to persons using it, nuisance or annoyance etc. Consent may include permission for its holder to trade in a consent street from to trade from a stationery van, car, barrow or other vehicle, or from a portable stall. Unless such permission is included the act prohibits a consent holder trading from a van or other vehicle or from a stall, barrow or cart.
- a. If such a permission is included then the council may include conditions
- as to where the holder of the street trading consent may trade by virtue of the permission; and
 - as to the times between which or periods for which he may so trade.
13. Representatives from the Parks and Markets Teams will be in attendance to answer any questions or provide further detail where required.

RECOMMENDED The committee is asked to determine the applications.

LOCAL GOVERNMENT (ACCESS TO INFORMATION) ACT 1985
Background papers

Contact Officer: Ms A Holman, Senior Licensing Officer

Ext: Telephone 01173 574 900

Appendices:

Appendix A Details of application and location map

Appendix B Representations

Appendix A

Location and application details:

South Corner Of Cotham Gardens, Redland Grove

Type of vehicle permitted: Van or Trailer or Cart (1.75mx2.4m approx)

Outside of trading hours vehicle kept: Offsite

To sell: hot/cold drinks, hot/cold food, ice cream. To exclude any such items deemed to cause offence and/or harm, such as alcohol, weapons, fireworks, vaping, tobacco, knives or legal highs.

Maximum hours: Monday to Sunday 0700 – 2000.

Location Map:

1 RP

What an appalling idea!

We are constantly reminded of how obesity has become a crisis yet there are attempts to add food vending in our parks. What madness. Children are frequently there unsupervised and this temptation might well be beyond their resistance. Who would police the food's calorific or health value and what about the possibility of children with allergies buying something which, had their parents been present, would inevitably have been refused.

Oh, dear, please let parks and gardens remain as such, food is definitely not needed everywhere and at all times. The point of our parks is healthy relaxation and enjoyment of fresh air; once a license was given, who knows, but it is likely that such foods as burgers etc might be sold, the stench from them would be unbearable for anyone just wanting clean air in a tranquil space.

2 RP

I would like to object to the proposals for hot and cold food concessions to Cotham Gardens.

Whilst a discrete tea/coffee trailer would be welcome (similar to St Andrews park or the Clifton Suspension bridge) anything else is likely to be vulgar (think Jason Donervan on Clifton triangle).

Key consideration must be given to local residents, the school, the amenity value of the park/lover's walk, and impact on children's health.

Issues are likely to be noise from diesel generator and users, smells (food and generator), air quality (generator), litter.

What reinvestment in the park would this proposal generate - I suspect none, although it would be income producing for the council.

3 RP

I am writing to object to Licensing application 18/03175/STCON to sell takeaway food and drink in Cotham Gardens, because it would make worse all the issues with health and the environment that most people are trying to improve.

I cannot see any benefits that would outweigh the multiple disadvantages and the general public nuisance, the increases in environmental pollution from engine fumes, cooking smells, litter, yet more waste to go to landfill or strewn around the park, dropped food waste attracting vermin, and the damage to people's health, especially children's, from consuming fast food. I do not think it is appropriate to site a food outlet in a small park, which should be a restful place, and on a route close to schools, exploiting children. The litter in Cotham Gardens is already considerable and the only reason we're not already knee-deep in it, is that I and other local residents pick it up every day on our walks around the park, so I shall feel very aggrieved if the Council allows this for the sake of the money it brings in, and leaves it to the rest of us to cope with the problems and do the clearing up.

4 RP

I refer to the proposal to grant a Licence for the sale of ice cream and hot and cold food and drink in Cotham Gardens Park.

I am a near neighbour of the proposed site which I understand to be the circular tarmac area at the southern end of the Park. I know this area well, having been responsible for the provision of the curved seating.

I am not opposed in principle to a suitable concession but consider this should not allow hot food or drink, because of the smells that would be created and the additional litter that would be likely. I assume that sale of alcoholic drinks would be prohibited.

I assume that any Licence will require that the operator removes all litter in the vicinity before leaving.

I also ask that the running of diesel powered refrigeration plant in the Park should be prohibited for health and environmental damage reasons.

Other conditions should be imposed to ensure that damage is not caused to the Park, and in particular to the grass.

This would seem to require a pre-agreed route for a vehicle to the tarmac area. This should not allow the van to be driven over any grass areas. The precise route, presumably down the tarmac Lovers' Walk and turning into the short tarmac path into the circular area should be defined. If this requires a slight reduction of grass area with additional tarmac at the corners where the van turns off Lovers Walk this should be done in advance.

Any vehicular use in Park is inherently dangerous to the public, particularly children. Failure to keep to agreed conditions should imperil the Licence.

5 RP

We object to food and drink licensing within or adjacent to Cotham Gardens.

