This information will also be made available at the meeting to which it relates and placed in the official minute book as a public record (available from Democratic Services).

We will try to remove personal information such as contact details. However, because of time constraints we cannot guarantee this, and you may therefore wish to consider if your statement contains information that you would prefer not to be in the public domain. Public Forum statements will not be posted on the council's website. Other committee papers may be placed on the council's website and information in them may be searchable on the internet.

Process during the meeting:

- Public Forum is normally one of the first items on the agenda, although statements and petitions that relate to specific items on the agenda may be taken just before the item concerned.
- There will be no debate on statements or petitions.
- The Chair will call each submission in turn. When you are invited to speak, please make sure that your presentation focuses on the key issues that you would like Members to consider. This will have the greatest impact.
- Your time allocation may have to be strictly limited if there are a lot of submissions.
- If there are a large number of submissions on one matter a representative may be requested to speak on the groups behalf.
- If you do not attend or speak at the meeting at which your public forum submission is being taken your statement will be noted by Members.

Webcasting/ Recording of meetings

Members of the public attending meetings or taking part in Public forum are advised that all Full Council and Cabinet meetings and some other committee meetings are now filmed for live or subsequent broadcast via the council's [webcasting pages](#). The whole of the meeting is filmed (except where there are confidential or exempt items) and the footage will be available for two years. If you ask a question or make a representation, then you are likely to be filmed and will be deemed to have given your consent to this. If you do not wish to be filmed you need to make yourself known to the webcasting staff. However, the Openness of Local Government Bodies Regulations 2014 now means that persons attending meetings may take photographs, film and audio record the proceedings and report on the meeting (Oral commentary is not permitted during the meeting as it would be disruptive). Members of the public should therefore be aware that they may be filmed by others attending and that is not within the council's control.

PROCEDURE TO BE FOLLOWED AT HEARING

The procedure to be followed at hearing (information provided in accordance with regulation 7 (1))

In accordance with regulation 21 the following procedure has been determined for this hearing, subject to the provisions of the regulations and of the council's Licensing Procedure Rules:

General

The hearing will take place in public. The sub committee may exclude the public from all or part of the hearing but may only do so where it considers that the public interest in so doing outweighs the public interest in the hearing, or that part of the hearing, taking place in public. Any party considering that the greater public interest is served by the public (which can include another party or parties) being excluded from all or any part of the hearing should make this view known to the Licensing Authority (in writing to the Licensing Manager) as soon as possible and in any event not less than two working days before the hearing is due to commence. The party asserting this should provide in writing full reasons supporting the request.

The Authority will make a record of the hearing. The form of that record is a matter of choice for the Authority and may include the hearings being subject to digital or tape recording.

The hearing will take the form of a discussion led by the Authority. The Authority has taken steps to ensure it is well placed to lead the discussion, for example by seeking clarification on certain points and requesting that this clarification be provided in writing and in advance of the hearing. All parties are asked to give full co-operation in ensuring the hearing can proceed smoothly and as anticipated in the regulations and under the Council's procedure rules.

All parties are reminded that, whilst this hearing will be conducted fairly and the decision will be made by Councillors who are committed to acting judicially, these are not court proceedings and should not be treated as such. This is a meeting of the local authority; the sub committee will conduct the hearing in accordance with the governing legislation. Parties must bear in mind that the hearing is not intended to be adversarial and this is reinforced in the regulations, for example the general prohibition on cross-examination contained in regulation 23. The Authority can only permit cross-examination where that would be required for it to "consider the representations,

application or notice as the case may be". If at any stage of the hearing the Authority considers cross-examination to be necessary on this ground the Chair will so rule, give directions for the conduct of that part of the meeting and the procedure set out below will be varied accordingly. The Authority expects all parties and their representatives to fully co-operate in ensuring the discussion it is bound to lead proceeds in an appropriate manner; it is expected that the parties will deal with the sub committee and each other with mutual respect. The parties and their representatives are informed that any disruptive behaviour may result on the person responsible being required to leave the meeting.

Appointment of Chair

The sub committee will appoint one of its number to Chair the meeting;

Outlining the procedure

The chair will explain the procedure the sub committee proposes to follow at the hearing (as set out in detail in the following paragraphs).

Administrative announcements

The Chair will make necessary announcements (e.g. reference to the evacuation procedure, requiring all present to switch off any mobile telephones or other equipment which may disturb the meeting).

Identification of persons participating in the hearing

The chair will ensure that all members of the sub committee, the parties and their representatives identify themselves for the record and for the benefit of those present.

Withdrawal of Representations [Regulation 10.]

The Licensing Manager will inform the sub committee if any Party has given Notice under regulation 10 withdrawing the representations they have made (Regulation 10 permits a party to withdraw their representations by giving notice to the authority no later than 24 hours before the day the hearing is due to commence).

