

**Henbury, Brentry & Southmead Neighbourhood Partnership
Tuesday 28th March 2017**

Title: Southmead Housing Needs Study

Report of: Keith Houghton, Neighbourhood Partnership Co-ordinator

RECOMMENDATIONS

1. To note and support the Southmead Housing Needs Study

1.1. In September 2016 BS10 Parks and Planning Group, United Communities Housing, Southmead Development Trust and Bristol City Council produced a Southmead Housing Needs Study to express the aspirations of Southmead residents for the type of housing needed in the ward **Appendix 1**

1.2 The NP is asked to note this Study and to adopt it and pass it on to the successor arrangements as a helpful model of community-defined planning for both Southmead and, potentially, Henbury and Brentry, should they want to undertake a similar piece of work.