There would be health issues, including the promotion of unhealthy and unnecessary food and drink, particularly of sugars contributing to the increase in diabetes, sanitation issues, litter issues, toilets availability and vehicle pollution issues.

We have been enjoying Cotham Gardens with our children and grandchildren for 40 years and have never felt a need for any such outlets.

It would be detrimental to the peaceful character and appearance of one of Bristol's nicest open spaces.

6 RP

***** have the following comments on the proposed concession in Cotham Gardens. For the proposed concession, we ask that there is a condition that diesel generators are not to be used to keep ice-cream cold or hot drinks hot. Either this concession pitch needs to be supported by a new electric supply to be put in by BCC or the trader will need to find an alternative energy supply. This is an essential element of any park concession, air-quality should be a primary consideration in all cases. We have concerns about the proximity to Cotham Gardens School of the proposed pitch. However, the proposed Ice-cream concession will not significantly change the current provision of the on-street van which stops at the top of Lovers' Walk near the zebra crossing. We assume that this on-street pitch will no longer operate if a park pitch concession is granted. Please can you confirm this? If anything, it will be slightly better hidden from

primary school children leaving Cotham Gardens school in the proposed location, so will be easier for parents, who do not want to buy ice-cream, to avoid it. This park is heavily used by students from Cotham School in the afternoons after school and by 6th form students from Cotham School and Redland Green school who move between the two school sites along Lovers' Walk many times during the day. For this reason, we have grave concerns about the proposal to grant concessions for hot- food, and would oppose that element of the licence proposals. Easy access to fast food is not going to support the campaigns to tackle obesity in our young people. It is also likely to add to the litter problem along the Lovers' Walk and in Cotham Gardens from picnickers. In consultation on parks priorities carried out under Neighbourhood Partnership work some years ago, there were a good number of requests for a café serving tea and coffee in the park, so we feel that park users would support this element of the concession proposals. We are concerned about the concession vehicle's access route to the proposed pitch. It will need to cross grassed areas which will potentially damage them. It may be necessary to redesign the tarmac area to stop the van wearing away the corners when accessing the proposed pitch. We assume the proposed pitch location is suitable to bear the weight of whatever concession vehicle is used. We ask that this is considered. We have consulted the building owner close to the proposed pitch who has not raised any concerns about the pitch subject to the issue of diesel fumes from engines kept running being removed. In summary, we do not oppose ice-cream or hot drinks concession licences but do oppose hot food provision on this site.

7 Cllr Negus

I am writing to object to the proposals for licensing a hot and cold food concessionary van in this park.

It should be said that this is a small park that within recent memory has not had such a food retail unit, nor have I ever heard expressed the need for it.

It's location is closer to the nearby Cotham Gardens primary school than the agreed zone for such sales. I have been a counsellor for this ward for almost 10 years and have had to have moved an ice cream van parked in Cotham Grove that infringed this zone. Your proposal is to cut across this agreement and I was concerned that no conversations had been had with the relevant department that helped me resolve these issues and indeed this was seen as being something entirely new.

I am also concerned about the obvious problem with litter for although this is close to a primary school it is also on the main route home for many pupils from Cotham school, a secondary. The paper trail from this call is already fairly bad and the littering that will occur (however many additional litter bins (a further cost when BCC would not consider any further bins in Cotham Gardens previously) will be unsightly and make the park less attractive and so less used by certain groups of people. Food waste is particularly a problem.

There has been bad experience at Redland Green from having a parked van with no connection to electrical mains so that its diesel motor has to run to maintain refrigeration and other equipment. In the light of all of our other efforts about clean air particularly around where children are concerned this is regressive.

Finally the only sensible point of access from the road for the stated location is close to a bend in a busy road at the top of the slope by a zebra crossing. I am very concerned at the safety issues quite apart from vehicles tracking over paths and grassed areas for which they were not intended.

Please will you consider these concerns in making your assessment of the real value of this concession when balanced with all of the other aspirations that local people have their area, some of which may be shared by the Mayor and officers.

8 RP

I have been passed information regarding the consultation 18/03175/STCON. Cotham School has concerns that a concessions stand in Cotham Gardens with unspecified hot food may be an issue for the school. A number of the school's students pass the area both on the way to and on the way home from school as this is near to Redland Station. Cotham School is committed to being a healthy school, and a stand which is potentially selling unhealthy foods to students both on the way to and from school could cause students to choose the unhealthy option in preference to healthy school meals.

9 RP

On behalf of Cotham Gardens Primary school I would like to register our objection to the above proposition on the following basis: Health - Potential impact on our pupils health, based on the proposed vendors very close proximity to our school, and its proposed sale of fast food and ice cream. The school and our parents places a high importance on healthy eating, which is reflected in our Food for Life policy, We recently procured a school meals catering contract to fulfil this objective (after thorough consultation with our parents via a food group), and we believe that the proposed vendor will undermine this objective by selling unhealthy food so closely to the school, thus undermining our healthy eating themed Food for Life Policy.

