| Saving Name  | Description   | Savings<br>£000 | Savings<br>Reference |  |  |
| Transport efficiency viathe region's MayoralCombined Authority | We are working with South Gloucestershire and Bath & NorthEast Somerset to create a regional body known as a MayoralCombined Authority (MCA). This is a necessary part of a deal withthe government to move some powers and funding control awayfrom the government and in to local hands. Through this we planto improve transport efficiency and effectiveness to reduce the direct cost to the council. This will include having the ability toattract alternative funding streams for transport improvements as a result of having devolved powers in the region. | (2,000)         | BE4                  |  |  |
| Organisational   | An organisational redesign to include the cost of seniormanagement structures.  | (600)           | BE7                  |  |  |
| Workforce policy and conditions review                         | This proposal includes a number of savings from a workforce policy and conditions review. It includes a proposed pay freeze for managers, reducing the period of pay protection following grade changes, an increase in the amount of holiday time employees can buy back.  | (260)           | BE6                  |  |  |
| Reduce subscriptions   | We propose making a one-off reduction in subscriptions to the Chartered Institute of Public Finance and Accountancy, and the Local Government Information Unit.   | (10)            | BE34                 |  |  |
