

Clean Streets

Neighbourhoods & Communities Service

NET & Clean Streets part of the Neighbourhood Services Team, Manager: Lindsay Hay

Service Manager: Penny Germon

The Presentation

- What the business plan says
- Clean streets overview
- Stapleton Rd Collection scheme
- BCC Enforcement Team
- Enforcement contract
- Learning
- Next steps

Corporate Business plan 18/19

Run the Clean Streets campaign which will tackle litter, fly-tipping and other forms of environmental crime through a mix of education and community engagement. Actions will also include a more robust approach to enforcement against offenders.

The Clean Streets campaign sits alongside our Waste and Resource Management Strategy, which outlines our commitment to prevent or minimise waste generation and maximising the repair, re-use, recycling and recovery of resources.

Measures

- Increase the percentage of household waste sent for reuse, recycling and composting in Bristol to 50% in 2020 (from 45% in 2017/18)
- Increase the percentage of residents visiting a park or open space at least once a week to 57% (QoL survey) from 56% in 2017/18
- Reduce the percentage of people who feel that street litter is a problem in their neighbourhood to 70% (QoL survey) from 80% in 2017/18

Clean Streets Education & Community Action

- 3 major **publicity campaigns**
- Tripled the number of **Eco-Schools**.
- **140 Community Clean Ups**, with 2,414 participants with 2,222 bags of litter removed (12 months)
18/19 target = 3000 (Q1 808).
- **'Poo Patrol Big Spray Day'** 65% reduction in dog fouling around schools
- **Stapleton Road Project**

Show **STAPLETON RD. BS5** Some love

USE GREY BAGS

DO NOT PUT YOUR RUBBISH OUT OVERNIGHT

BLACK BAGS ARE NOT COLLECTED AND YOU COULD BE FINED £100

| M before 09:00 |  NO BAGS | W before 09:00 |  NO BAGS | F before 09:00 |  NO BAGS |  NO BAGS |

Neighbourhoods & Communities

Slide 6

Free collection on Stapleton Rd?

- Commercial premises require waste licence
- Bagged household waste collection scheme that operates along Stapleton Road. The scheme uses grey bags. Sometimes black bags are used (wrongly). These are taken as fly-tipped waste.

