Title: Scrutiny Structures and New Ways of Working – Hothouse Outcomes

Ward: N/A

Officer Presenting Report: Andrea Dell, Service Manager, Democratic Engagement

Contact Telephone Number: 0117 9222483

Recommendation;

That Members formally approve the outcomes of the review of Scrutiny so they can be referred to Full Council for adoption at the appropriate point.

Summary;

Following a request from the Overview and Scrutiny Management Board (OSMB), Bristol City Council's Scrutiny Service has been reviewed by Members in order to identify if there are more effective ways of working.

The review has taken place during a series of conversations between February and March 17 in both formal Commission meetings and also informal 'hothouse' style events. The final hothouse will take place on 18 May 17 and Members have called a meeting of the Board directly after so the outcomes can be approved before going to Full Council for adoption later in the year.

Full details of the outcomes of the Scrutiny review will be provided by Members verbally at the meeting.