10 RP

Hello, as a parent of a child at Cotham Garden Primary School over the road, I would like to add my voice to the concerns about the authorisation of a food van in the park opposite.

If the van is selling healthy homemade food and nice coffee then that would be an asset. If it is selling burgers and hot dogs then it will be a very bad thing to have so many children (from Cotham school and Cotham Gardens) targetted with junk food in this way.

Thank you for your consideration.

11 RP

I have just become aware of a proposal to have a food van in my local park. I do not want this in my local park. I believe it will increase litter, I already pick up litter every morning when I am walking my dog and I do not wish to see more in my park. Also I believe the van will be running a motor to enable it to offer hot food. This will disturb the tranquility of the open space. For these reasons, I am strongly against the proposal.

12 RP

I strongly oppose permitting a food van at the top of Cotham Gardens/Grove Road. There is no need for such provision in this small, inner city park. This will diminish the park, create smells, create litter and unnecessarily add to petrol/Diesel engine pollution in the area.

13 RP

Absurd. a rethink is necessary immediately. NOt what i expected from BCC.How has this slipped through?

**BRISTOL CITY COUNCIL
PUBLIC SAFETY AND PROTECTION COMMITTEE
8 January 2019**

Report to consider applications for the Grant of Street Trading Consent(s) at a number of locations within the Bristol City Council administrative area.

Applicants: Bristol City Council

Report of the Service Manager – Regulatory Services

Purpose of Report

1. To consider applications for the grant of a Street Trading Consent in principle at the following locations:
 - a. Monks Park Open Space, Biddestone Road

Background

2. This application is made by the Bristol City Council Parks and Markets Teams.
3. The Parks and Markets Teams are responsible for managing land on behalf of the authority. These are premium locations whereby it is anticipated market value can be achieved by way of a concession process. This will be achieved via a tender process, whereby applicants bid for the site. These bids are assessed against specific criteria for each site, to ensure the successful applicant has a suitable offer for the relevant site.
4. The successful applicant for each site would be subject to a contract with the relevant team, issued for up to three years.
5. This location falls within the street trading policy as consent streets for the purpose of street trading legislation. Any street trading at that location other than under a street trading consent issued by the Council would constitute a criminal offence.
6. In order to streamline the process for the successful applicant, the Parks and Markets Teams have submitted “in principle”, or provisional, applications for the identified sites to the Licensing Team, in order to establish whether the sites may be suitable for a concession site, and whether there are any issues with them.

Therefore these concession sites are treated in exactly the same way as any other street trading application, which has the advantage of enabling other teams within the council and relevant persons to be consulted as to their suitability, or raise other concerns they may have.

7. If granted this site would be put out to tender, and the successful applicant would be required to submit a fresh application for street trading. The licensing manager may then dispense with the need for a full consultation if appropriate. The applicant would still be required to demonstrate that they were a suitable person to hold a street trading consent, and complete the other steps such as demonstrating the appropriate food hygiene level, and provision of a basic disclosure.
8. Detail of the application is shown in the Appendix A along with a location map.

Consultation

9. The Council's policy states that normally consultation will take place with the following interested parties:-
 - a. Local Residents
 - b. Local businesses
 - c. Bristol City Council – Highways officer
 - d. Bristol City Council – Planning Team
 - e. Bristol City Council – Food Safety Team
 - f. Bristol City Council – Pollution Control Team
 - g. Bristol City Council – Councillor
 - h. Avon and Somerset Police

The application is also advertised on the Council's website, and the applicant is required to place a notice of the application at the site for 21 days.

Standard consultation was undertaken in respect of all applications.

Consultation Responses

10. A number of responses were received which are attached at Appendix B.

Officer Considerations

11. If the sub-committee were minded to grant this application officers would recommend a number of conditions be attached in addition to the standard conditions normally attached:

- The consent holder shall not be permitted to use either a diesel or petrol generator. The unit may be powered by an alternative energy source, however it must be of a 'silent running' nature.
- The consent holder will not be permitted to trade on occasions when other events, or festivals take place at the site, or which encompass the site, without the explicit written permission of the event or festival organiser.

12. Schedule 4 to the Local Government (Miscellaneous Provisions) Act 1982 deals with street trading consents. Subject to certain exemptions that do not apply to this application, Paragraph 7 enables the council to grant a licence if they think fit. The council may attach such conditions as they consider necessary, which may include among other things conditions to prevent obstruction of the street or danger to persons using it, nuisance or annoyance etc. Consent may include permission for its holder to trade in a consent street from to trade from a stationery van, car, barrow or other vehicle, or from a portable stall. Unless such permission is included the act prohibits a consent holder trading from a van or other vehicle or from a stall, barrow or cart.