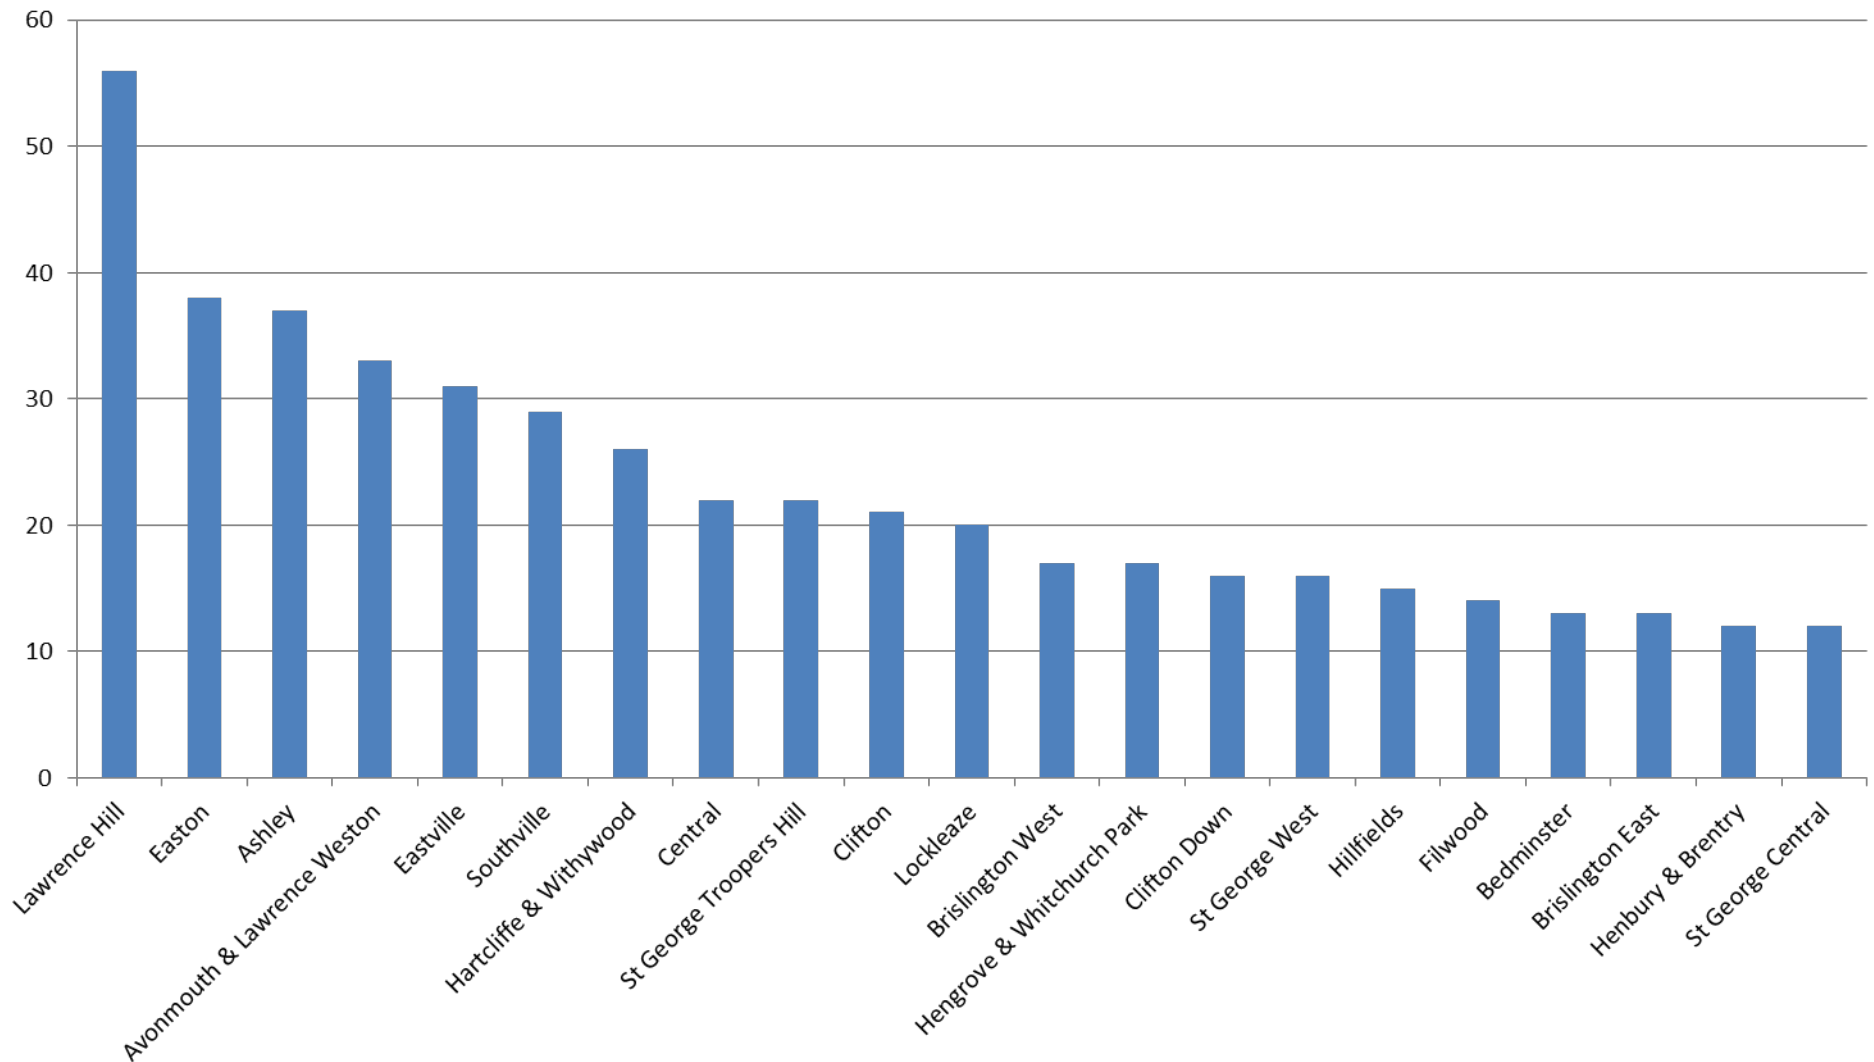

New ways of working and testing ideas

- **New spring/summer protocol:** 50 additional bins in parks and centre/Extended working hours.
- **Bear Pit** – improved, cleaner, safer environment
- **People sleeping rough** - improved processes and protocols
- **Measuring success** – Environmental Quality Audits
- **Enforcement contract pilot**
 - high profile litter campaign
 - joint working

