

‘Our overriding aim is to make Bristol a more equal city where everyone can share in its success’

The Bristol Mayor, 2016

A community conversation with The Bristol Mayor – Marvin Rees

11.00am on Saturday 29th April 2017

St. Peter's Methodist Church, Allison Road, BS4 4NZ

Would you like to meet the Bristol elected Mayor to tell him about the things that really concern you, your family and neighbours?

Bristol City Council is facing major challenges. Too often the people with the most to lose are not part of the decisions. Are there ways the Council and Brislington East residents can work together to do the right things at the right time?

The Bristol Mayor wants to hear what YOU have to say about Bristol and YOUR local area.

All Welcome!

Organised in partnership with St Peter's
