Subject: Meter proposal 22/11/2024

Dear Jonathan, good afternoon, hope you are keeping well.

The Taxi trade would like to propose a meter fare increase for a March 2025 implementation. We believe a increase is needed for the reasons below.

Increased Costs

Several elements including vehicle insurance and taxi licence fees have increased this year, the trade has also noticed that scratch dent repairs are becoming expensive as garages have increased costs burdens on them self's so have to pass them on. We have also seen customer Electronic payment becoming the preferred payment method and so there is a 2 percent fee that the service provider charges,(Zettle, Sum up, Paypal).

These along with inflation are some of the reasons we feel a small increase is need.

We propose new fares as follows

1- Initial Hiring-

Tariff 1. 20p increase

Tariff 2. No change

Tariff 3. No change

Tariff 4. No change

Tariff 5. No change

Tariff 6. No change

2- Increased Tariffs-

20 pence increase per mile to tariffs 1,2,3 and 4.

Bank Holiday Tariff 5 mileage rate to be frozen

Christmas and new year tariff 6 mileage rate also to be frozen

3- Extras-

Every /medium holdall/rucksack/suitcase 30p

Every large/heavy holdall/rucksack/suitcase/pram/pushchair 50p

3- Start timing

No changes to start timing.

4- Waiting times-

No changes to waiting times.

Proposed % increase for a 2 mile trip-

tariff 1 7.89%

tariff 2 4.65%

tariff 3 4.88%

tariff 4 4.55%

tariff 5 0.00%

tariff 6 0.00%

End of document.

Thanks, Yours Sincerely