- a. If such a permission is included then the council may include conditions
- as to where the holder of the street trading consent may trade by virtue of the permission; and
 - as to the times between which or periods for which he may so trade.

13. Representatives from the Parks and Markets Teams will be in attendance to answer any questions or provide further detail where required.

RECOMMENDED The committee is asked to determine the applications.

Location and application details:

Monks Park Open Space, Biddestone Road

Type of vehicle permitted: Van or Trailer or Cart (1.75mx2.4m approx)

Outside of trading hours vehicle kept: Offsite

To sell: hot/cold drinks, hot/cold food, ice cream. To exclude any such items deemed to cause offence and/or harm, such as alcohol, weapons, fireworks, vaping, tobacco, knives or legal highs.

Maximum hours: Monday to Sunday 0700 – 2000.

Location Map:

1 RP

I've just been advised that there is an application in place for an ice cream/burger van to be sited adjacent to my home in Biddestone Road between the hours of 8 am and 7 pm. This has been via a notice board at the top of the park with no consultation to local residents who were already opposed to a play area and now this!! Exactly when were we to be informed?

I wish to register my strong objection to this application and would welcome a public meeting to discuss this further.

I shall be contacting Claire Hiscox the local councillor to take up the matter.

I would like confirmation that you have received this email and that my concern will be taken into account.

2 Cllr Hiscott

As the local councillor for Horfield I would like to raise an objection to the proposal to have a food and drink concession in Monks Park Open Space.

The park is very near to Orchard Secondary school and would become an obvious place for young students to purchase unhealthy food and drink on the way from and to school. It is also likely to increase the litter in the park.

Currently the park is very popular with the community and I have never in the last 5 years of being a councillor had a request for food or drink sales in the park.

There is no desire from residents for this proposal.

There is a huge risk that it would become a magnet for students and in no way encourages them to eat healthy food and may even encourage them to leave the school premises during the school day.

I see very little benefit in this proposal and ask that you would think again.

The occasional ice cream van of a weekend during the summer may be welcome, but any further than that it will be a very negative addition to the much loved green space.

3 RP

We live in Biddestone Road by Monks Park, and are not happy about the proposed food outlet. It's a lovely quiet family park and is not needed, we live by the fence and don't want litter and food smells. We have dog walkers and children in the play area , and no trouble whatsoever.

4 RP

Regarding the above ref (licence for hot/cold food and drinks and ice creams) I object to such application on the basis that Monks park is a small free space surrounded by homes . It is frequented by local residents To walk Dogs, children to play freely and families to enjoy the space away from vendors. I moved to the boundary of Monks park over 10 years ago after many months of Searching Bristol before finding my home. This area is generally peaceful and has a strong community feel. I am concerned that if this application is granted it would encourage anti social behaviour in the evenings as we have previously experienced prior to the dispersal order, for our homely, peaceful park. I would encourage you to visit our park to assist in any decision.

5 RP

A neighbour has made us aware of a proposal for a mobile food vendor to occupy the park in front of our houses. I object to this proposal. There are several reasons

for doing so, this is a built up area with houses surrounding the park if it is serving hot food then we have food smells and I'm guessing some kind of generator will power the vehicle creating further smells and fume pollution from a running engine. If it's an ice cream van then the same applies regarding fumes. The unit will also be entering the park I am assuming through locked gates, these gates are locked to prevent motorbikes etc from entering the park, which we have had numerous problems with in the past, kids racing around driving very dangerously whilst children are playing and people are walking. The gate would have to be secured immediately after the unit enters and leaves. If forgotten then this poses a problem. Littering is also a problem, this would create more, there are not enough bins. Will the council install extra litter bins - I very much doubt it. There are also no toilet facilities, and if people are drinking/eating they will use the bushes as toilets. This happens frequently at the weekends when families congregate for picnics. I have witnessed lots of adults peeing against the wall/bushes directly in front of my house. I hope common sense will prevail, and us residents don't have to put up with the disruption that this will cause.

6 RP

I have been made aware of an application for a food vending van for Monks Park Open Space And would like to object to this on the following points, Hours 7am until 8pm, 7 Days Per Week Totally anti-social hours at the Weekend, Light Pollution in the surrounding Area at night. The noise of a Mobile unit setting up at that time in a morning, And closing at night totally unacceptable This will also encourage Youth Gatherings, in what is a Child Friendly Playground area! Toilet facilities How will the Staff go all day with out the availability of Toilets Were will customer go to urinate, usually in the Tree Areas around the Park, Which is totally indecent behaviour with young children about Engine/ Generator Fumes and noise running all day and night. Litter is already a problem as not enough bins! Security is the gate remaining locked all day as we have had motorcycle problems with youths terrorising young families
