## **Policy**

### **City Centre CIA**

#### **Reason for Policy**

The Avon and Somerset Police produced evidence to support their request that the central area of Bristol be designated a cumulative impact area . It remains at saturation point and the Police produced evidence for extending the area to which the special policy should apply so as to include Stokes Croft and Cabot Circus. In particular the area, which has a significant concentration of alcohol led late night venues, witnesses a high number of assaults and other related crime and disorder including public nuisance and risk to public safety. The policy will apply to further applications for the grant of new licenses or significant variations of existing licenses in respect of premises that primarily sell alcohol for consumption on the premises, other late night uses, restaurants and take away outlets. The main focus of the policy is likely to be on alcohol led establishments and premises that keep customers in the area at times when the promotion of the licensing objectives is most challenging (for example late night refreshment from “fast food” outlets)

The Cannon Street locality comprises of a close concentration of late night „destination“ bars, take away food outlets and premises supplying alcohol for consumption away from the premises (off-licences) that has resulted in a cumulative adverse impact on the promotion of the licensing objectives, in particular those concerning the prevention of crime and disorder and the prevention of public nuisance. The policy, when triggered by the receipt of relevant representations, will apply to applications for the grant of new premises licences or for significant variation of existing licenses and is intended to prevent the further proliferation of the type of premises on offer in this locality. In order to rebut the presumption of refusal applicants for licences will be expected to demonstrate through the operating schedule accompanying the application that what they propose is a significantly different type of operation than that which is currently on offer; a proposal that will result in a greater variety of range of venues and that it is demonstrated will not add to the problems currently being experienced which this policy aims to address. The policy is intended to be strictly applied, i.e. to refuse applications with operating schedules that could enable a venue to operate as an additional late night alcohol led venue, or as a late night food take away outlet, or as an “off-licence”.

## **Representations**

1. Relevant representations have been received from the following parties, all of whom have been notified of this hearing and their rights:

**Andrew Lyle Licensing Enforcement Officer**  
**Sharon Sawyers Senior Trading Standards Officer**  
**Sarah Bellamy Licensing Officer**

## **Recommendations**

IT IS RECOMMENDED THAT THE SUB COMMITTEE hold a hearing to consider the relevant representations (unless the subcommittee, the applicant and each person who has made such representations agree that a hearing is unnecessary) and, having regard to the representations, take such of the steps mentioned in paragraph 6 below, if any, as it considers appropriate for the promotion of the licensing objectives. In making this (and all licensing decisions) the subcommittee must have regard to the guidance and policy included in the subcommittee's pack

2. The steps are –

- (a) To grant the licence subject to conditions that are consistent with the operating schedule
- (b) To exclude from the scope of the licence any of the licensable activities to which the application relates
- (c) [To refuse to specify a person in the licence as the premises supervisor] delete where not applicable
- (d) To reject the application

3. If a licence is granted any relevant mandatory conditions must be imposed in addition to any conditions the subcommittee decides to impose after the hearing. Mandatory conditions are standard conditions imposed by way of legislation and in respect of which there is no power to vary.

4. If the subcommittee decides to grant the application Notice in line with the statutory requirements must be given forthwith to that effect to the applicant, all of the people who made relevant representations and the Chief Constable for Avon and Somerset and must state the reasons for taking any of the steps set out in paragraph 6 of this report; the applicant must also be issued with the licence and a summary of it.

5. If the subcommittee decides to reject the application notice must be given forthwith to that effect to the applicant, all of the people who made relevant representations and the Chief Constable for Avon and Somerset and must state the reasons for the decision.
