Policy

Gloucester Road CIA

Reason for Policy

This stretch of Gloucester Road, which is a major transport route in and out of the city, features a mix of retail and leisure uses with primarily residential areas behind the frontages. The request for a CIA to be introduced was made by the Police and supported by local residential amenity groups. The potential for increased public nuisance and crime and disorder arising from further licenses being granted is a major concern for local residents in this area and the Police. In particular the area, which has a significant concentration of alcohol led late night venues, witnesses a high number of assaults and other related crime and disorder including public nuisance and risk to public safety.

The ability to prevent further encroachment into the normal sleeping times of local residents is also a key aspect of this policy. The policy will apply to further applications for the grant of new licenses or significant variations of existing licenses in respect of premises that primarily sell alcohol for consumption on the premises, other late night uses, restaurants and take away outlets. The main focus of the policy is likely to be on alcohol led establishments and premises that keep customers in the area at times when the promotion of the licensing objectives is most challenging (for example late night refreshment from “fast food” outlets)

Representations

1. Relevant representations have been received from the following parties, all of whom have been notified of this hearing and their rights:

Pollution Control Licensing Authority

Recommendations

IT IS RECOMMENDED THAT THE SUB COMMITTEE hold a hearing to consider the relevant representations (unless the subcommittee, the applicant and each person who has made such representations agree that a hearing is unnecessary) and, having regard to the representations, take such of the steps mentioned in paragraph 6 below, if any, as it considers appropriate for the promotion of the licensing objectives. In making this (and all licensing decisions) the subcommittee must have regard to the guidance and policy

included in the subcommittee's pack

2. The steps are –

- (a) To grant the licence subject to conditions that are consistent with the operating schedule
 - (b) To exclude from the scope of the licence any of the licensable activities to which the application relates
 - (c) [To refuse to specify a person in the licence as the premises supervisor] delete where not applicable
 - (d) To reject the application
3. If a licence is granted any relevant mandatory conditions must be imposed in addition to any conditions the subcommittee decides to impose after the hearing. Mandatory conditions are standard conditions imposed by way of legislation and in respect of which there is no power to vary.
4. If the subcommittee decides to grant the application Notice in line with the statutory requirements must be given forthwith to that effect to the applicant, all of the people who made relevant representations and the Chief Constable for Avon and Somerset and must state the reasons for taking any of the steps set out in paragraph 6 of this report; the applicant must also be issued with the licence and a summary of it.
5. If the subcommittee decides to reject the application notice must be given forthwith to that effect to the applicant, all of the people who made relevant representations and the Chief Constable for Avon and Somerset and must state the reasons for the decision.