The Chair will then ascertain if any Party wishes to exercise their rights under regulation 10 (b) to withdraw any representations they have made and, if so, will permit the Party to do so at this stage of the hearing.

Non appearance of parties

If any party fails to attend or to be represented at the hearing the Licensing Manager will inform the sub committee whether or not the party had informed the authority in accordance with regulation 8 of his/her non-attendance. The sub committee will consider how to proceed in consequence of that non-attendance in accordance with the rules indicated above.

Appearance of other persons at the hearing

The Licensing Manager (or his representative) will advise the sub committee if any request has been made by any Party, in accordance with and within the time provided for in regulation 8, seeking permission for any other person (other than a person the party intends to represent him/her) to appear at the hearing. Where such a request has been made it will be considered in accordance with regulation 22.

Additional material

The Licensing Manager (or his representative) will inform the sub committee if any documentary or other information has been produced by a party prior to the hearing in support of their application, representations or notice (applicable); if so, the sub committee will decide (in accordance with regulations 18 and 19) whether or not to take the material into account. Where such material has been provided at the hearing (rather than prior to it) the Chair will ascertain if all parties consent to the material being taken into account.

Identifying who will be addressing the sub committee

The Chair will ascertain which parties seek to exercise their right to address the sub- committee during the hearing and whether those party will personally exercise that right or will appear by their representative. Where a large number of interested parties are involved in a hearing, the Chair will inform all parties of their rights under regulation 24 and will ascertain if the interested parties are agreeable to the appointment of a spokesperson/spokespersons so as to avoid duplication and prevent the hearing becoming unnecessarily prolonged.

Exercise of other rights/other preliminary business

If there is a preliminary issue remaining to be determined (e.g. if the Authority considers a decision remains to be made concerning the relevance of any representations from interested parties) then the Chair will ensure the sub committee deals with the issue at this stage of the hearing.

The Chair will then ascertain if any party has any procedural point to raise before the hearing gets underway. It is anticipated the parties will have notified this in advance so that the sub committee can review the procedure if necessary prior to the beginning of the main part of the meeting. Parties are therefore discouraged from raising procedural points at this late stage and should only do so where they consider that they would otherwise not be likely to receive a fair hearing if the sub committee proceeded in the manner indicated here. When raising any point at this stage Parties will be asked to explain why they have not given prior notice to the sub committee.

Maximum time for parties to exercise their rights under section 16

The Chair will indicate the maximum time allowed for each party to exercise their rights under section 16 (set out in detail above in this Notice – in summary: provide clarification on points notified by the Authority, if permitted, question any other party and address the authority. See the Notice of hearing for the time provisionally directed by the sub committee).

Points of clarification

The Licensing manager (or his representative) will inform the meeting of any written responses received in response to any requests for clarification made by the Licensing Authority prior to the hearing. The Chair will indicate whether or not those written responses have been read by the members of the sub-committee. The Chair may adjourn the meeting for a sufficient period so as to enable those responses to be read where appropriate. The chair, assisted by the licensing manager (or his representative), will ensure that any responses which ought to have been provided to any other party have in fact been received by them. Where appropriate the Chair will ask the Licensing Manager (or his representative) to summarise the responses received for the benefit of the public hearing.

The Licensing Manager (or his representative) will inform the sub committee if any parties have not responded in writing to the points of clarification sought from them.

Where points of clarification remain outstanding the parties will be asked to give the further information at this stage of the hearing. The time taken to do so will be deducted from the maximum time allowed for that party to exercise its regulation 16 rights (and as this rule is binding on the sub committee parties are strongly urged to take the opportunity afforded to them to provide any points of clarification (as set out in the next section of this document) in writing prior to the meeting)

Opening address

The Chair will ascertain if the applicant (either in person or through a representative) wishes to utilise any of his/her maximum allocated time to make an opening address and if so how much of it is to be used in this manner. If the Applicant decides to make an opening speech the same facility will be afforded to the other parties should they wish to avail themselves of it, but otherwise the meeting will move directly to a discussion of the relevant issues.

Questions

Once any opening speeches are completed are completed the Chair will begin the discussion by posing any relevant questions which have been

brought forward by any of the Parties in response to the Authority's request for clarification.

The Chair will then ask any questions s/he wishes to pose to any of the parties. When questions concern matters of fact the sub committee requires the party (and not their representative, if any) to provide the response in person. Where the question focuses upon issues concerning law, statutory guidance or local policy, a party may either respond directly or through his/her representative but, particularly where some other parties are unrepresented, not both.

The other members of the sub committee will then each have an opportunity to put any further questions they may have to any of the parties present.