BCC Neighbourhood Enforcement Team

- Waste - 33% of NET work.
- 5900 cases 17/18 (all work areas)
- 244 waste related prosecutions (27 commercial)

BCC NET – 20 wards with highest number of enforcement cases 17/18

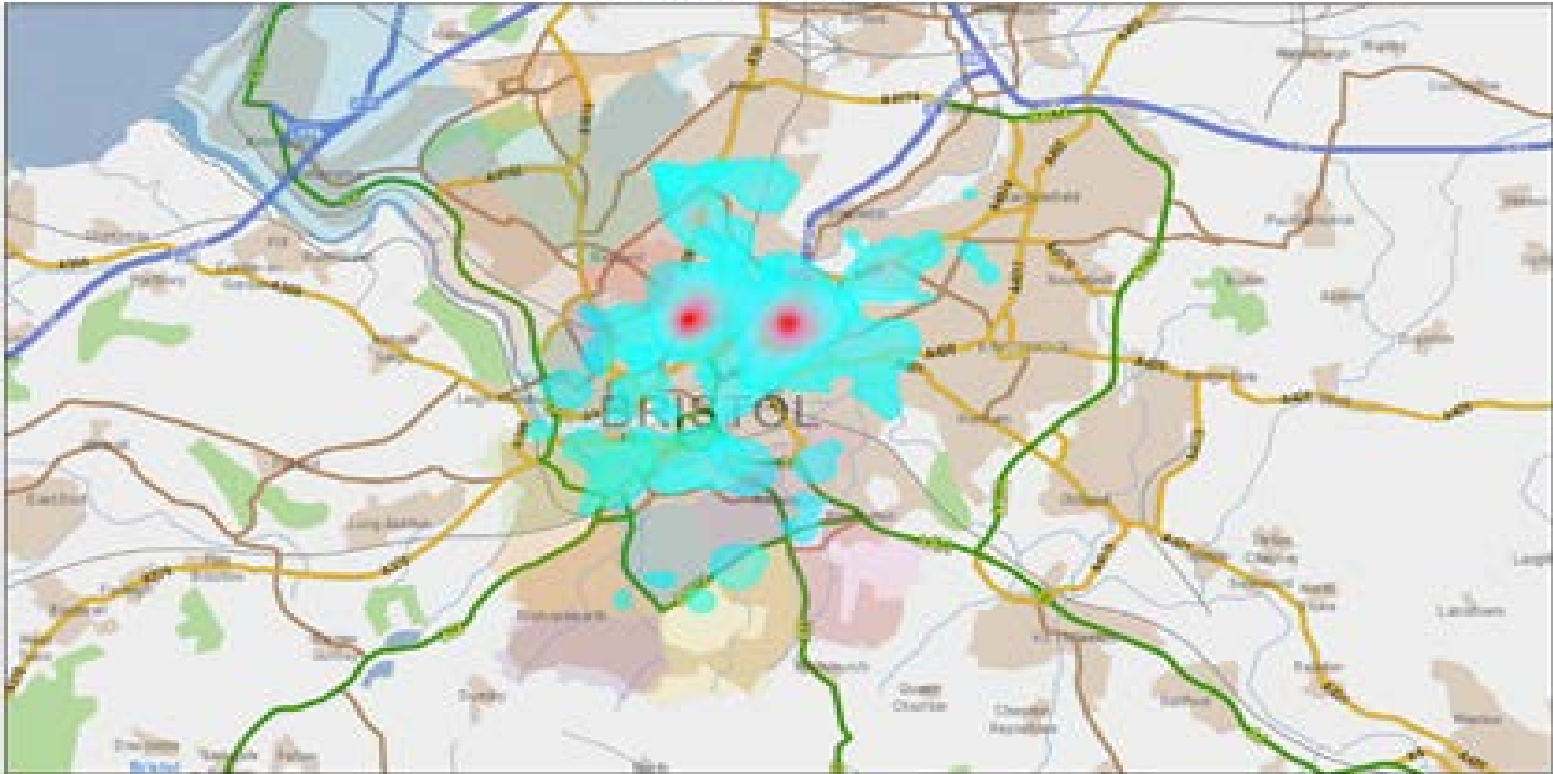

Enforcement Contract - Pilot

- High profile, high impact campaign in central Bristol
- Tackle littering and test approach
- Broadened out after 6 months
- **Weekly tasking: data & intelligence**

