Announcement of the Rapid Rehousing Pathway: Somewhere Safe to Stay Early Adopters

Dear Carmel,

Thank you very much for your expression of interest in becoming an early adopter of the Rapid Rehousing Pathway (RRP).

We are pleased to inform you that your application to develop a Somewhere Safe to Stay (SStS) hub has been successful and we can confirm that your area will be funded as an early adopter. We can also confirm that your application has been successful for a somewhere safe to stay hub, supported lettings, navigators, and a local lettings agency.

The funding for your pathway is subject to your agreement of a Memorandum of Understanding and a delivery plan, based on your application and further discussions with us. Following on from our call, we look forward to meeting to discuss next steps in the next few weeks.

We plan to formally announce the successful SStS early adopter areas before Christmas.

We would like to take this opportunity to once again congratulate you on your successful application and ask that if you have any queries, please respond this email was sent or your assigned RSI adviser, John Isserlis.

With thanks once again for your application,

Bill Thorpe