The Chair will then ask the Licensing Manager (or his representative) and the Committee's legal advisor if there are any further questions they consider the sub committee may need answers to in order to make their decision.

The Chair will ascertain if the parties agree that all areas which can be explored questioning of the parties have been dealt with; if the Chair is satisfied that some relevant questions have not been put then this will be done at this stage.

Closing speeches

The chair will then ask each of the parties in turn if they wish to make a closing speech to the sub committee. Any party making a closing speech must not exceed the maximum allocated time remaining to them. The order in which the closing speeches may be made shall be a matter for the chair to determine but where there are a large number of parties present s/he will indicate if asked why the particular order has been chosen (e.g. order of the date of receipt of the representations, or by reference to the particular points or licensing objectives they principally relate to). In any event the Chair will ensure that the Applicant, if using some or all of his/her maximum allocated time to make a closing speech, is the last party to make such an address and therefore has the final word.

Once any closing addresses are completed the Chair will bring the hearing to a conclusion. The committee will then proceed to deliberate in accordance with Rule 20.3 of the Council's licensing procedure rules

Report of the Service Manager – Regulatory Services

Title: Licensing Act 2003
Application for variation of a premises licence in respect of City Kiosk, 2
Broad Quay, Bristol, BS1 4DA

Ward: Central

Officer Presenting Report: Sarah Flower

Contact Telephone Number: 0117 3574900

Purpose of the report

Members have a pack containing the following documents:

- (a) Copy of the application
- (b) Copy of all relevant representations
- (c) Points of clarification raised with the parties and their responses
- (d) The Council's statement of licensing policy
- (e) The Secretary of state's guidance
- (f) The Council's Licensing procedure rules
- (g) Regulations governing the conduct of hearings

Context

The detail of the application is as follows:

Licensable activities and times applied for:

Sale of Alcohol Monday to Sunday 06:00 - 02:00

Hours the premises will be open to the public:

Monday to Sunday 06:00 - 02:00

Non Standard Timings

Non standard timings not applicable.

The application was accompanied by an operating schedule setting out the steps the applicant proposes to take to promote the four licensing objectives. If there had been no relevant representations (or if all relevant representations are withdrawn) the council would be bound to grant the application subject only to such conditions as are consistent with the operating schedule accompanying the application. The draft of a licence that could have been issued, having regard to guidance and policy and acting with a view to promoting the four licensing objectives, is appended to this report as Appendix A.

Policy

City Centre CIA

Reason for Policy

The Avon and Somerset Police produced evidence to support their request that the central area of Bristol be designated a cumulative impact area. It remains at saturation point and the Police produced evidence for extending the area to which the special policy should apply so as to include Stokes Croft and Cabot Circus. In particular the area, which has a significant concentration of alcohol led late night venues, witnesses a high number of assaults and other related crime and disorder including public nuisance and risk to public safety. The policy will apply to further applications for the grant of new licenses or significant variations of existing licenses in respect of premises that primarily sell alcohol for consumption on the premises, other late night uses, restaurants and take away outlets. The main focus of the policy is likely to be on alcohol led establishments and premises that keep customers in the area at times when the promotion of the licensing objectives is most challenging (for example late night refreshment from “fast food” outlets)

Representations

1. Relevant representations have been received from the following parties, all of whom have been notified of this hearing and their rights:

Avon And Somerset Constabulary

Recommendations

IT IS RECOMMENDED THAT THE SUB COMMITTEE hold a hearing to consider the relevant representations (unless the subcommittee, the applicant and each person who has made such representations agree that a hearing is unnecessary) and, having regard to the representations, take such of the steps mentioned in paragraph 6 below, if any, as it considers appropriate for the promotion of the licensing objectives. In making this (and all licensing decisions) the subcommittee must have regard to the guidance and policy included in the subcommittee's pack

2. The steps are –

- (a) To grant the licence subject to conditions that are consistent with the operating schedule
- (b) To exclude from the scope of the licence any of the licensable activities to which the application relates
- (c) [To refuse to specify a person in the licence as the premises supervisor] delete where not applicable
- (d) To reject the application

3. If a licence is granted any relevant mandatory conditions must be imposed in addition to any conditions the subcommittee decides to impose after the hearing. Mandatory conditions are standard conditions imposed by way of legislation and in respect of which there is no power to vary.

4. If the subcommittee decides to grant the application Notice in line with the statutory requirements must be given forthwith to that effect to the applicant, all of the people who made relevant representations and the Chief Constable for Avon and Somerset and must state the reasons for taking any of the steps set out in paragraph 6 of this report; the applicant must also be issued with the licence and a summary of it.

5. If the subcommittee decides to reject the application notice must be given forthwith to that effect to the applicant, all of the people who made relevant representations and the Chief Constable for Avon and Somerset and must state the reasons for the decision.
