Recommendation

For Overview and Scrutiny Management Board (OSMB) members to:

1. Review the contents of all value for money reports.
2. Produce a report for Cabinet outlining Scrutiny Members' observations on the value for money reports to contribute to future decision making.

Summary

In April 2017 Bristol City Council commissioned a value for money review of the proposed arena project in Temple Quarter. This review was later expanded to include a potential alternative site in the north of the city. The scope for the Temple Quarter review is set out in Appendix A and this was subsequently applied to the alternative proposal.

Further to the agenda published on 8 June, the following documents/appendices are now published:

- 1 KPMG report - Bristol Arena Value for Money (VFM) Assessment summary conclusions
- 2 KPMG report - Temple Island Arena VFM Assessment
- 3 KPMG report - Assessment of alternative development plans for the Temple Island site
- 4 KPMG report - Assessment of alternative plans for an arena in Bristol

In addition, a detailed exempt document, not for publication under Part 1 of Schedule 12A of the Local Government Act 1972, para 3 (information relating to the financial or business affairs of any particular person (including the authority holding that information)) will be made available to OSM Board members under managed access. A redacted public version of this document will also be published as soon as possible.
