Consultation on changes to local services

Survey Booklet

This booklet contains surveys for you to complete as part of Bristol City Council's 'Your Neighbourhood' consultation on changes to local services.

These surveys run for 12 weeks, ending **Tuesday 5 September**.

If you have internet access please do this online at www.bristol.gov.uk/yourneighbourhood.

Important Information – please read first. To help make sure you give us an informed response, before answering any questions please read about our proposals and consider all of the information we have provided. This can be found online or in two printed booklets:

- Your Neighbourhood – Information Booklet
- Your Neighbourhood – Equalities Impact Assessments

The printed booklets can be found in libraries, at our Citizen Service Point at 100 Temple Street or are available by emailing consultation@bristol.gov.uk or calling **0117 922 2848**.

An interactive map at www.bristol.gov.uk/yourneighbourhood can help you visualise what the proposals look like. It will also give you an overall picture of what services could look like in your local area based on your feedback.

Please comment on as many consultations as you can. This will help us build a picture of the potential combined effect of the proposals across the city.

When you are finished you should return this booklet only to us using the freepost envelope provided. If you don't have a freepost envelope, you can send it to us at:

What happens next?

The responses will be analysed to help the council decide how best to deliver the agreed budget savings.

Your feedback, along with the views of other local groups and partners and the results of our Equalities Impact Assessments, will be taken in to consideration in developing a set of final proposals that will be put to the Mayor and his Cabinet to make a final decision. In making a decision Cabinet will also take consultation responses and Equalities Impact Assessments into consideration.

The consultation results and the council's decision on how to deliver future services will be published later in 2017 or early 2018.

How can I keep track?

You can always find the latest consultations online at www.bristol.gov.uk/consultationhub, where you can also sign up to receive automated email notifications about consultations.

All decisions related to the proposals in this consultation will be made publicly at future Cabinet meetings. You can find forthcoming meetings and their agenda at democracy.bristol.gov.uk.

Any decisions made by Cabinet will also be shared at news.bristol.gov.uk, on Twitter [@BristolCouncil](https://twitter.com/BristolCouncil) and with the local news media.