Communities

Neighbourhoods & Communities

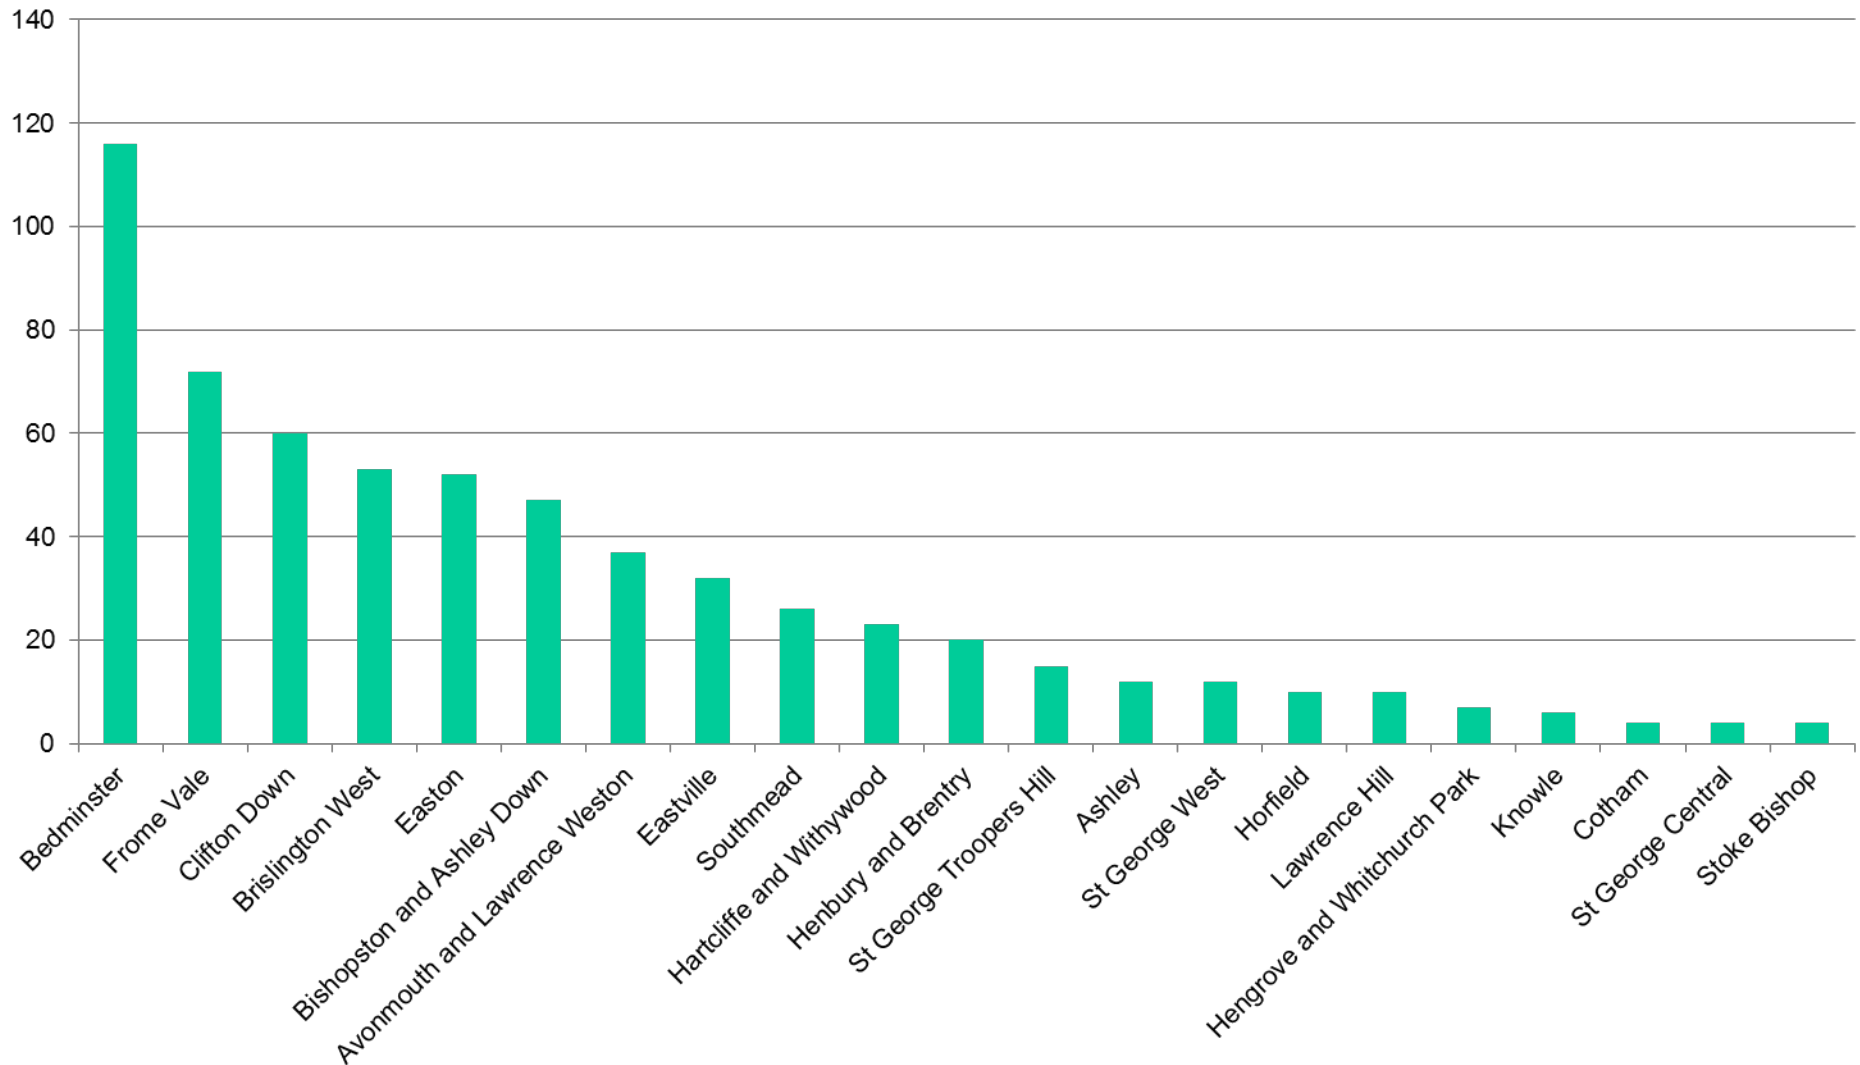

BWC 20 areas with highest reported fly-tipping 18/19

What's happened?

- 8999 FPNs
- issued in 29/34 wards
- 97% fines for cigarette butts
- 120 court prosecutions
- Supported by high level communications
- Impact – less littering
- Testing new ways of working
 - working with fly-tipping crews
 - FPN's and commercial premises

20 areas with highest no. FPNs issued by Kingdom after Central & Clifton wards

Learning

- Additional enforcement capacity at no cost to the council
- Public support
- How we align and maximise city resources to tackle city priorities
- Education, enforcement and behaviour change – all necessary

Next steps

- More strategy less reactive.
- Closer working with BWC
- One enforcement approach
- Better insight (improved data systems)
- Improve back office systems for BCC NET
- Review of work priorities for NET
- Embedding clean streets work
- Procure four year contract – Cabinet decision

Scrutiny

- Advice and suggestions?
- Reporting on enforcement – what would be helpful?
- Involvement in development of a strategy?
