3. Context

3.1 This is the third of the IA Activity reports to the Audit Committee, marking the half-way point in the work plan year. The Activity reports are designed to provide the Committee with a summary view of the work completed by the Service throughout the year. The activity reports will be provided to the Committee on an accumulative quarterly basis covering all of the IA activities, with the exception of the November Audit Committee where a separate Counter Fraud Update report will be provided. The purpose of the Activity reports is to:

- Provide an overview of the work of Internal Audit to date, and the level of assurance that can be derived from that work, in terms of the control framework within the Council;
- Present the assurance work completed and in progress by the Internal Audit team during the period, together with the conclusions we have drawn from that work.
- Update the Committee on the Internal Audit recommendations implementation rate and other performance indicators for the team.
- Spotlight audit review outcomes, both positive and negative, to management and the Audit Committee for their consideration and action, where appropriate.

This Third Activity Report in 2018/19 can be found at Appendix (A), with the key points to note provided below:

3.2 Key points arising from the Activity Report:

- Audit Plan has been re-assessed to reflect changing circumstances within the Council and within the team;
- 47 % of completed Audit Reviews have concluded limited or no level of assurance which compares to 50% of reviews that had concluded this level of assurance at this time last year;
- Recommendation implementation rate currently at 86% implemented or partially implemented, compared to 88% in 2017/18 ;
- 20 grants with a total value of £22.2m certified to date;
- Pro-active fraud/irregularity Activity Update is provided to the Audit Committee in a separate half-year report.

4. Proposal

- 4.1 The Audit Committee considers the accumulative work of the Internal Audit Team (IA), during the period of 1st April to 31st October 2018, and the results thereof, raising challenge where appropriate.

5. Other Options Considered – N/A

6. Risk Assessment

The work of Internal Audit minimises the risk of failures in the Council's internal control, risk management and governance arrangements, reduces fraud and other losses and increases the potential for prevention and detection of such issues. Areas of significant risk are detailed in the report.

Public Sector Equality Duties

- 8a) Before making a decision, section 149 Equality Act 2010 requires that each decision-maker considers the need to promote equality for persons with the following “protected characteristics”: age, disability, gender reassignment, pregnancy and maternity, race, religion or belief, sex, sexual orientation. Each decision-maker must, therefore, have due regard to the need to:
- i) Eliminate discrimination, harassment, victimisation and any other conduct prohibited under the Equality Act 2010.
 - ii) Advance equality of opportunity between persons who share a relevant protected characteristic and those who do not share it. This involves having due regard, in particular, to the need to --
 - remove or minimise disadvantage suffered by persons who share a relevant protected characteristic;
 - take steps to meet the needs of persons who share a relevant protected characteristic that are different from the needs of people who do not share it (in relation to disabled people, this includes, in particular, steps to take account of disabled persons' disabilities);
 - encourage persons who share a protected characteristic to participate in public life or in any other activity in which participation by such persons is disproportionately low.
 - iii) Foster good relations between persons who share a relevant protected characteristic and those who do not share it. This involves having due regard, in particular, to the need to –
 - tackle prejudice; and
 - promote understanding.
- 8b) No Equality Impact anticipated from this report.
