Neighbourhoods	Centralise Citizen Service Points (CSPs) at 100 Temple Street and close all others	We will centralise our Citizen Service Points at 100 Temple Street with more advisors available face-to-face and by phone. This means that all other Citizen Service Points (in Fishponds, Hartcliffe, Southmead and Ridingleaze) will close.	-158	-80				-238
Neighbourhoods	Reduce Discretionary Rate Relief for business rates	We are proposing to reduce the Discretionary Rate Relief (DRR) awarded to charities, voluntary groups and not for profit organisations. This means they may pay the full cost of the Business Rate bills.		-158				-158

Directorate	Name of proposal	Description	Saving 2017/18 £000's	Saving 2018/19 £000's	Saving 2019/20 £000's	Saving 2020/21 £000's	Saving 2021/22 £000's	Total Savings £000's
Place	Reorganise how school crossings are patrolled	Having listened to consultation feedback we have decreased the savings we plan to make in this area. We will look at alternative methods for providing patrols for school crossings (Lollipop people) outside 80 school sites around Bristol. This could include volunteers or seeking alternative funding arrangements.	-90	-65				-155
Place	Stop funding the freight consolidation centre which is not profitable	This joint scheme with Bath and North East Somerset Council sees deliveries for several major shops and firms brought to a single place, where they are combined on to a single delivery vehicle. The scheme is voluntary and is not used enough to justify continuing funding it. We remain committed to reducing the number of vehicles coming into the city centre and will explore what role freight consolidation might play in this.	-150					-150
Neighbourhoods	Alternative funding models for Ashton Court mansion.	Ashton Court is currently funded by a council subsidy and the income from running weddings, conferences and events. We will explore new ways of operating the site without the council subsidy and identifying new funding sources for investment in the building.	-35	-85				-120
People	Remove subsidy for adult education at Stoke Lodge	We pay to provide Stoke Lodge as a base for Adult Learning. Following the restructure of the service, this funding will end and the service will become self-funding and the venue will be available for hire.	-55	-55				-110
Place	Reshape planning enforcement service	This will reduce the level of development monitoring, enabling us to reduce the cost of our planning enforcement service.	-102					-102
People	Reduce funding for employment support service	Rather than working by ourselves to provide opportunities for people to access employment and apprenticeships, we will seek corporate sponsorship and work with partners such as the City Office to do this. This might reduce the number of activities like job fairs, job clubs and apprenticeship links with local businesses which are provided directly by the council, but we would still provide some and hope other partners can help provide others or more effective alternatives.	-100					-100
Neighbourhoods	Reduction in wellbeing grant devolved to local Neighbourhood Partnerships	Each Neighbourhood Partnership currently has a grant to spend on local wellbeing initiatives. Under this proposal we will reduce the grants.	-100					-100
Neighbourhoods	Recommission alcohol and other drugs misuse services for adults	We will make this saving by recommissioning the services. This may mean changes to the treatment available but we will still be spending £6.6m per year on alcohol and treatment services. We will retain these services and aim to achieve the savings through the recommissioning process. This proposal is the same as we consulted in October (lower end = 5% saving), but a proportion of the savings are attributed to alternative funding streams.	-20	-61				-81
Neighbourhoods	Remove council subsidy from Jubilee Pool	We are proposing to remove the council subsidy of this public swimming pool and small fitness suite on Jubilee Road in Knowle. The existing five year contract with the current operator is due to end on 30 September 2017.	-62					-62

Resources	No longer send out reminders for voter registration	We currently send residents a reminder letter for voter registration (household notification letter). We will no longer do this.	-43					-43
Cross Directorate	Cease financial support for Bristol Pound	The Bristol pound is a local currency run by a separate, independent organisation. We supported it during the start-up phase and now that it is fully established we will be withdrawing our supporting funds.		-40				-40
Neighbourhoods	Stop spending on seagull prevention	The council currently carries out seagull prevention work to manage the number of seagulls in the city. This includes egg replacement programmes, some building netting and the use of hawks as a dispersal tactic. Many councils no longer carry out this work due to the cost and the difficulty in making any significant impact. Therefore it is proposed that we no longer run this service	-29					-29
Neighbourhoods	Remove the subsidy for salary costs for the Avon Gorge and Downs Wildlife Programme.	We currently contribute £25k for an education officer and a seasonal post for the Avon Gorge and Downs Wildlife Programme. This proposal removes the council contribution.	-25					-25
Neighbourhoods	Remove council contribution for Bristol in Bloom	Bristol has a successful Bristol in Bloom programme which is highly valued by the city. Bristol in Bloom community association has been focusing on increasing their corporate sponsorship and income generation and under this proposal we would remove the council subsidy.	-20					-20
